The Intercolonial Railway Discussion.

114 to 28! This was the division in the House of Commons upon Mr. Cartwright's amendment to Mr. Mackenzie's plaintive motion. In a house of 143 members Mr. Mackenzie was able to drum up just 27 followers. All the long-drawn out effusions of the ex-organ, in which facts were made subordinate to taste and party gale to patriotism; all the strong denunciation of the member for Lambton and of his jackall, the member for South Waterloo, were just sufficient to secure 27 votes in the House of Commons, which has nearly seven times that number of members. What a tale of weakness and defeat these numbers tell! What a ball cause! What a lack of talent in opposition! What a want in leadership! It is the old story over again. There in the labor of the mountain and the mouse is brought forth. It is worth while to analyze the division-list and see with what overwhelming strength the decision of the government has been sustained. In every Province of the Dominion there was a large majority of the representatives in favor of the northern route, and altogether the supporters of that line mustered more than four to one against its opponents.

Maj. for northern route ... 86

For Governor of the North-West.

The report is current in various quarters—usually not ill-informed—that Mr. Macdougall, C.B., is to be the first Governor of the North-West, after its annexation to the Dominion. Mr. Macdougall is probably as well qualified for the position as any of our public men, and the close attention he has given to the subject of acquiring the new territory will, doubtless, be found a good preparatory training for the place which ought to be filled now with the least possible delay.—Telegraph.

Some visitors from Red River settlement have just arrived in Toronto. The journey from Fort Garry via St. Paul, was completed in 12 days. They report that all vestige of snow and ice had disappeared by the 12th of April, that the grass was green on the prairies, and the mosquitoes out in full force.

Ex-Queen Isabella is supposed to be hard up. Her mother, Maria Christina, has steadily refused to let her have any money, and few of the merchants who have sold goods in the royal family have been able to obtain payment of their bills. Father Claret, it is suspected, left Isabella because she had not money enough at her disposal.

A number of young Canadians, headed by Mr. Kenneth McKenzie, of Puslinch, passed through London on Monday, en route to Red River. They carry with them stock, horses, implements, seeds, &c. Mr. McKenzie visited the Red River country last year on a prospecting tour, and formed a very high opinion of its agricultural capabilities. He secured his title according to quatter laws, to 1,400 acres of the choicest land, embracing wood, water and prairie, by ploughing to furrows completely around the block—an occupation which occupied him three days. He now goes back with a band of this young colony, and a more are to follow.

CITY OF THE DAY.

FRIDAY MORNING, MAY 21, 1869.

MEDICAL.—We are requested to announce that Dr. Rosebrugh, Oculist and Aurist, of Toronto, may be consulted at the office of Dr. Lavell, Kingston, on Friday the 28th inst., and Saturday, the 29th inst.

MARINE LAWS.—In Ottawa on Wednesday the Committee on Fisheries and Navigation met and adopted the report recommending that steps be taken to establish Boards of Examiners to examine Masters and Mates of ships in connection with boards of examiners, established by Boards of Trade in Great Britain; also to encourage nautical education by establishing schools of Navigation, in different parts of the Dominion.

EXCURSION TO KINGSTON.—The str. Rochester has advertized a grand excursion from Belleville to Kingston on the Queen's Birthday. It is promised that the excursionists will have plenty of time to see all the sports of the day, including the sham fight, cricket match, boat races, fireworks, &c!

THE WEATHER.—The weather of the past three days has been a complete sell on the innovators of summer fashions. As an example of the incongruities of the season, a fellow muffled up in an overcoat was yesterday delivering ice about the city. The article is not liable to spoil.

BANKRUPT SALE.—The Bankrupt Sale of Fancy Goods, Plated-ware and Watches opened on Wednesday evening, and is proceeding very satisfactorily. The sales have been so very largely attended that the agent has been induced to hold an afternoon sale, as well as an evening one. See advt.

THE RIFLE.—Now that our Volunteers are becoming more and more interested in rifle shooting, the following information will be received with pleasure:—The Ontario Rifle Association meeting takes place at Toronto on the 22nd of June. About $2,000 are to be given in prizes, and 2,000 competitors are expected. The camp will be conducted on the same plan as at the Dominion Rifle meeting at Montreal last season.

GRADING PRINCESS STREET.—Our main thoroughfare from Bagot to Wellington streets is being heavily macadamized, and those who go down to the town in waggons will, for some time, be tortured with very jolty rides.

ANOTHER BREACH OF PRIVILEGE.—The Hon. Donald Macdonald, Senator, has once more abused his privilege of franking letters, by again sending out Circulars to the Shareholders of the Royal Canadian Bank. Is there no public man in Parliament who will take up this gross piece of misconduct?

LIVE STOCK.—It is pleasing to notice an increase in our exports. This week the exports of live stock to Cape Vincent have been increased, being heavier than last week by one Artilleryman!

POLICE COURT, Thursday.—No interest whatever attached to proceedings this morning. We will despatch the cases as speedily as did His Worship, Silvester Barasha, drunk and disorderly, fined $2. —, Sorey, drunk and vagrant, discharged on promise to 'peg' out.

Sporting Matters.

More than ordinary good sport is expected at the Whitby races. The purses are very liberal, and a number of well known horses have been entered.

The twelve best men of the St Regis Indians leave Cornwall on Saturday to play a match with the Montreal La Crosse Club's best men on the Queen's Birthday.

Dr. Wistar's Balsam of Wild Cherry.

Where this article is known it is a work of supererogation to say one word in its favor, so well is it established as an unfailing remedy for Coughs, Colds, Bronchitis, Croup, Whooping Cough, Asthma, diseases of the Throat, Chest and Lungs, as well as that most dreaded of all diseases, Consumption, with high medical authority has pronounced to be an incurable disease, those who have tried this remedy know its value; those who have not, have just to make a single trial to be satisfied that of all others it is the remedy.

The Rev. Jacob Sechler,

well known and much respected among the German population of this country, writes as follows:

Hanover, Pa., Feb. 16, 1859.

Messrs. S. W. Fowle & Son, Boston:

Dear Sirs:—Having realized in my family important benefit from the use of your valuable preparation—Wistar's Balsam of Wild Cherry—it affords me pleasure to recommend it to the public. Some eight years ago one of my daughters seemed to be in a decline, and little hopes of her recovery were entertained. I then procured a bottle of your excellent Balsam, and before she had taken the whole of it there was a great improvement in her health. I have, in my individual case, made frequent use of your valuable medicine, and have always been benefited by it. I would, however, caution the public against imposition, because there is a good deal of spurious Wistar's Balsam of Wild Cherry throughout the country.

Grace's Celebrated Salve.

From Mr. James Curling, of Amesbury, Mass.

'I was afflicted with a severe felon on one of my fingers, and tried many remedies without relief. My friends induced me to apply your Salve. In two days it extricated the inflammation from my finger so as to enable me to resume my work. I can almost say that the Salve worked like magic, for it effected a cure without leaving a scar. I unhesitatingly pronounce Grace's Salve an excellent remedy and do not doubt it will be appreciated throughout the land.'

BRONCHITIS.

MR. JAMES I FELLOWS:—

Sir,—In the winter of 1866 I was afflicted with a severe attack of Bronchitis, and altho' our Doctors were very attentive, and used all the means in their power, they failed to afford me much relief. Hearing of your Hypophosphites and Cod Liver Oil, I procured a bottle, and found no benefit from that. I then obtained a bottle of your Compound Syrup, and took it until it made a permanent cure.

Respectfully yours,

MENDAL CROCKER.

The high praises emanating from people in all parts of the world that have derived benefit from the use of RADWAY'S REMEDIES, prove their title to confidence. There is no pain so severe no disease so malignant or swift in its destruction of life, but that the READY RELIEF will stop the pain and arrest it in its progress. Every one has heard of it, if not tried it. Let those who have not used it, if sick, give it a trial. A few minutes will prove its power of stopping pain. See Dr. Radway's Almanac for 1868.

Arnot's Arnica Anodyne.

A correspondent of the Brampton Times thus writes to that journal: "Some time ago I was attacked with Inflammatory Rheumatism in both limbs and feet, and confined to the house for several weeks. Hearing of ARNOT'S ARNICA ANODYNE, I got a bottle, and after using it a few times obtained the greatest relief. It took all the soreness out of my feet, and I am now able to walk nearly as well as ever. I will always recommend it as the best thing I ever used for that disease."

The New Remedy for Worms in Children or Adults.

BARKER'S

WORM SYRUP.

GREAT difficulty has been experienced in obtaining a medicine that can be administered to young Children in a convenient form. Lozenges, Candy, &c., have not been found to answer the purpose, on account of children refusing to eat them; also on account of the number of worthless preparations now before the public. Thousands of lives are sacrificed for the want of a certain and reliable medicine.

The want of a convenient, and at the same time an effectual medicine, has been long required. This WORM SYRUP will supply that want, and having paid particular attention to its preparation, the Proprietor can with confidence recommend it to the public as a certain, safe and sure remedy for destroying Worms in Children or Adults. It can be administered with perfect safety to the most delicate children, and on account of its pleasant taste children will take it freely. A large number of certificates have been received from parties who have used this Syrup with the greatest success; also from several Physicians, recommending its use.

The symptoms of worms are so well known that it is not necessary here to describe them; but it is a well known fact that thousands of children are hurried to an early grave for want of proper attention.
