COMMUNITY

Active Learning Centre-Acton to offer Spanish lessons in the fall

By Julie Conroy

Hillsview Active Living Centre- Acton

On Wednesday, Aug. 26, the Centre and arena will be closed while the hydro is being connected to the new rink.

On Wednesday, Aug. 19, three of our members represented us in the Regional finals in the Ontario Seniors Games. Frances Hogenbirk played darts in St Catharines and Mary Walsma and Walter Golden played cribbage in Welland.

Are you looking around your home and wondering where you left your glasses? There was a pair of prescription sun glasses left at the reception desk on June 17 and one prescription pair left on the bus from the Georgian Downs bus trip on July 23. There are also several pieces of jewelry. Please talk to the person on the reception desk if these are your items.

Plans are in the works for our annual Open House starting on Monday, Sept. 8 through to Friday, Sept. 11. There will be NO drop-in fee during Open House to give as many people as possible the chance to try the various activities at the Centre. Take this opportunity to see what we have to interest you, whether it is an active activ-

ity or a more social event. We will also have some interesting speakers during this week. I will give you more information closer to the date.

We are planning some very interesting evening events starting in September. I know many people will be interested in the Spanish Lessons starting on Sept. 28 and running until Dec. 28. Just in time for people going on holiday who would like to be a little more fluent in Spanish. Not a member of the Centre? Don't forget you can participate in many events by paying a small additional fee.

I have missed our social dinners over the summer but tickets are now on sale for the Monday, Sept. 14 dinner. The theme is Hawaiian Night and on the menu is Swiss Chalet chicken followed by Key Lime Pie. Shake out those Mumu's and bright Hawaiian shirts. Craig Manning will be providing the entertainment.

Friday lunch on Aug. 28 will be soup and sandwiches, plus of course, dessert, tea and coffee.

If you haven't dropped in lately and added your loonie and name to the 50/50 box, this week would be a good week to do so. There was no winner last Friday so the amount to be won should be around \$300.

Did you think incontinence was just a "woman's issue"?

Learn how physiotherapy can help men with Pelvic Health, including incontinence and pain after prostate surgery.

Incontinence can be dramatic following prostate surgery or radiation treatment. Men are alarmed by the immediate decrease in their quality of life that comes with being reliant on urinary pads throughout the day.

Did you know?

The scientific research clearly shows that men who receive physiotherapy BEFORE and AFTER prostate surgery gain control of their bladder quicker.
