SOME EXPERIENCE.—A sure way to exterminate bed bugs is still to bathe wash with salt water, filling the cracks where they frequent with salt. Salt seems so inimical to old bugs that they will not crawl through it.

To stop the flow of blood, take the fine dust of tea and bind it close to the wound. After the blood has ceased to flow, laudanum may be advantageously applied to the wound.

BURNS.—Dip the affected part in cold water, then into common wheat flour, and so alternately, until a thick coating is formed so as to exclude the air, then bind light with a cloth wet with cold water.

BREAKFAST.—EPPS'S COCOA.—GRATEFUL AND COMFORTING.—The very agreeable character of this preparation has rendered it a general favourite. The Civil Service Gazette remarks: —"The singular success which Mr. Epps attained by his homœopathic preparation of cocoa has never been surpassed by any experimentalist. By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately flavoured beverage which may save us many heavy doctors' bills." Made simply with boiling water or milk. Sold by the Trade only in ½lb., ¼lb., and 1lb. tinlined packets, labelled—JAMES EPPS & Co., Homœopathic Chemists, London.

CANADIAN SECURITIES IN ENGLAND.—Up to our last advices the demand for Colonial Securities has continued active, but there has been little change in Canadian and the week's business now to report. In railway securities there was some advance, and Grand Trunk 2nd preference shares rose £2; an advance also occurred in Great Western shares.

WEDNESDAY MORNING, JULY 7, 1869.

THE BAND.—The Band of the R. C. Rifles will play in the Artillery Park this afternoon at 4 o'clock. As this is not the regular day, customary attendants will please bear it in mind or be prepared to regret afterwards that they did not. The following is the programme:—

Overture—Masaniello.....Auber.
Quadrille—La Grande Duchesse.Strauss.
Selection—Lucrezia Borgia.....Donizetti
Valse—Village Belle.....Bertie Jarvis.
Selection 2nd—Il Trovatore.....Verdi.
Galop—Orphens.....Godfrey.
GOD SAVE THE QUEEN.

CITY COUNCIL.—On Monday evening the meeting of the City Council was not held for want of a quorum, induced by the absence of a number of Aldermen from the city in pursuit of pleasure and recreation.

YACHT RACE.—The Royal Canadian Yacht Club Regatta, at Toronto, came off on Saturday. Four entries of first-class boats. Race won by "Glance," formerly of Kingston. Second-class boat race, 4 entries, won by "Wide Awake."

OSGOODE HALL.—James Taylor, the champion comique of Great Britain and America, with his musical Burlesque Troupe, will perform at Ontario Hall to-night. Mr. Taylor is spoken very highly of by the Toronto papers.

THE WEATHER.—The weather hereabout gives one a realization of Watt's beautiful lines:

"From Greenland's icy mountains,
From India's coral strand."

We get the Greenland and India temperatures in daily and nightly alternation

RECIPROCITY.—Mr. Rose is to visit Mr. Thornton, the British Ambassador, at Newport, shortly; and afterwards proceed—it is rumored—to negotiate for a renewal of Reciprocity.

The Last Great Success.

SONG OF IRON.

I am mighty by the ocean,
Heavens wedded by the bears,
Giantess in the midnight tempest,
Laughing at the storm and wave.

Beneath in the palace pillars,
Spring in the mineral rock,
As it brings the deadly lightning,
Quelled and harmless to the rock.

But there is a glorious success,
Where I take my greatest power,
Giving to the lame my support,
Speechless old, in danger's hour.

See! behold me fly diseases!
See the darkness broken by!
See the rose of health and beauty
Take the pallid cheek and brow.

Fly, dyspepsia! fly consumption!
You all life are crushed at length,
For I give what Nature requires
Only what I needed—Strength!

Shall I tell in what great essence
I can thus your health clear up?
Publish, mortals, in your anthems,
"To the famed "Peruvian Syrup."

The Peruvian Syrup is a protoxyd solution of the Protoxide of Iron, a new discovery in medicine that strikes at the root of disease by supplying the blood with its vital principle or life element,—Iron.

The genuine has "Peruvian Syrup" blown in the glass.

PHILOSOPHY OF MARRIAGE.

A new Course of Lectures, as delivered at the New York Museum of Anatomy, embracing the subjects: How to Live and what to Live for; Youth, Maturity, and old Age; Manhood generally reviewed; The cause of Indigestion; Flatulence and Nervous Diseases accounted for; Marriage philosophically considered, &c., &c. Pocket volumes containing these Lectures, will be forwarded post-paid, on receipt of 25 cents, by addressing "SECRETARY, New York Museum of Anatomy and Science, 618 Broadway, New York."

Would it not be better to give our youth strong constitutions, and allow the body to grow in proportion to the brain? Children whose brain development is unusually large in comparison with the body, notwithstanding the care judicious parents can bestow, are those who are frequently singled out for a premature final resting place. Why is this? Simply because the functions of the body are too feeble to supply the waste going on in the brain, consequent upon active intelligence. Fellows' Compound Syrup is so prepared that it imparts the vital principle directly to the brain, while it assists in developing a vigorous and robust body.

Sold by Apothecaries—price $1.50 per bottle or 6 for $7.50.

Arnot's Arnica Anodyne

A correspondent of the Brampton Times thus writes to that journal: "Some time ago I was attacked with Inflammatory Rheumatism in both limbs and feet, and confined to the house for several weeks. Hearing of ARNOT'S ARNICA ANODYNE, I got a bottle, and after using it a few times obtained the greatest relief. It took all the soreness out of my feet, and I am now able to walk nearly as well as ever. I will always recommend it as the best thing I ever used for that disease."

R. MENZIES.

A. A. A. is fast becoming a household remedy throughout Canada, and superseding the other so-called Ready Reliefs and Pain Killers to which sufferers have long resorted. See advertisement. 48

R. R. R.

The high praise emanating from people in all parts of the world that have derived benefit from the use of RADWAY'S REMEDIES, prove their title to confidence. There is no pain so severe no disease so malignant or swift in its destruction of life, but that the READY RELIEF will stop the pain and arrest it in its progress. Every one has heard of it, if not tried it. Let those who have not used it, if sick, give it a trial. A few minutes will prove its power of stopping pain. See Dr. Radway's Almanac for 1868.

Arnot's Arnica Anodyne!

THE NEW PAIN RELIEVER,

IS THE MOST RELIABLE REMEDY for all Pain, of whatever kind, whether internal or external. It is a certain cure for NEURALGIA, TOOTHACHE, RHEUMATIC AFFECTIONS, INFLAMMATORY SORE THROAT, DIARRHŒA, COLIC, DYSENTERY, CRAMPS, COLDS, DYSPEPSIA, FLATULENCE,

And all Complaints of The Stomach and Bowels.

It is not a weak or untried Medicine, rashly or carelessly intruded on the public attention, but has been used by thousands in this immediate vicinity, as well as elsewhere through Canada, and in every case, as far as known, with the best results. Dr. ARNOT, the eminent Physician whose name it bears, was well known as one of the most distinguished Medical Practitioners in the Empire, and this remedy has been pronounced by all who have experienced its wonderful curative powers as well worthy of its author's reputation.

No one need continue a sufferer from pain when by the timely and proper use of A. A. A. the suffering is sure to be alleviated immediately, and entirely banished after a few applications. Its taste and odour are both agreeable, so that when taken it gives no offence to the most delicate palate, and when inhaled through the nostrils it refreshes and stimulates the olfactory nerves more than the best Eau de Cologne.

If you suffer from NEURALGIA, use A. A. A.
If you are a martyr to TOOTHACHE, use A. A. A.
If you are afflicted with RHEUMATISM, use A. A. A.
If you are attacked by DIPTHERIA, use A. A. A.
If you have been BURNT, or SCALDED, or STUNG, or FROST BITTEN, or BRUISED, use A. A. A.
