A "Growing" Item.

A woman in Detroit has been arrested for smuggling tea in her stockings.—Express.

In North Carolina the women carry nails in her stockings.—Raleigh Progress.

Nothing wonderful. The ladies of Forsyth carry calves in their stockings.—Observer.

And one of our ladies carries her corn in her.—Rome Commercial.

The ladies in this city who sympathize with Andy Johnson in his fight with the Radicals carry V-toes in theirs, which are seldom passed over their heads.—Vir. Sun.

All the women down our way carry splendid singles (legs) in their stockings.—Kentucky News.

The ladies here all carry'sole [heels] in their stockings.—St. Joseph Vindicator.

Down this way some of them not only carry calves in their stockings, but also bran to fatten them.—Mexico Messenger.

Almost all our ladies hereabouts carry Bunyan's works in their stockings. We consider that a sock-dolager!—Union.

Loss of Quebec Timber Ships.—It may not be generally known that during the past few months a large number of vessels have been abandoned on their voyage from Canada to Britain, and others have arrived there only after having suffered serious damage. The majority of these disasters would seem to have been occasioned by deck loads. This is declared to be the case both by the vice-President of the Quebec Board of Trade and the agent for French Lloyds. The former says, no ship-master desires to carry these deck loads of lumber, but the cupidity of some ship-owners compels their masters to take them as long as the law permits it, and others have to do it in self defence. The worst features of the case is the sad loss of life which ensues. With a deck load in the fall of the year, there is no sufficient protection for the sailors; a sea breaks on board, the deck load gets adrift, men's limbs are broken in the attempt to get rid of it, the pumps are often broken by loose pieces of timber, the ship becomes waterlogged, provisions and water are destroyed, the unhappy crew take to the tops, only to perish by starvation or cold.

Patrick McMahon.—Mr. Alex. Somerville the 'whistler at the plough,' has published in the Montreal Gazette, an abridged narrative of the case of the Rev. John McMahon, now in the Penitentiary as a Fenian convict. Mr. Somerville has satisfied himself that Mr. McMahon's case is 'hardly paralleled in the annals of misadventure'....that 'he was at first entangled by accident, afterwards left undefended at trial, partly by accident, largely through somebody's neglect, and was condemned to be hanged,' without a hand being raised to help him save Mr. Somerville's. Mr. S. narrates the circumstance of Mr. McMahon's being on his way to Montreal to wind up his brother's estate whose will Mr. S. himself examined. He also shows wherein the more in favour of the priest were not brought out at the trial, &c., and concludes with the emphatic declaration, that "the inner light of consciousness and the power of reason affirm" to him that Father McMahon "is an innocent man." We may state that it was generally understood some time ago that this peculiar case would be taken into favourable consideration after the close of the session, with the prospect that he would be released.

Canada is shortly to be honored with the presence of General McClellan, who prefers the invigorating and health restoring climate of the Dominion to that of the United States. He will find much to interest him here, and we trust he will return home impressed with the belief that Canada is not the miserable place some of his countrymen wish it to be considered.

NEWS OF THE DAY.

SATURDAY MORNING, JULY 10, 1869.

Board of Public Instruction.

The semi-annual meeting of the County Board of Public Instruction was held at the village of Sydenham on Wednesday and Thursday last, the Chairman, the Rev. E. C. Bower, presiding. Thirty-one candidates presented themselves as applicants for certificates, of whom the following were successful:—

Females—1st class.—Willhelmina McCammon, Mary B. Carroll, Kate Davis, Mary E. Ross, Kate Hentig, Kingston.

2nd Class.—Mary Collins, Loughboro; Rebecca J. Lawson, Wilton; Mellisa M. Dennison, Hartington; Anna M. Raftery, Wolfe Island; Eliza Bullis, do.

Males—1st class.—T. H. McGuire, Jas. Galloway, Anthony McGuin, Kingston; Allen B. Carscallen, Harrington; David Kane, Brewer's Mills; Geo. W. Andrews, Loughboro.

2nd Class.—Jas. Clark, Sharpton; Alex. Mavety, Loughboro; J. W. Davis, do; John McCarthy, Wolfe Island.

A Cunning Dodge.—It is a common dodge in the Army, when an officer wants to sell out, or wishes to retire, for him to obtain six months' leave of absence, and then for him to send in his papers, or send in his resignation, thus making the country he serves pay him half a year's salary for doing nothing. When Colonel Macdougall, Adjutant General of Militia, got disgusted because Parliament would not pay him extravagantly, he got six months' leave of absence, drawing of course six months' pay, and then resigning at its expiration. Now, it has been whispered to us, that another Militia Staff Officer, also disgusted because Parliament would not give him £450 per year for doing little or nothing, has also applied and obtained six months' leave of absence, after little more than a year's service, with the intention of doing better for himself at its end! We can't swear that he intends to resign, tho' it looks very much like it. To do this he has a perfect right, but surely is there not something very wrong in getting pay for work that he does not do? We shall watch the matter and report.

☞ The Paris crew will visit the Lachine Regatta.

Military.—Lt.-Col. Glanville, R.A., with an Adjutant and six men leaves for Quebec, en route to England, on Sunday morning by the steamer.

The issue of 32-pounders to the Volunteer Artillery Corps is not yet completed. Three guns are lying at the Dockyard awaiting transport to Gananoque, Brockville and Matilda.

Dominion Race Course.—We have at length much pleasure in announcing to the public that this new and excellent Course will be opened on Monday next. The proprietors, Messrs. Geraldi and Murray, request us to say, that owing to the unfortunate state of the weather, the Course was not opened as previously announced. The bill got up for the races on the 19th and 20th inst. is a capital one, and we have no doubt but there will be a large gathering of the sporting fraternity, and numerous entries of the fine racing and trotting horses of the Dominion and the adjoining State. The bill will be out at once.

Common School Board.—The Board of Common School Trustees did not meet on Tuesday evening, out of respect to the Chairman, whose mother's funeral took place that afternoon.

☞ What appeared to be a large influx of strangers, not unlike the primitive red men of the forest, was noticed at the str. Watertown yesterday. The peculiar people were red from head to toe, faces, hands, clothes and all, and it is not to be wondered at that they attracted attention. The hotel porters and the cabbies plied their seductive wiles around them in the most artful manner, but it was no go, the strangers were not-come-at-a-ble. Soon an unusual number of recognitions came from the new arrivals, and finally a gleam of light passed over the dumb intelligences of the crowd—the new arrivals were a number of dock laborers, who went over to Cape Vincent last week to load red ore on a vessel, and came back in a state almost placing them beyond recognition.

☞ The Hon. John Rose has gone to Washington, and has an appointment with Secretary Fish with reference to the negociations of a new reciprocity treaty. Mr. Thornton will be present at the interview.

☞ Green peas, new potatoes and cherries are among the luxuries supplied by our market.

Police Court, Friday.—Archibald Buchanan, having returned from his lengthened revel at Toronto, tested anew the strength of Kingston spirits, and found that they were strong enough to knock him down. The police picked him up, and the Magistrate sent him up still further for thirty days. Archy has his ups and downs in plentitude. Benjamin Neywood, another victim of the flowing bowl, paid his $2 with a pang and left.

SONG OF IRON.

I am mighty in the saber,
Fiercely wielded by the brave,
Glorious in the stalwart steamer,
Laughing at the storm and wave.

Beauteous in the palace pillars,
Spring in the polished red,
As it brings the death-lightning,
Quelled and harmless to the sod.

But there is a glorious essence,
Where I take my grandest power,
Giving to the Race my surest,
Sweetest aid, in danger's hour.

See! before me fly diseases!
See the darkest hydras bow!
See the rose of health and beauty
Take the palest cheek and brow.

Fly, dyspepsia! fly consumption!
Yes, all ills are crushed at length,
For I give what human nature
Only ever needed—Strength!

Shall I tell in what great essence
I can thus your spirits cheer up?
Pallid, trembling, dying sufferer,
'Tis the famed "Peruvian Syrup."

The Peruvian Syrup is a protected solution of the Protoxide of Iron, a new discovery in medicine that strikes at the root of disease by supplying the blood with its vital principle or life element,—Iron.

The genuine has "Peruvian Syrup" blown in the glass.

Arnot's Arnica Anodyne

A correspondent of the Brampton Times thus writes to that journal: "Some time ago I was attacked with Inflammatory Rheumatism in both limbs and feet, and confined to the house for several weeks. Hearing of Arnot's Arnica Anodyne, I got a bottle, and after using it a few times obtained the greatest relief. It took all the soreness out of my feet, and I am now able to walk nearly as well as ever. I will always recommend it as the best thing I ever used for that disease."
R. Menzies.

A. A. A. is fast becoming a household remedy throughout Canada, and superseding the other so-called Ready Reliefs and Pain Killers to which sufferers have long resorted. See advertisement. 84

PHILOSOPHY OF MARRIAGE.

"A new Course of Lectures, as delivered at the New York Museum of Anatomy, embracing the subjects: How to Live and what to Live for; Youth, Maturity, and old Age; Manhood generally reviewed; The causes of Indigestion; Pulmonic and Nervous Diseases accounted for; Marriage philosophically considered, &c., &c. Pocket volumes containing these Lectures, will be forwarded gratuitously, on receipt of 25 cents, by addressing 'SECRETARY, New York Museum of Anatomy and Science, 618 Broadway, New York.'"

R. R. R.

The high praises emanating from people in all parts of the world that have derived benefit from the use of RADWAY'S REMEDIES, prove their title to confidence. There is no pain so severe no disease so malignant or swift in its destruction of life, but that the Ready Relief will stop the pain and arrest it in its progress. Every one has heard of it, if not tried it. Let those who have not used it, if sick, give it a trial. A few minutes will prove its power of stopping pain.

Distinct Vision.

THE CELEBRATED PANTESCOPIC SPECTACLES are constructed in accordance with the philosophy of Nature, in the form of a

Concave-Convex Ellipsis.

They are admirably adapted to the Organs of Sight, and afford the best artificial help to the human vision ever invented. A peculiar and important feature in these Spectacles is witnessed where people have been obliged to resort to Glasses from physical debility having temporarily affected their vision. In such cases the eye regains its healthy powers, and the Glasses can be laid aside without injury; while other kinds of Spectacles, when once worn, cannot be dispensed with.

Would it not be better to give our youth strong constitutions, and allow the body to grow in proportion to the brain? Children whose brain development is unusually large in comparison with the body, notwithstanding the care judicious parents can bestow, are those who are frequently singled out for a premature final resting place. Why is this? Simply because the functions of the body are too frail to supply the waste going on in the brain, consequent upon active intelligence. Fellows' Compound Syrup is so prepared that it imparts the vital principle directly to the brain, while it assists in developing a vigorous and robust body.

Sold by Apothecaries—price $1.50 per bottle or 6 for $7.50.

A. A. A.
Arnot's Arnica Anodyne!
THE NEW PAIN RELIEVER,

IS THE MOST RELIABLE REMEDY for all Pain, of whatever kind, whether internal or external. It is a certain cure for
NEURALGIA, TOOTHACHE, RHEUMATIC AFFECTIONS, INFLAMMATORY SORE THROAT, DIARRHŒA, COLIC, DYSENTERY, CRAMPS, COLDS, DYSPEPSIA, FLATULENCE,
And all Complaints of the Stomach and Bowels.

It is not a weak or untried Medicine, rashly or carelessly intruded on the public attention, but has been used by thousands in this immediate vicinity, as well as elsewhere through Canada, and in every case, as far as known, with the best results. Dr. ARNOT, the eminent Physician whose name it bears, was well known as one of the most distinguished Medical Practitioners in the Empire, and this remedy has been pronounced by all who have experienced its wonderful curative powers as well worthy of its author's reputation.

No one need continue a sufferer from pain when by the timely and proper use of A. A. A., the suffering is sure to be alleviated immediately, and entirely banished after a few applications. Its taste and odour are both agreeable, so that when taken it gives no offence to the most delicate palate, and when inhaled through the nostrils it refreshes and stimulates the olfactory nerves more than the best Eau de Cologne.

If you suffer from NEURALGIA, use A. A. A.
If you are a martyr to TOOTHACHE, use A. A. A.
If you are afflicted with RHEUMATISM, use A. A. A.
If you are attacked by DIPTHERIA, use A. A. A.
If you have been BURNT, or SCALDED, or STUNG, or FROST BITTEN, or BRUISED, use A. A. A.
If you have CHILBLAINS on your feet or hands, use A. A. A.
If you are troubled with DIARRHŒA, or COLIC, or CRAMPS IN THE STOMACH, use A. A. A.
If you suffer from any painful affection in any part of the body, internal or external, use ARNOT'S ARNICA ANODYNE, and you will not be disappointed
