## Novenas

Holy Spirit, you who solves all problems, lights all roads so I can attain my final goal, give me the divine gift to forgive and forget all evil against me and in all instances of my life you are with me. I want in this short prayer to thank you for all things, and the help you have given me and to confirm once again that I never want to be separated from you. Even in and spite of all material illusions, I wish to be with you in eternal glory. Thank you for your mercy toward me and mine.
