The Perfection of Prepared Cocoa.

MARAVILLA COCOA.

Sole Proprietors, - - - TAYLOR BROTHERS, LONDON.

THE COCOA (or CACAO) of MARAVILLA is the true THEOBROMA OF LINNÆUS. Cocoa is indigenous to South America, of which Maravilla is a favoured portion. TAYLOR Brothers having procured the exclusive supply of this unrivalled Cocoa, have, by the skilful application of their soluble principle and elaborate machinery, produced what is on undeniably the perfection of prepared Cocoa, that it has not only secured the preference of homœopaths and cocoa-drinkers generally, but many who had hitherto not found any preparation to suit them, have, after one trial, adopted the Maravilla Cocoa as their constant beverage for breakfast, luncheon, &c.

"A Success Unprecedented."

[See following Extract from the Globe of May 14 1868.]

"Various importers and manufacturers have attempted to attain a reputation for their prepared Cocoas, but we doubt whether any thorough success had been achieved until Messrs. Taylor Brothers discovered the extraordinary qualities of 'Maravilla' Cocoa. Adapting their perfect system of preparation to this finest of all species of the Theobroma, they have produced an article which surpasses every other Cocoa in the market. Entire solubility, a delicate aroma, and a rare concentration of the purest elements of nutrition, distinguish the Maravilla Cocoa above all others. For Homœopaths and invalids we could not recommend a more agreeable or valuable beverage."

Sold in packets only by all Grocers, of whom also may be had Taylor Brothers' Original Homœopathic Cocoa and Soluble Chocolate.

A Great Medicine

NEW PRINCIPLES IN MEDICINE DISCOVERED.

RADWAY'S

Perfect Purgative Pills,

1—Unlike all other cathartics or purgatives, Radway's Pills, that withdraws inflammation from Congested Blood Vessels, Nervous Liver, Stomach, Bowels, Kidneys, and other viscera, and purging all excrementitious corrupt humors and diseased deposits from the system.

3—In these Pills a nourishing and nutritious principle is secreted, by which the blood, juices and fluids of the system become invested with the vigor of life—they are the only purgative medicine that strengthens during the process of purging. These Pills act as a solvent and tonic to the gastric juice; enabling this solvent to the system to properly dissolve the substances taken into the stomach, and aid digestion, and the conversion of said substances into the proper constituents to make pure, rich and wholesome blood, the deficiency of which is the cause of dyspepsia, indigestion, Diabetes and many urinary difficulties, etc.

4—They regulate the organs of the system; restoring functional harmony and securing the secretion of the proper constituents of each organ: by their action the Liver secretes its allotted proportion of bile—the Lungs, Glands of the Skin, and the Kidneys, Urine.

5—The above properties combine to give Constipation, Costiveness, Piles, Fullness of the Bowels, Headache and Biliousness, that it is not necessary to resort to purgatives, by taking two or three of Radway's Pills will enjoy natural discharge, and occasional use of them for a few days.

In these cases their strengthening and tonic principles are evident, and Radway's Pills will add new strength to the Bowels, Kidneys, &c., that they have been neglected by disease or accident.

6—In these Pills we offer to the public a cathartic that we feel safe in saying has never failed to satisfactorily answer the purpose of a thorough purgative, combining the safety in cases of sensitive constitutions, with the Pow. Purgative. Without griping or pain, or any subsequent weakness. To those who have tried Radway's Pills we need only say, that they have become a household word, and we feel safe in saying that they are the best purgative known, and that a box of Radway's Pills will do more good than any other cathartic or purgative pill, and that they are more easy in their action, and more agreeable than any other medicine.

7—These Pills are made from extracts from new ingredients, which render them superior to every other pill, the compounding powders and other ingredients combined with Radway's Pills, make Radway's Pills act quicker than any other pill, and yet more thorough than any other drastic pills in general use.

ELEGANTLY COATED WITH SUGAR AND SILVER.

SCOURING THE INSIDES.

Persons who take Pills for the purpose of getting "a good scouring out" are certainly not aware that they are scouring the intestines, irritating the Mucous Membrane and laying the foundation for Dysentery, Ulcers, Stricture, &c. MANDRAKE, the principle claimed by some to be a substitute for Mercury, will produce this effect; it will scour the bowels like any other drastic, and wear them out (see pamphlet on Worms, Bad Breath, U. S. Pharmacopœia, Mandrake as a constituent of every purgative pill, and general or continued use of such pills tend to induce a tendency to paralysis, or palsy, in the aged, and to induce a state of costiveness in the young, which requires an increased dose of the pill to produce the same effect, and thus the habit is formed and strengthened by the use of such pills, and the system becomes so much weakened by their continued use, that it requires the aid of some stimulant to produce a passage, and the use of such pills is then continued with the hope of relief, when the cause of the difficulty is the pill itself. The Mandrake is not the only principle in the pill, but it is the principle, in the estimation of the dispensatory, and there is nothing new in this agent, although its principal novelty at present is its use in pills, under Dr. Radway's pills, the recovery of a patient is sufficient.

R. R. R.

DYSPEPSIA BILIOUS DISEASES.

Nine-tenths of the sufferers in a thousand would have some Bilious complaints, that Radway's treatment is observed, and all who may be afflicted with Bilious Colic, Bilious Fever, Typhoid Fever, Chills and Fever, Fever and Ague, Remittant and Intermittent Fevers. In fact all animal fevers, Bilious fevers are prevented and cured by RADWAY'S READY RELIEF.
