NEWS OF THE DAY.

SATURDAY MORNING, SEPT. 11, 1869.

Volunteer Camp.—The arrangements for this camp are progressing satisfactorily. On Monday at noon the 47th Frontenac and 49th Lennox and Addington Infantry Battalions will march into camp at the Crystal Palace, where a cold lunch will await them. In the afternoon the camp will be organized. During the week an Inspection by Lt.-Col. Macpherson, A.A.G., will take place. District Quartermaster Phillips will be Quartermaster to the camp. Mr. David Fraser will be in charge of the Officers' Mess, and also will preside over the Canteen of the 49th, where he will be "at home" to all of his friends who may favor him with a call.

☞ The Public Accounts.—These Accounts (County of Frontenac) were audited on the 18th of June for the preceding Quarter and sent up to Toronto. It was but the other day (Sept. 7th) that the Check for their payment came down to the County Treasurer. The attention of the Hon. John Sandfield Macdonald had been directed by letter to the great delay in the sending down of the Check, and with the promptitude which characterizes all that gentleman's public conduct, he cause an immediate inquiry into the occasion of the delay, and the receipt of the Check was the immediate consequence.

Rain.—"About this time look for a flood" would have been a very correct prediction in the almanac for the 7th of September. It had been raining three days, up to yesterday, almost steadily, and the appearances for a final clearing up were not the brightest last evening.

Queen's College.—Principal Snodgrass and Professor McKerras will visit Perth this week to plead the cause of Queen's College. The deputation have recently visited Ramsay and Beckwith, with most satisfactory results. The former contributed about $1,200, and the latter $750. Already $80,000 has been subscribed, and for the rest there will be little difficulty. The $100,000 will be raised, and more too.

Sabbath-breaking.—A most cowardly and casually transaction was perpetrated last week in the graveyard of the Episcopal Church in South Fredericksburgh. A tombstone recently erected, by a gentleman residing in the township, to the memory of a departed child, was defaced of a portion of the lettering, and the marble broken loose from its fastening, and laid flat on the ground. No reason can be assigned for the dastardly act.

Morphine.—The fearful drug is still counting its victims by no mean number. An inquest was held last week at Trenton, on the body of Samuel Cooley, jr., who died suddenly at his sister's house. After hearing a good deal of evidence the jury gave the following verdict:—"The jury are of opinion, after having heard the evidence, that Samuel Cooley, jr., came to his death by an overdose of morphine or opium, and that from the evidence the same was administered by the hands of Mary Deans, to alleviate pain without criminal intent.

La Crosse Matches.—The Kingston La Crosse Club challenged the Butchers' Club to play a match at the Cricket Ground on Wednesday next, the 13th. The challenge has been answered by an acceptance for Thursday, September 30th, the delay being requested in consequence of the holding of a Fair at Erinsville.

The Pittsburg Club sent a second challenge to the Butchers to play a friendly match about the 20th. This challenge also has been accepted, and the Clubs will play on Thursday, Oct. 7.

Burglary — No Arrests. — On Thursday night Mr. Scott's Hotel on the corner of Ontario and Queen streets was burglarized. Some thief or thieves entered by Mr. Scott's chamber window, situated in rear of the house, and abstracted the keys of a desk from their place on the bureau near Mrs. Scott's bed. This desk they opened, and took from it about $25 in silver, and three silver watches. A few nights previously the desk had contained quite a large amount of money, of which luckily there was a timely withdrawal. The case was reported to the police, but a clue to the guilty and apparently well-informed perpetrators is still wanting.

Fire.—On Wednesday night a fireboard in the house of Lewis Hansen, Wellington street, caught fire. The bells called the people out, but the fire was suppressed with slight damage. The fire was quite accidental.

The late improvements in the American House, Boston, leave little to be wished for by those who quarter under the roof of this leading hotel. Every thing fresh and nice; all improvements added, and the unequalled management of the past continued.

Police Court, Friday.—Isabella Long was up again for drunkenness, her discharge yesterday having had anything but a moral effect. She was again let off, and will perhaps find her way back to the House of Industry. Joseph Mungo, an Indian, charged with drunkenness, gave his promise to pay a $2 fine, and departed. John Clancy was arrested this afternoon for assaulting Catharine Milane. Trial in the morning.

The decision in the Police Investigation case is understood to be delayed through the absence of the Mayor, and not on any other account.

Police Court, Friday.—Two drunks filed into the dock. John Markey was sent to gaol for ten days, refusing to pay a fine. Thos. Scott, more wise, paid the fine. John Clancy, for assaulting Mrs. Milane, was fined $15 or 60 days, and went to gaol.

WISTAR'S BALSAM OF WILD CHERRY

For the cure of Coughs, Colds, Hoarseness, Asthma, Influenza, Croup, Whooping Cough, Bronchitis, Predisposition to Consumption, &c., &c.

This great remedy is too well known and is performing too much good to make it necessary to go into an elaborate discussion of its merits. Suffice it to say that it still maintains its supremacy in curing diseases of the most obstinate character, and that all who suffer from the above complaints, after having tested this remedy, seldom have occasioned to resort to other appliances to insure a perfect restoration to health.

Testimony of Mr. Peter Shaw.

West Winfield, N.Y., Dec. 10, 1860.

Messrs. S. W. Fowle & Son, Boston.

Gentlemen,—During the winter of 1858 I was very much out of health afflicted with a severe Cough, Pain in the side and Lungs and a general depression of health to such an extent as greatly to alarm myself and friends as to the result. During this time I tried several highly recommended remedies, with little or no good result, and had concluded to try the effect of a Southern climate upon my health; but, before carrying this resolution into effect, I was induced by the urgent solicitation of your agent, Mr. Huntley, to give Dr. Wistar's Balsam of Wild Cherry a trial. I did so, and to my great joy found immediate and permanent relief by the use of only one bottle, and I am now in as good health as ever. I believe your Balsam one of the best remedies for Coughs, Colds and all Lung Diseases, now in use, and conscientiously recommend it as such.

Yours truly,

PETER SHAW.

Prepared by SETH W. FOWLE & SON, 18 Tremont St., Boston, and for sale by Druggists generally.

GRACE'S CELEBRATED SALVE.

We are constantly hearing favorable reports from those who have tried this remedy. Amy Anthony, wife of Mark Anthony, of this city, and living at No. 6 Locust Street, afflicted with a felon on the finger, was recently induced to make a trial of the Salve. Almost instantly she experienced a relief from the pain, which had been almost unendurable. Every other remedy but this proved unavailing. Those who have tried it once are satisfied of its merits, and nothing will induce them to be without a supply.—Fall River News.

A. A. A.

Arnot's Arnica Anodyne!

THE NEW PAIN RELIEVER,

IS THE MOST RELIABLE REMEDY for all Pain, of whatever kind, whether internal or external. It is a certain cure for

NEURALGIA, TOOTHACHE, RHEUMATIC AFFECTIONS, INFLAMMATORY SORE THROAT, DIARRHŒA, COLIC, DYSENTERY, CRAMPS, COLDS, DYSPEPSIA, FLATULENCE,

And all Complaints of the Stomach and Bowels.

It is not a week or mixed Medicine, rashly or carelessly intruded on the public attention, but has been used by thousands in this immediate vicinity, as well as elsewhere through Canada, and in every case, as far as known, with the best results. Dr. ARNOT, the eminent Physician whose name it bears, was well known as one of the most distinguished Medical Practitioners in the Empire, and this remedy has been pronounced by all who have experienced its wonderful curative powers as well worthy of its author's reputation.

No one need continue a sufferer from pain when by the timely and proper use of A. A. A. the suffering is sure to be alleviated immediately, and entirely banished after a few applications. Its taste and odour are both agreeable, so that when taken it gives no offence to the most delicate palate, and when inhaled through the nostrils it refreshes and stimulates the olfactory nerves more than the best Eau de Cologne.

If you suffer from NEURALGIA, use A. A. A.
If you are a martyr to TOOTHACHE, use A. A. A.
If you are afflicted with RHEUMATISM, use A. A. A.
If you are attacked by DIPTHERIA, use A. A. A.
