NEWS OF THE DAY.

MONDAY MORNING, SEPT. 27, 1869.

News of the Day.

Desertions of sailors are increasing at Montreal. Several Quebec crimps are in town.

The man Brown, arrested at Ottawa on a charge of counterfeiting, has been discharged.

The Agricultural fair at Ottawa will be held on the 5th, 6th and 7th Oct.

The elections in Newfoundland are fixed for November; nomination on the 8th, and polling on the 13th. This will settle the question of Confederation.

The meeting of the arbitrators between the provinces has been adjourned until the 8th prox.

Mr. Macdougall's family have left for the West. Mr. Macdougall himself will not leave until the Governor General's return to the Capital. Arrangements are being made in Council for post-office and customs regulations for the Red River territory.

The medallion of the Royal Humane Society has been conferred upon Mr. E. Vankoughnet, of the gunboat Heron, for his gallantry in saving the lives of two children who fell into the water from a wharf at Brockville, Ontario, last summer.

The light-fingered gentry reaped a rich harvest among the less watchful at London. Five parties lost their watches while opposite the Music Hall, on Wednesday night, and a gentleman was relieved of a purse of $200 on the Exhibition ground in the afternoon.

The 41st Battalion Brockville Rifles, and the 42nd Volunteer Infantry, are camped at Brockville, and embrace companies from Brockville, Gananoque, Smith's Falls, Frankville, and other places.

The agency of the Bank of Montreal, in Hamilton, has been robbed of $5,000 by a Clerk named F. M. Gates. Telegrams were sent in every direction.

Some boys were arrested at London who have been carrying on successful pickpocketing operations during the Fair. The reporter of the Buffalo Courier was robbed of $30, which was recovered.

☞ Saturday was a conglomeration of wind, dust and rain. The wind on the lake amounted almost to a gale, and undoubtedly was the first breath of the equinoctials of 1869.

POLICE COURT.—There was no business before the Court on Saturday.

GENERAL GORE.—The following announcement will recall to mind the recollection of a gallant officer, an old resident of Kingston:

We regret to have to announce the death of Sir Charles Gore, which took place at Chelsea Hospital on the 5th inst. Although Sir Charles gore left Canada nearly twenty years ago, many of our readers will have a vivid recollection of his bright smile and genial manners. If Gore did not possess all the qualities necessary to make a successful general, he had one without which all generalship would be of no avail, and which often unexpectedly disconcerts the best laid schemes. Among brave men Gore was conspicuous for his personal courage, amounting almost to a total insensibility to danger.

POTATO CROP.—We regret to learn from all parts of the country that rot is making sad havoc among the potatoes, in fact it is continued to increase there will hardly be sufficient for home consumption, and seed for next year's crop. No Variety seems to be free from its ravages, and the continued excess of moisture, and the latene s of the harvest, both combined, will diminish the yield as they will have to remain a longer time in the ground, the securing of the grain crops demanding all attention now.—Freeholder, Cornwall.

THE BYRON SCANDAL.—Lord Lindsay writes a letter to the Times on the Byron controversy, enclosing a memorandum of Lady Barnard as to the circumstances connected with the separation of Lord and Lady Byron. This memorandum is accompanied by a letter written at the time by Lady Byron to Lady Barnard, in which she gives an account of her grievances against her husband. These speak of unkindness, brutal behaviour, and vicious habits of the ordinary kind, the unkindness having been sometimes explained by Lord Byron as meant in play; but there is not one word which leads to the supposition of any such atrocity as that which Mrs. Stowe now charges against the poet's memory. On the contrary, she states that she was obliged to have his sister with her to prevent his evil treatment.

The New York Times regards Mrs. Stowe's story as now satisfactorily disproved, and with Lord Lindsay, attributes it either to a hallucination on the part of Lady Byron, or to a misapprehension of her meaning by Mrs. Stowe.

PROMOTION.—We are exceedingly gratified to learn that Mr. George Ira Earl, for many years eastern passenger agent of the Michigan Southern Railway at Ogdensburg, Prescott and Ottawa, has secured the higher position of the eastern agent for the Chicago and Rock Island Railroad, with headquarters at Troy, N.Y. Mr. Ira Earl is well known to many of our readers as a genial and talented gentleman; and as we have said, we are sorry that he has removed so far away that we cannot hope to see him amongst us so frequently as of yore.—Ottawa Citizen.

WISTAR'S BALSAM OF WILD CHERRY

For the cure of Coughs, Colds, Hoarseness, Asthma, Influenza, Croup, Whooping Cough, Bronchitis, Predisposition to Consumption, &c., &c.

This great remedy is too well known and is performing so much good to make it necessary to go into an elaborate discussion of its merits. Suffice it to say that it still maintains its supremacy in curing diseases of the most obstinate character, and that all who suffer from the above complaints, after having tested this remedy, seldom have occasion to resort to other appliances to insure a perfect restoration to health.

Testimony of Mr. Peter Shaw.

West Winfield, N.Y., Dec. 10, 1860.

Messrs. S. W. Fowle & Son, Boston.

Gentlemen.—During the winter of 1858 I was very much out of health afflicted with a severe Cough, Pain in the side and Lungs and a general depression of health to such an extent as greatly to alarm myself and friends as to the result. During this time I tried several highly recommended remedies, with little or no good result, and had concluded to try the effect of a Southern climate upon my health; but, before carrying this resolution into effect I was induced by the urgent solicitation of your agent, Mr. Huntley, to give Dr. Wistar's Balsam of Wild Cherry a trial. I did so, and, to my great joy found immediate and permanent relief by the use of only one bottle, and I am now in as good health as ever. I believe your Balsam one of the best remedies for Coughs, Colds and all Lung Diseases, now in use, and conscientiously recommend it as such.

Yours truly,
PETER SHAW.

GRACE'S CELEBRATED SALVE.

We are constantly hearing favorable reports from those who have tried this remedy. Amy Anthony, wife of Mark Anthony, of this city, and living at No. 6 Locust Street, afflicted with a felon on the finger, was recently induced to make a trial of the Salve. Almost instantly she experienced a relief from the pain, which had been almost unendurable. Every other remedy but this proved unavailing. Those who have tried it once are satisfied of its merits, and nothing will induce them to be without a supply.—Fall River News.
