TUESDAY MORNING, OCT. 26, 1869.

LOCAL NEWS OF THE DAY.

PROF. TAVERNER.—The Young Men's Christian Association of St. Andrew's Church have much pleasure in announcing that Prof. Taverner will give a reading of some of the finest scenes from Shakespeare in their Lecture Room, William street, on Friday evening next. To those who failed in hearing the Professor on Friday evening last, an opportunity will thus be afforded of enjoying his Renderings in a Hall much better suited to him than was the one in which he last read. The public are cordially invited to attend. A collection will be taken up on the occasion.

☞ Montreal felt the earthquake. A slight shock of earthquake, lasting for more than half a minute, was felt between five and six o'clock.

SAILED.—The s. s. Nestorian sailed from Quebec at 10:15 a.m. on Saturday, with 54 cabin and 60 steerage passengers. Among the passengers were: R. C. Archbishop of Quebec, Bishop of Three Rivers, Bishop of Kingston, Bishop La Roque, Rev. Mr. St. Aubin; Mr. Mc Kenzie, Kingston.

ARTHUR.—H. R. H. Prince Arthur has accepted a life membership of the Montreal Hunt Club.

To-day Prince Arthur, who is Lieut. in D Co., P. C. O. Rifles, paraded as officer of the day, and mustered relief detachment for guard duty at 9 a.m.

Arthur had to paddle his own canoe three miles on his late hunt, in order to reach the steamboat landing.

Arthur was quite affable to the passengers on board the boat going to Montreal.

Mr. Myers, Montreal, inventor of the Myers Gun, has invented a new rifle by which from 50 to 60 shots per minute can be fired. He intends to have a trial with it before H. R. H. Prince Arthur and Gen. Wyndham, as soon as possible, of which due notice will be given.

BUTCHERS vs. SHAMROCKS.—The match yesterday afternoon resulted in a draw. The Butchers' Club won one game in one hour and sixteen minutes, and after playing another hour and almost into the darkness, the game were drawn. The umpires decided that the game should be played entirely over again.

POLICE COURT, Monday.—The police presented one prisoner this morning for drunkenness. He was speedily fined, and let go.

CLOSING OF GRAMMER HOSPITAL.—Readers of Roman history are aware that the Temple of Janus was to be closed in the time of perfect peace. They are also aware that for some centuries it was customarily closed. A phenomenon somewhat similar to that, if not in degree, has occurred in connection with Grenadier Hospital. Having been opened for more than a hundred and seventy years to naval prisoners, it was closed to them on the Island. England having been at peace so long, the number of prisoners in this Hospital had dwindled, during several years back, to such an extent that the cost of governing the institution exceeded by far the expense for the support of the prisoners. All there in the hospital, all but about thirty having accepted the offer of out-door relief, the doors themselves have been closed. They may, it is true, like those of the Temple of Janus, be opened again in time of war. All will pray that this time may be far off; but, it is asked, what, in the meantime, shall be done with the building? It was founded by William and Mary, in 1694, as a refuge for disabled seamen; and is rich in memories and associations recorded with the naval history of England since that date, and with the names of distinguished naval heroes of nearly two centuries.

## Fenian Prisoners.

London, Oct. 23.

The recent reply of the Right Hon. Mr. Gladstone to the President of the Limerick Amnesty Association on the subject of the course of the Government towards the imprisoned Fenians has caused considerable discussion. The London Amnesty Association has protested against the sentiments of the Premier. A committee appointed by this body has arranged for a monster open air demonstration on Sunday, but the meeting is likely to be indefinitely postponed, as it has transpired that the government would suppress it if attempted.

DEBILITY.

Every one at times feels the necessity of something to tone up the system depressed by mental or bodily exhaustion. At such times let every one, instead of taking alcoholic or medical stimulants, which afford only a temporary relief, invigorate his debilitated system by the natural tonic elements of the

PERUVIAN SYRUP,

or Protected Solution of the Protoxide of Iron, which vitalizes and enriches the blood by supplying it with its Life Element Iron.

Being free from Alcohol in any form, its energizing effects are not followed by corresponding reaction, but are permanent, infusing strength, vigor, and new life into all parts of the system, and building up an Iron Constitution.

Wm. C. Sterling, Esq., of Poughkeepsie, N.Y., says: "Since taking the Peruvian Syrup I feel better, my strength is improved, my bowels are regular, my appetite first rate.

"There is an old Physician in this city (older than I am), used the Syrup for three months, and gives it as his decided opinion that it is the best Alterative Tonic Medicine he ever knew."

For Dyspepsia, Debility, and Female Weaknesses, the Peruvian Syrup is a specific. A 32 page pamphlet sent free. The Peruvian Syrup is sold by all druggists.

PREPARED BY J. P. DINSMORE, Proprietor, No. 36 Dey St., New York.

Grace's Celebrated Salve.

From Mr. James Cushing, of Amesbury, Mass.

"I was afflicted with a severe felon on one of my fingers, and tried many remedies without relief. My friends induced me to apply your Salve. In few days it extracted the inflammation from my finger so as to enable me to resume my work. I can almost say that the Salve worked like magic, for it effected a cure without leaving a scar. I therefore cheerfully recommend GRACE'S SALVE as an excellent remedy, and do not doubt it will be appreciated throughout the land."
