

NOT JUST ANOTHER BEFORE SCHOOL HAIR CUT: Eight-year-old Brooklynn Scott, who will be entering Grade 4 at George Kennedy School this year, had 12 inches of her hair cut off recently with the help of hair stylist Jen Bleakley of Pro Cuts. Brooklynn, who has been growing her hair since 2012, had a childhood friend named Kenzie who became sick with cancer. Brooklynn would send her "get well" cards and visit her in the hospital. Brooklynn was inspired by Kenzie to grow out her hair as Kenzie had lost all of hers. Brooklynn donated her hair to Locks of Love, an organization that provides hairpieces to financially disadvantaged children, who have suffered a hair loss from a medical condition.

GETTING USED TO NEW HEARING INSTRUMENTS

Part 2

If you are having difficulty with the hearing instruments, or do not like the sound quality, discuss it with your Hearing Practitioner. Chances are there are adjustments that can be made to the instruments to accommodate your complaint.

Remember that you are not alone. There are millions of people with hearing loss, and as the Baby Boomers age, the numbers grow. It is nothing to be ashamed of, and there are many treatment options available to you in these modern times.
