SACRED CONCERT.—The public will be pleased to hear that the celebrated sacred vocalist, Mr. Phillip Phillips, will appear at the Sabbath School Convention meeting on Thursday evening. A Belleville paper remarks that his voice is remarkable for its clear, ringing quality, for the purity of its tones, for its flexibility and its volume. Blest with such a voice, and the disposition to use it as he does, in praising and persuading others to praise the Giver of all good things, he ought to be a happy man. With what fervor—what depth of devotion—what pathos—he sang to his own organ accompaniment those beautiful songs in which the little ones take delight, and when to vary the entertainment, he sang a solo with a chorus by the whole audience, the effect was indescribable. There is something in a chorus of human voices not to be found in any other chorus—something that subdues all the baser emotions—that draws from the soul all its higher aspirations, and leads it to rejoice in a knowledge that it never had before, of its own great powers and capacities. And it is especially to the encouragement of congregational music that Mr. Phillips seems to have devoted his energies.

THE KINGSTON AND MADOC RAILWAY.—The Madoc Mercury says:—"Mr. Cream has received information that Mrs. Russell will give the necessary amount of land for a station in this village, if it should be located on any part of the Russell estate."

THE RAILWAY BILL.—Mr. Bawden, the Solicitor of the Kingston and Madoc railway Company, has returned from Toronto, after assisting the bill for a charter through its preliminary stages. The Standing Orders Committee held a meeting on Friday last, at which the parliamentary notices, etc., were found to be sufficient, thus allowing the bill to be introduced by the city member, Mr. Strange. The bill is now ordered to be printed, and will remain open to the inspection of members for eight days before it can be brought up for a second reading and reference to the Railway Committee. So far no opposition has shown itself in parliamentary circles on the part of Belleville or other localities effected or concerned by the project.

ROBBERY.—On Saturday night last the desk of the purser of the str. Gazelle was forced open, and a small sum of money stolen therefrom. No suspicion attached to any person.

GOOD.—The beautiful snow is disappearing as rapidly as it came, only not half so delightfully. Yesterday's thaw made a fearful inroad into our young winter.

The river was frozen over last week above Cataraqui Bridge for several miles up, and some portions of it were dotted here and there with venturesome young skaters. But the present thaw will not insure its safety or continuance.

THE RAILWAY.—The Recve of Portland, Schuyler Shibley, Esq., was in the city yesterday, and informs us that it is the request of the ratepayers of the Township that a meeting should be held to discuss the railway question, and consider the advisability of offering a bonus as an assistance to the new project. The meeting will soon be held, though no date has been fixed.

POLICE COURT, Monday.—Joseph Padon, who is an old stager, and turned his back on Castle Corbett only on Thursday last, was charged with being drunk and disorderly, a diversion to which, his easy going life renders him quite susceptible, or the police records greatly belie themselves. He understands the vapor, and got off on a promise of taking the pledge, which promise so far as the pledge goes, will be carried out. Robert Burke, a vagrant tramp, who has tramped in here at one end of the town, got a hint before leaving the court to tramp out of the other end, and there is no reason to suspect that he will be at all dilatory in performing the feat. Joseph McCullough brought up Thomas Mills for assault. An old feud has disturbed the kindly relations of plaintiff and defendant, and on Sunday afternoon about two o'clock, as they met in Johnston street, the old bile returned, and as plaintiff alleges, Mills went into him like a brick. Sufficient to say both parties were in a trice rolling on walk and in ditch, each one treating the other in the best approved style of rough and tumble. The tableau was increased by the arrival of Mr. McCammon and his sagacious dog, who scented the battle from afar off, and elated at the prospect of a jolly bit of fun, went into the belligerents without fear, favor, or affection, and with a hearty will. His first attack on McCulloch directed him of the back of his Sunday-go-to-meeting coat, and the combatants just reached the realization of the absurdity and disgrace of their position in time to prevent a similar careless office being performed for Mills. The evidence of two persons was heard, and the case adjourned. Mrs. Catharine Martin, of Barrack street, was charged by Mr. Inspector Mostyn with selling liquor without license,—convicted and fined $20 and costs. Thomas Rossen, of Place d'Armes, was charged with the same offence, but as the principal witness had not paid for the liquor he drunk, the case fell through.

Altho' the thought may cost a single sigh,

Should have a value in a scholar's eye.

Custom House Frauds.

A WHOLESALE PLUNDERING OF THE GOVERNMENT.

Some startling custom fraud have come to light in New York. Report says that over two hundred respectable merchants, many of them occupying prominent and influential positions are under suspicion of having shared in the alleged frauds. The names are suppressed for the present, an official investigation into the matter having been ordered by the Government. It is said that in many cases duplicate and triplicate copies of false invoice have been found in the possession of certain mercantile houses, the books belonging to which have been seized. The credit of the merchants said to be implicated has been greatly impaired and one of them had $40,000 worth of wines in bond which he could not obtain until he gave bonds for double the amount. The matter has caused a great sensation, but it is probable that a compromise will be effected, by payment of the sums fraudulently withheld

The following it emedies are all old and well established and thousands have been benefited by their use. They are for sale by drug gists generally.

In two days it extracted the inflammation from my finger so as to enable me to resume my work. I can almost say that the Salve worked like magic, for it effected a cure without leaving a scar. A. A. A.
Arnot's Arnica Anodyne!
THE NEW PAIN RELIEVER,

IS THE MOST RELIABLE REMEDY for all Pain, of whatever kind, whether internal or external. It is a certain cure for

NEURALGIA, TOOTHACHE, RHEUMATIC AFFECTIONS, INFLAMMATION, SORE THROAT, DIARRHŒA, COLIC, DYSENTERY, CRAMPS, COLDS, DYSPEPSIA, FLATULENCE,

And all Complaints of the Stomach and Bowels.

It is not a weak or untried Medicine, rashly or carelessly intruded on the public attention, but has been used by thousands in this immediate vicinity, as well as elsewhere through Canada, and in every case, as far as known, with the best results. Dr. ARNOT, the eminent Physician whose name it bears, was well known as one of the most distinguished Medical Practitioners in the Empire, and this remedy has been pronounced by all who have experienced its wonderful curative powers as well worthy of its author's reputation.

No one need continue a sufferer from pain when by the timely and proper use of A. A. A. the suffering is sure to be alleviated immediately, and entirely banished after a few applications. Its taste and odour are both agreeable, so that when taken it gives no offence to the most delicate palate, and when inhaled through the nostrils refreshes and stimulates the olfactory nerves more than the best Eau de Cologne.

If you suffer from NEURALGIA, use A. A. A.
If you are a martyr to TOOTHACHE, use A. A. A.
If you are afflicted with RHEUMATISM, use A. A. A.
If you are attacked by DIPTHERIA, use A. A. A.
