Georgetown's Ryan Douglas was a major contributor to Team Ontario's undefeated run to the Baseball Canada's under-15 boys' national title this past weekend in Vaughan.

The 14-year-old was the winning pitcher in Sunday's 7-3 victory over Team Quebec, striking out four batters and allowing just three hits through five innings to earn game MVP honours.

He also carried a .400 batting average into the final before going 0 for 3, but with his team grabbing a 6-1 lead after two innings, Douglas was content to mow down Quebec batters with his fastball, which usually registers in the mid-80s miles per hour on the radar gun.

"I was more concerned with my pitching and making sure we kept the lead," said the Grade 10 Christ the King Secondary School student.

Team Ontario was represented at the 11-team tournament by the North Mississauga Tigers, for whom Douglas has played the past two seasons, and a few pickups from other centres.
