SATURDAY MORNING, DEC. 18, 1869.

Whiggings.

The rain is over.

Montreal, the reporters paradise.

The streets are no longer skating rinks.

Poetically stated, the sun shone resplendently yesterday morning.

Victoria Ward electors! Who's your candidate?

Bad pay—The Militia Department.

Motto of the E. A.—No Surrender.

The terror of aspiring juvenile readists—The Boss Reporter.

What's coming?—The boss report in Monday's Whig.

The champion grumbler—The Globe.

The vainest corporation—Montreal.

First for Rowdyism—Belleville.

The most eloquent barrel—Toronto's Puncheon.

Arthur has skated in the Victoria Rink for a couple of hours, and all Montreal is in ecstacies.

Arthur being an indifferent skater yet, is not very fond of exercise.

It has made us sick during the past week to read of sleighing and snow shoe tramps at Ottawa and Montreal, while we here are still going on wheels.

When the value of a joke entirely depends on the sound, it is perhaps as well not to crack it.

The R. C. R's. were out yesterday, led by the Band and Le Grande Duchesse.

A great deal is constantly being said of the Bulls and Bears on Wall street, but little boast is made of the bears we have had on our market this week, or of the bulls, for that matter.

One of our boys handed us the following, which he found yesterday:

"Come one, come all, to William Street Hall,
The readings for to hear, O;
We dare the Whig, what we do is big,
And worthy of support, O."

Our funny man says the reason that the Government is so economical, is that John Sandfield is such a *spare* man.

The difference between fifth story bed chambers and shooting pains, is that the former are attic rooms and the latter are rheumatics.

Lightning oil and Instant Relief are curing all the ills that Ottawaites are heir to.

Some wag has reported that a young lady who graces Princess street, and wears short dresses because of her small feet, has cut off her little toes so as to conquer a smaller boot. We deny the slander in toto.

It is not to be supposed that all infant boys found at the front doors of gentlemen, are step-sons.

The County Council are good at square foot. Its committee men get two dollars a day for attendance on public duties and then by abolishing stationary accounts make it all square.

The man who broke his back by sitting down after his chair had been removed, saw through the joke as soon as his pants struck the floor.

The lady who never colors up, alleges that like many a rose she was born to blush unseen.

A tableau is being got up for the Attorney-General. The subject is suggestive. It is that of the Chief Constable of Frontenac running about the court, with five indictments in his hand, and not one witness in any of the cases within reach. In the back ground is the Grand Jury, looking wistfully for a case to work on. The suggestion is, we think, a new law to compel witnesses to attend, and to pay them if necessary.

The intelligence of a public body is measured by its appreciation of the boons to science and education. Therefore it is not surprising that the County Council should in its wisdom fail to see the utility of pens and ink to the County Judge.

Tobacco, it is said, will neutralize the effects of Coffee—we beg pardon it was the opposite we meant.

An editor up West is so short-sighted that he frequently rubs out with his nose what he writes with his pencil.

The "strictly confidential" circulars from New York, proposing to sell counterfeit greenbacks, are received daily in this city. Do you see any verdant coloring in our crockery optic?

We admire an American local's style of getting up an item:

"A Missouri chap who didn't get an invitation to the ball, had some fun by firing a revolver into the crowd. He killed one, and two others were laid up for repairs, while the shootist went into quarantine in the county jail."

Canada Central.—Mr. H. Abbott, of Brockville, Manager of the Brockville and Ottawa Railway, has taken the contract for the Carleton Place and Ottawa section of the Canada Central Railway, on terms which are said to be advantageous to the Company. The work is to be completed, and the line in running order by the 1st of November next year.

Horrid Accident.—An old woman named Mrs. John Oliver, was nearly burnt to death at Napanee on Wednesday, by her clothes catching fire while warming herself at the stove. All her clothes were burnt off. There are no hopes of her recovery.

——We have since learned that death has relieved the unfortunate woman from suffering. How the accident occurred is not known, as she was alone at the time, and when first seen was outside of the house with her clothing nearly all consumed. She leaves a large family behind her.

Alderman Tomkins and the Mayoralty.—Some idle wag or envious rival has been circulating a mischievous report concerning a letter which recently appeared in our columns, advocating Mr. Ald. Tomkins' claims for the Mayoralty. The writer of the letter asks us to give a flat denial to the report, and request the worthy Alderman not to be deterred by the jealousy and petty spleen of rival aldermen.

Capital Provision.—It is said the Quebec Government propose taking a number of the Royal Canadian Rifles, in case they are disbanded, into the Government police, under the new Bill.

Napanee.—The County Court closed on Thursday. A small girl, 13 years old, was convicted of larceny and sentenced to serve two years in the reformatory prison.

The market fees for the ensuing year were sold on Thursday for $1,100.

A man named Wilson, stabbed Charles Skate on Saturday night in front of Haig's grocery; they were both under the influence of liquor.

Police Court, Friday.—The business at this court is extremely dull. There were only two cases ("drunks") on the docket this morning. The names of the delinquents were George Bennett and James McKean. The magistrate condemned them to hand over the usual sum of $2 to the city treasury, which they did with some reluctance, and were allowed to depart poorer but wiser men.

Reciprocity.

English opinions and American uncertainty.

London, Dec. 15.

The Morning Telegraph (liberal) has an article on the subject of the renewal of a reciprocity treaty. It predicts some modification of the policy of Congress towards the Dominion of Canada through the influence of Secretary Fish, who is a believer in free trade.

The Times, on the treaty, says its reception by the United States Senate relieves England of an awkward question, if free trade existed between Canada and the Union, the Canadian tariff would discriminate against direct trade between the Union and England. Canada would recognise a closer commercial interest with the United States than with England, and political is sure to follow commercial estrangement.

New York, Dec. 14.

The resolution touching reciprocity, which passed the House on Monday, is said to mean nothing but a support of the President in condemning the old treaty. As the President says it may be necessary to have some regulations of commercial character between the United States and the provinces, and as Secretary Fish has invited the Canadian authorities to a discussion of such regulations, many members who voted to sustain the resolutions are themselves in favor of a new treaty.

Consumptives, try Dr. J. Briggs' Throat and Lung Healer. It will relieve and cure you. For all diseases of the Throat, Chest, and Lungs, nothing can surpass its beneficial effects. Sold by E H. Parker and R White, Kingston; and all Druggists.

Fenian Activity.

Movements of arms in New York.

We learn from American papers that for several months workmen have been actively employed at the Fenian headquarters in New York, converting Enfield and Springfield rifles into needle guns, and large quantities of mysterious boxes and bales of army supplies have been arriving and shipping. On Saturday the work of emptying the store-houses commenced. During the entire day trucks were employed under the supervision of Gen. O'Neil in carting away the contents, closely packed in boxes. A great many cases of what are believed to be repeating carbines were also shipped. The trucks all took different directions, but probably met at a common centre.

Dr. Briggs took of every substance known
That ever healed, or stilled a groan,
And soon composed by skill alone,
His own unrivalled Curative.

The people said, at last was found
A cure for every sore or wound;
They have used it, and were whole and sound
And all their pain has left them.

Afflicted with corns, bunions, or bruise,
Thousands of sufferers heard the news,
The thing was found that met their views
They bought and used the Curative.

No sooner was the sore part dressed,
The pain was eased that spoiled their rest
With tears of gratitude they blest
The man who made the Curative.

All signs of soreness soon went by,
Whether in hand, or foot, or eye,
Let every sufferer likewise try
Dr. Briggs' Modern Curative.

Briggs' Curative the only reliable and most efficacious Remedy for the cure of Corns, Bunions, Bad Nails, &c. Sold by Druggists and Country Merchants generally. Dr J. Briggs & Co., Proprietors. Offices 208 Broadway, New York, and No. 6 King St. West, Toronto Canada.

Dr. J. Briggs' Pile Remedy is acknowledged by all who have tried it (and their name is Legion) to be the best, most successful and efficacious Remedy ever used for that disease. Sold by E. H. Parker and R. White, Kingston; and all Druggists.

Dr. J. Briggs' Renovator, the Great Throat and Lung Healer, can, without any exaggeration, safely be said to be the best Remedy for the Throat and Lungs that is manufactured. It heals the diseased mucous surfaces, restores the lungs, purifies the blood, acts upon the liver and kidneys, and strengthens the system throughout. To the poor Consumptives no greater boon can be offered. Sold by Druggists and Country Dealers. Dr. J. Briggs & Co., Proprietors, 208 Broadway, N. Y., and No. 6 King St. West, Toronto.

Breakfast.—Epp's Cocoa.—Grateful and Comforting.—The very agreeable character of this preparation has rendered it a general favorite. The Civil Service Gazette remarks:—"The singular success which Mr. Epps attained by his homœopathic preparation of cocoa has never been surpassed by any experimentalist.—By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctor's bills." Made simply with boiling water or milk. Sold by the Trade only in ½lb. ¼lb. tinned packets, labelled—James Epps & Co., Homœopathic Chemists, London.

GENTLEMEN,—I have received your Requisition, respectfully signed by a goodly number of Electors of Victoria Ward, desiring that I should offer myself as a Candidate at the coming Election to fill the place of A. M. Brown, Esquire, who retires by term of service.

In acceding to your request, I must thank the Electors for such a hearty expression of confidence. It is more to be valued than the honor attached to the office, which I do not undervalue. In the event of being elected, I promise to do my duty by constant attendance at the meetings of the Council, and by always using my best judgment in such matters as may come before me.

I am, Gentlemen,
Yours truly,

Arnot's Arnica Anodyne!
THE NEW PAIN RELIEVER,

IS THE MOST RELIABLE REMEDY for all Pain, of whatever kind, whether internal or external. It is a certain cure for NEURALGIA, TOOTHACHE, RHEUMATIC AFFECTIONS, INFLAMMATORY SORE THROAT, DIARRHŒA, COLIC, DYSENTERY, CRAMPS, COLDS, DYSPEPSIA, FLATULENCE,
And all Complaints of the Stomach and Bowels.

It is not a weak or untried Medicine, rashly or carelessly intruded on the public attention, but has been used by thousands in this immediate vicinity, as well as elsewhere through Canada, and in every case, as far as known, with the best results. Dr. ARNOT, the eminent Physician whose name it bears, was well known as one of the most distinguished Medical Practitioners in the Empire, and this remedy has been pronounced by all who have experienced its wonderful curative powers as well worthy of its author's reputation.

No one need continue a sufferer from pain when by the timely and proper use of A. A. A. the suffering is sure to be alleviated immediately, and entirely banished after a few applications. Its taste and odour are both agreeable, so that when taken it gives no offence to the most delicate palate, and when inhaled through the nostrils refreshes and stimulates the olfactory nerves more than the best Eau de Cologne.

If you suffer from NEURALGIA, use A. A. A.
If you are a martyr to TOOTHACHE, use A. A. A.
If you are afflicted with RHEUMATISM, use A. A. A.
If you are attacked by DIPTHERIA, use A. A. A.
