Montreal is a splendid field for the exercise of charity. Birch and maple wood are selling at from $7 to $8 per cord.

Tasso's Lament is not a circumstance to McKellar's Cincinnatus-like yearning for his barnyard and ploughhandle.

The Editor of Picton Gazette challenges the the world to produce more incessant and meaningless talkers than Blake, McKellar and Bogd. Such recklessness is suicidal; has the editor ever attended our City Council.

A merchant at Picton advertises the John A. Bitters. They are said to be a very common and popular beverage there.

The following, one of the best double puns we have seen, appears to be calculated for the meridian of some of our constituencies:

"'Essential' oil to make an election run smooth—Palm oil."

The wife of a Montreal city official has just been delivered of her twenty-first child. Poor man!—Boston Advertiser.

Why do you say "poor man?" He is just as much to blame about it as she is.

A prejudiced profane member of Parliament speaks of Ottawa as being ten feet under snow in the winter, ten feet under water in the spring, and so infernally hot in the summer that you cannot live there.

Blessed are they that are ignorant, for they are happy in thinking they know everything. Blessed are the orphan children, for they have no mother to spank them. Blessed are they that do not advertise at Christmas times, for they are not bothered with customers.

A New York bachelor saw a nice young woman helping a blind man across the street, and forthwith was introduced, wooed and married the girl. She told her lady friends all about it, and the consequence is that a new society has been started, called "The Young Ladies' Humanitarian Association for Helping Blind Men Across the Street."

THE NOMINATIONS TO-DAY.—The following are the names of the returning officers appointed, and the places of polling selected for the nominations of Aldermen to-day:—

CATARAQUI WARD—Mr. Henry Conley; Place of Polling, Mrs. Ann Foley's.

FRONTENAC WARD—Mr. Wm. Urquhart; Place of Polling, Mr. Joseph Moore's house, corner of Clergy and Colborne streets.

ONTARIO WARD—Mr. Benard Fitzpatrick; Place of Polling, Ontario Hall.

RIDEAU WARD—Mr. Wm. Givens; Place of Polling, Mrs. Pretty's house, Barrie street.

ST. LAWRENCE WARD—Mr. John Harkess; Place of Polling, Mr. Benj. Holder's Cabinet Shop, Princess street.

SYDENHAM WARD—Mr. Henry Dunbar; Place of Polling, Mr. Thos. Savage's Paint Shop, William Street.

VICTORIA WARD—Mr David Gray; Place of Polling, house of Mrs. Gaskin, Barrie Street.

MASONIC CIRCULAR.—We have seen a copy of a Circular issued by order of M. W. Bro. M. Sevenson to the Grand Lodges of the World in friendly correspondence with the Grand Lodge of Canada, in which it is stated to notice "the existence of a rebellion and schism movement by certain masons in the Province of Quebec, with the object and aim of establishing a second Grand Lodge within our territorial jurisdiction, the supreme controlling power which has been recognised and recorded to this Grand Lodge by every Grand Lodge in the world." The Grand Master refers to public report of a convention of these rebellious brethren having been held, at which a so-called Grand Lodge was formed, and pending the reception of a circular from the Grand Lodge, "containing full and complete information in regard to this most unmasonic and unconstitutional movement," the Grand Master expresses the hope that friendly and fraternal Grand Lodges will in no manner accord a recognition to this irregular and clandestine organization.

PICKPOCKETS.—On Saturday morning Mrs. Carr, of Williamsville, had her pocket picked of a purse and $9 in money on the market. The police were informed, but, of course, it was too late; the bird, whoever it might be, had flown. It is hardly necessary, after this disclosure, to caution the public. We hope the efforts of the police to discover the thief will be successful.

TAVERN LICENSES.—The amount deposited to the credit of the Government of Ontario, for Tavern Licenses issued for the City of Kingston and County of Frontenac for the present year, amounts to $2504.22, being upwards of $1,000 in excess of last year. This fact speaks for the new law.

CATTLE EXPORT.—The export of live stock to Cape Vincent is still going on heavily. The steamer Watertown being the conveyance across.

POLICE COURT, Saturday.—A small docket again this morning. A young lad named Richard Hutchinson was charged with stealing a fifty cent piece from a small boy named Brown. This prisoner has been frequently up before the Magistrate on various charges of larceny, and seems to be incorrigible. He is a fit subject for the Reformatory Prison, and in all likelihood he will be sent there, as he admitted the charge. A respectable looking man from the country, named Teapell, was charged with being drunk. He said it was his first offence. A fine of $2 however was imposed. The prisoner not having the required amount "concealed about his person," the Magistrate very kindly allowed one of the police to accompany him to see a friend, from whom he expected to be able to borrow the shine. A lady dressed in deep mourning complained at the Police Office of her pocket being picked this morning in the market of $7. Detective McAuley was detailed to hunt up the offender, if possible.

ROME.

The Ecumenical Council—Review of Troops.

THE HEALTH OF THE POPE.

Rome, Dec. 16.

There was a brilliant review of the Pontifical Zouaves in this city yesterday by Gen. Kanzler, minister of war. The weather was splendid and everything passed off finely, there were 20,000 spectators present, including 500 bishops and many foreign military officers.

No uneasiness exists in regard to the health of the Pope. A recent decree providing for the election of a successor should the Pope die during the session of the Council, was but formerly addressed to all members of the Council, and submits that any modification that will be made in the regulations of the Council are correct. It is officially settled that no discussion on this point will be permitted.

Paris, Dec. 16.

Letters from Rome report that the Pope urges the appointment of the Gallican bishops on the leading committees. It is generally understood that the object of the recent decree of the Pope, dissolving the Council in case of his death, is to prevent election to the Papacy of any but an Italian.

Paris, Dec. 17.

The apprehensions in regard to the health of the Pope were caused by a report that he had an apoplectic attack and remained incapable of motion. The report is utterly without foundation. The health of the Pope is at present remarkably good.

Rome, Dec. 17.

The report that the French government had sent a note to the Holy See directing that the proclamation of the dogma of Papal infallibility would release France from the political obligations of the Concordat is a fabrication. Cardinal Rathien, Archbishop of Besançon, has left Rome. His departure gives rise to many contradictory rumors.

Ontario Railways.

The following list of Railways, either in course of construction in the Province, or which it is intended to construct shortly, shows what we are doing in this way:

The Toronto, Grey and Bruce,
The Toronto and Nipissing,
The Toronto and Muskoka,
The Wellington, Grey and Bruce,
The Norfolk,
The Whitby and Port Perry,
The Canada Central,
The Kingston and Madoc, and
The Great Southern.

In addition to these there are several extensive branches of existing lines proposed. There may be one or two doubtful schemes in the list; but the greater number may be set down as sound, legitimate undertakings which will not be allowed to fall through, but be pushed on to be completed with the least possible delay. With such a list as this before us, it cannot be said we are standing still, or that our people are devoid of enterprise, or the true spirit of progress.

The Double Murder near London.

CONVICTION AND SENTENCE OF DEATH.

Frederick Hinson was tried at the Central Criminal Court, before Mr. Justice Byles, for the murder of Mr. Boyd and Maria Death, at Woodgreen. The court was crowded. The prisoner pleaded not guilty to both charges. The circumstances of the crime will be fresh in the recollection of the public. The prisoner had lived for some time with the woman Death, but had latterly had his jealously aroused by her intimacy with Boyd who lived in the neighborhood, and had the reputation of being a "gay" fellow. On the day of the murder, Death went with Boyd a short distance by rail, and went about drinking with him at several public houses. Hinson awaited their return at the station, and having first knocked down Boyd, dragged the woman to the house where they lived. There he stabbed her dead, and then immediately made his way to the house of Boyd, whom he beaten with the stock of his gun. The jury retired, and in about half an hour they found the prisoner guilty of wilful murder. The learned judge passed sentence of death in very brief terms; and the prisoner, who exhibited an appearance of almost complete indifference, was removed from the bar.

Dr. Briggs took of every substance known
That ever healed, or either a groan,
And soon composed by skill alone,
His own Celebrated Curative.

The people said, at last was found
A cure for every ache or wound;
They have tried it, and were whole and sound
And all their pain has left them.

Afflicted with corns, bunions, or brains,
Thousands of sufferers heard the news,
The thing was found that met their views
They bought and used the Curative.

No sooner was the sore part dressed,
The pain was cured that spoiled their rest
With tears of gratitude they blest
The man who made the Curative.

All signs of screeness soon went by,
Whether in hand, or foot, or eye,
Let every sufferer then try
Dr. Briggs' Modern Curative.

Arnot's Arnica Anodyne!

THE NEW PAIN RELIEVER,

IS THE MOST RELIABLE REMEDY for all Pain, of whatever kind, whether internal or external. It is a certain cure for

NEURALGIA, TOOTHACHE, RHEUMATIC AFFECTIONS, INFLAMMATORY SORE THROAT, DIARRHŒA, COLIC, DYSENTERY, CRAMPS, COLDS, DYSPEPSIA, FLATULENCE,

And all Complaints of the Stomach and Bowels.

It is not a weak or untried Medicine, rashly or carelessly intruded on the public attention, but has been used by thousands in this immediate vicinity, as well as elsewhere through Canada, and in every case, as far as known, with the best results. Dr. ARNOT, the eminent Physician whose name it bears, was well known as one of the most distinguished Medical Practitioners in the Empire, and the remedy has been pronounced by all who have experienced its wonderful curative powers as well worthy of an author's reputation.

No one need continue a sufferer from pain when by the timely and proper use of A. A. A. the suffering is sure to be alleviated immediately, and entirely banished after a few applications. Its taste and odour are both agreeable, so that when taken it gives no offence to the most delicate palate, and when inhaled through the nostrils refreshes and stimulates the olfactory nerves more than the best Eau de Cologne.

If you suffer from NEURALGIA, use A. A. A.
If you are a martyr to TOOTHACHE, use A. A. A.
If you are afflicted with RHEUMATISM, use A. A. A.
If you are attacked by DIPTHERIA, use A. A. A.
If you have been BURNT, or SCALDED, or STUNG, or FROST BITTEN BRUISED, use A. A. A.
If you have CHILBLAINS on your feet or hands, use A. A. A.
If you are troubled with DIARRHŒA, or COLIC, or CRAMPS IN THE STOMACH, use A. A. A.
If you suffer from any painful affection in any part of the body, internal or external, use ARNOT'S ARNICA ANODYNE, and you will not be disappointed.
