Whiggings.

Merry Bells,
Sleighing again.
Very jolly, is it not?
For the Christmas Holidays.
Sleigh rides, and Dinner at Grandpa's to-morrow.

If the County must have a Tax, they must pay for the music—squeak.

The Kingston Musical Union has its next rehearsal on Monday evening.

Fringes, when of fine quality, are more worn than ever this season.

The wind played antics yesterday with skirts and weather vanes.

A large supply of Day & Martin's Blacking at the County Council Office. Early application necessary.

The present style of evening dress bares open at the top and leaves over, as a bachelor says.

Chalmers' Church was a perfect pain on Wednesday evening; preserve us from such another crush.

It is certain that the Kingston ladies fully understand their rights, one of which is to attend weddings en masse.

Digging potatoes with crowbars is one of the hilarious incidents of fall farming in this Canada of ours.

The time-honored and superstitious feast of a green Christmas and a consequent fat churchyard may now be successfully dispelled.

The weather has been from grave to gay; from lively to severe, and severe enough it has been for the last two days, and if we may be permitted, lively as well.

There is an old maid in this city who has such a horror of her situation that she positively objects to ride to a single cutter.

It is now very difficult to calculate a lady's age; time was when crinolines were in vogue to say that eighteen springs had passed over her head.

"There's good sleighing out here, this season," said an old Indian, assisting Governor McDougall, as he scalped his fifteenth half breed.

Why are the Toronto "Corn Exchangers" like the late rebels in the South? Because they diffused their lines over the Globe, and then cut the Telegraph.

Ladies will be sorry to learn that diamond engagement rings are no longer fashionable. But how about the gentlemen?

The weather reminds one of Dr. Dorlop's patent joke, "Well, John, how's the weather?" "Last night, Sir, it blew, it snow and then it thew, but towards morning it froze horrid."

The pastor of Chalmer's church is ever reverable, for he is always Grey; still he is hige on the subject of evening weddings, until respectable people know how to act on them properly.

It is not at all certain that the large quantity of poultry and meat on the Christmas market yesterday, is to be attributed to the recent sleighing (sleying). There's snow joke there.

The best we have heard of. When an ill-natured fellow was trying to pick a quarrel with a peaceable man, the latter said: "I never had a free except with one man; he was buried at four o'clock; it is now half-past three."

CHRISTMAS MARKETS.—This being Christmas week the markets are unusually well supplied, more especially with good beef; also with geese and turkeys in abundance. Yesterday, though not the Christmas market, in fact, was the day for display, and also for a critical idea of the way in which the public may prove to have been catered for by those who supply the markets at this season. The market was over-filled with farmers' waggons, but the supply was no more than the demand required. The wonder, secondary to that of where all the stuff came from, is where do all the purchasers come from. For this festive season, when good prices are sought for and uncomplainingly accorded as a rule, everything marketable is quite moderate, compared with several preceding years.

ACKNOWLEDGMENT.—The managing committee of the Canada Military Asylum handsomely acknowledge in the Quebec Chronicle the kind assistance afforded to the institution by the ladies of the garrison of Kingston, and their friends, who have contributed during the year $425 83, including $150 worth of work for a bazaar in March next.

PUBLIC AUDIT.—The Audit of Public Accounts took place yesterday morning at the Court House.

A PROFITABLE INVESTMENT.—The shares of the London Assurance Corporation command four hundred per cent. premium upon the paid up stock.

DONATIONS.—The Stewart of the Kingston General Hospital thankfully acknowledges the receipt of the following donations:—From J. M. Farrow, Esq., 4 bushels potatoes; Hon. A. Campbell, a quantity of vegetables; R. M. Moore, Esq., Bank of Montreal, a number of valuable periodicals and papers; Allen Bond, Glenburnie, 2 bags of apples; S. H. Blondheim, 42 lbs of fish; R. Town, 1 barrel of apples.

THE LONDON ASSURANCE CORPORATION.—The old and well-established Corporation, it appears, is doing a large and lucrative business in this country, as will be seen by a circular issued from the head office in London, England, in which it is shown that the large sum of £2,463,533 17 4 sterling is in hand to meet unascertained liabilities. The shares in the Corporation are now selling on the London Stock Exchange at 400 per cent. premium on the paid up stock, vide the Canadian Monetary Times and Insurance Chronicle, for December, 1869. Irvin Simpson, Esq., is the Kingston Agent, and we must congratulate the London Assurance Corporation in securing the services of such an able gentleman as Mr. Simpson. The "London" stands A 1 in England.

POLICE COURT, Thursday.—The unfortunate Mary Duke, who was only discharged from gaol on Tuesday last, kept up the credit of the Court this morning, otherwise there would have been again a blank docket. This unfortunate creature has been known to the police as a drunken vagrant for the past twenty years, ten of which at least she has spent in gaol. Last winter she got her feet badly frozen, and was usually making a funeral. This morning she appeared in a very shaky condition, having held on a regular "bender," and a good horn of "old rye" would have done her no harm. The Magistrate was about to send her up for thirty days, but at her own request, the sentence was altered to sixty days. The Magistrate very kindly ordered the police to procure a hot breakfast for the poor creature, previous to her being committed to the tender care of Governor Ontwy.

REPLY.

To the Independent Electors of Victoria Ward:

GENTLEMEN,—I have received your Requisition, respectfully signed by a goodly number of Electors of Victoria Ward, desiring that I should offer myself as a Candidate at the coming Election to fill the place of A. M. Brown, Esquire, who retires by term of service.

In according to your request, I must thank the Electors for such a hearty expression of confidence. It is more to be valued than the honor attached to the office, which—do all undervalue. In the event of being elected, I promise to do my duty by constant attendance at the meetings of the Council, and by always using my best judgment in such matters as may come before me.

I am, Gentlemen,
Yours truly,
A. McCORMACK.

The New Remedy for Worms in Children or Adults.

BARKER'S
WORM SYRUP.

GREAT difficulty has been experienced in obtaining a medicine that can be administered to young Children in a convenient form. Lozenges, Candy, &c., have not been found to answer the purpose, on account of children refusing to eat them; also on account of the number of worthless preparations now before the public. Thousands of lives are sacrificed for the want of a certain and reliable medicine.

The want of a convenient, and at the same time an efficient medicine, has been long required. This WORM SYRUP will supply that want, and having paid particular attention to its preparation, the Proprietor can with confidence recommend it to the public as a certain, safe and sure remedy for destroying Worms in Children or Adults. It can be administered with perfect safety to the most delicate children, and on account of its pleasant taste children will take it freely. A large number of certificates have been received from parties who have used this Syrup with the greatest success; also from several Physicians, recommending its use.

The symptoms of worms are so well known that it is not necessary here to describe them; but it is a well known fact that thousands of children are hurried to an early grave for want of proper attention.
