

# Halton's Compost Giveaway Day coming up

Two of Halton Region's popular fall waste diversion events are fast approaching.

The fall Compost Giveaway event will take place on Saturday, Sept. 12, 8 a.m. to 4:30 p.m. at the Halton Waste Management Site (HWMS), 5400 Regional Rd. 25 in Milton.

The Region is also hosting the two remaining Special Waste Drop-off Days on Saturday, Sept. 19, 9 a.m. to 3 p.m. at Sheridan College in Oakville and on Saturday, Oct. 24, 9 a.m. to 3 p.m. at the Mohawk Raceway in Campbellville.

During the one-day, fall Compost Giveaway event, Halton Region will offer compost to residents free of charge. Residents are reminded to bring their own bags or containers (maximum seven garbage bags or equivalent per household) and a shovel in order to bag their own compost.

Residents attending this event are encouraged to bring a non-perishable food item or cash donation, which will be distributed to Halton area food banks.

At this year's two remaining special waste events, residents are welcome to drop off acceptable items such as: pesticides, paint, motor oil, antifreeze, propane tanks, computers, stereos, TVs and DVD players.

Special Waste Drop-off Days are for Halton residents only. No commercial waste is accepted.
