TO CARRIAGE BUILDERS,
PAINTERS, PAINT DEALERS, &c.

JUST received at the Subscriber's, a new Patent PAINT MILL. This Mill is recommended to all interested, as supplying a want long and severely felt, and the attention of such is invited to the following advantages :—

1st—No color, however coarse, needs grinding through this Mill but *once* to render it fine enough for any purpose whatever.

2nd—It does not trow when run rapidly, as is the case with all horizontal Mills.

3rd—Coarse and heavy colors *do not settle* in it, as they do in all other upright Mills.

4th—It is finished with great care and accuracy, and can be depended upon.

5th—It will pay for itself in the time saved by its use in a single season.

6th—It is the Invention of a practical Painter of thirteen years' experience, who has thoroughly tested every kind of Paint Mill to be found, and who, therefore, speaks understandingly when he claims that this Mill is *far superior, in all respects*, to any other in use.

P. S.—An assortment of Paints, Oils, Colors, Varnishes, Brushes, Glass, Putty, &c., &c.

I THINK it right to state to the Public, that I was most awfully afflicted with many complaints for more than four years, one of which was a severe rupture, another a cankered chest and throat, with severe pains in my head. Also, a general debility over my body. I tried many Doctors medicine and got no relief, but got worse all the time. At last I went to Doctor Lanktree, of Kingston, and remained with him some time, and am ready to prove to all that I got rid of my rupture, and of every other complaint I had, and am now a sound man and able to do my business. I must state that I did not go with a view to get rid of the rupture, as many Medical men told me there was no remedy but wear a truss for life. But to my great joy, I am now perfectly cured of the harrassing affliction, and would seriously advise all young persons troubled in this way, to apply where I got immediate relief.

DAVID TAYLOR.

Tyendinaga, 1st May, 1855.

I had a cancer on my lip for a long time, and wearing in a severe way, could get no remedy, until I got perfectly cured by Doctor Lanktree, of Kingston, and am now more than half a year without the least fear of its returning again.

DANIEL McNIEL.

Storrington, 15th May, 1855.

Not long ago I was badly afflicted with sore eyes, could get no relief but got worse all the time, and thought I should get blind, as I found no relief from all the Doctors I tried. Being in Kingston, I was advised to go to Doctor Lanktree. So I did, and got quite well after a short time, without any fear of getting worse since. The remedies I got from all the other Doctors were no more than different kinds of eyewater. But he treated me in quite a different way, drew all the bad salva from within, and perfectly cleared up eyes in this way.
