Bath, March, 20th 1855. 70

I THINK it right to state to the Public that I was most awfully afflicted with many complaints for more than four years, one of which was a severe rupture, another a cankered chest and throat, with severe pains in my head. Also, a general debility over my body. I tried many Doctors medicine and got no relief, but got worse all the time. At last I went to Doctor Lanktree, of Kingston, and remained with him some time, and am ready to prove to all that I got rid of my rupture, and of every other complaint I had, and am now a sound man and able to do my business. I must state that I did not go with a view to get rid of the rupture, as many Medical men told me there was no remedy but wear a truss for life. But to my great joy, I am now perfectly cured of the harrassing affliction, and would seriously advise all young persons troubled in this way, to apply where I got immediate relief.
DAVID TAYLOR.
Tyendinaga, 1st May, 1855.

I had a cancer on my lip for a long time, and wearing in a severe way, could get no remedy, until I got perfectly cured by Doctor Lanktree, of Kingston, and am now more than half a year without the least fear of its returning again.
DANIEL McNEIL.
Storrington, 15th May, 1855.

Not long ago I was badly afflicted with sore eyes, could get no relief but got worse all the time, and thought I should get blind, as I found no relief from all the Doctors I tried. Being in Kingston, I was advised to go to Doctor Lanktree. So I did, and got quite well after a short time, without any fear of getting worse since. The remedies I got from all the other Doctors were no more than different kinds of eyewater. But he treated me in quite a different way, drew all the bad salva from within, and perfectly cleared mp eyes in this way.

CRIDIFORD'S
NEW CONFECTIONARY STORE
AND SALOON.

THOMAS CRIDIFORD begs to inform his Friends and Customers, that he has taken the Premises lately occupied by Mr. Huggert, on Princess Street, opposite Carson's Provision Store, where he has resumed the Confectionary Business in all its branches, and is now prepared to receive orders for Cakes, and also to furnish Parties, Soirees, Pic-Nics in a superior manner, at moderate prices, and on the shortest notice.
T. C. in announcing his resumption of Business, feels that it is unnecessary to make any appeal to either his Friends or the Public of Kingston, for a renewal of the support which they bestowed upon him so liberally previous to the unfortunate fire, which destroyed much of his property, and threw him out of business. He has for many years carried on business in Kingston and the many marks of sympathy and encouragement which he has received under unforeseen misfortune, lead him to think that he has given satisfaction, and entitle him to hope for a continuance of the patronage hitherto accorded to him, for which he takes this opportunity to return his grateful and sincere thanks.
At the Store, which is neatly fitted up, will always be found a complete assortment of Confectionary, Cakes, Candies, Seasonable Fruits, and other delicacies. Also, Ginger Beer, and other summer drinks of his own manufacture.
Ice Creams, Blomanges, Jellies, Ornamented Cakes, &c., made to order on the shortest notice.

Advantages of this Institution.
INCREASING RATES OF PREMIUM!
A Table of Rates peculiarly applicable to cases where Assurances are effected for securing the payment of debts, and to all other cases where a Policy may be required for a temporary purpose only, but which may be kept up, if necessary, throughout the remainder of life.
HALF-CREDIT RATES OF PREMIUM.
Persons assured according to these Rates are allowed credit for half the amount of the *first seven annual Premiums*, paying interest thereon at the rate of five per cent. per annum, with the option of paying off the arrears of Premiums at any time, or having the amount deducted from the sum assured when the Policy becomes a claim.
SUM ASSURED PAYABLE DURING LIFE.
A Sum may be secured, payable at the death of the Assured, if he die before attaining SIXTY years of age, but also *payable to the Assured himself, if he attain that age*,—thus combining provision for old age with an assurance upon life.
Orphans' & Children's Endowment Branch.
This Branch has been established for the purpose of affording to parents, guardians, and others, the means of having children educated and started in life; thus protecting them from the difficulties and destitution to which they may be exposed by the premature deaths of those on whom they are dependent. Reversionary Annuities may thus be secured to commence at the Parent's death, and to be paid until the child if a son, shall have completed his 21st, or, if a daughter, her 25th year of age.

Policies revived, without the exaction of a fine, at any time within twelve months.
Age of the Assured in every case admitted in the Policy.
Medical Attendants remunerated in all cases for their Reports.
Thirty days allowed for payment of Renewal Premiums.
Ladies and others, to whom it may be inconvenient to appear at the Office, visited by one of the Medical Officers.
