The Drawn Numbers of the Maryland Lotteries are also published by the State Commissioner in the following papers in Baltimore, viz: Sun, Clipper, Patriot, American, Argus; also the National Intelligencer and Union, of Washington, D. C.

These Lotteries are drawn in public and carried on with the most scrupulous faith and integrity; and being authorized by and under the surveillance of the State, whose appointed officer superintends the drawings of the various Lotteries, afford a sufficient guarantee to the public of the fairness with which they are drawn.

The responsibility of the Managers of these Lotteries, and the guarantee of the State for the payment of all Prizes, will insure the continued support and approval of all who may feel disposed to embark in these enterprises

IN LAKE'S LOTTERY,

To be drawn at Smith's Falls, C. W., on Friday 21st Day of December, 1855.

$8510 worth of valuable Property divided into 80 Prizes.

Five Capital Prizes of Real Estate, 1st $2800, 2nd $1800, 3rd $900, 4th $500, 5th $400.

Tickets only Two Dollars Each.

HERE an opportunity is afforded for investing Two Dollars with a greater probability of a more valuable return, than ever has, or probably ever will present itself again. That the property put up has not been over valued, a glance at the respectable names attached to the annexed certificate will suffice to satisfy the most sceptical and that the drawing will be conducted honourably and fairly. I need only say that Messrs. Easton, Easton's Corners; J. S. Gilman, Prescott; W. H. Wilson, Brockville; R. E. Matheson, Perth; J. Shaw, Jr., L. S. Wilson, G. C. Mittleberger, and James Armstrong, Smith's Falls, have kindly consented to act as a Committee of Management, to see that every pledge made to the public shall be fully redeemed. As only a sufficient number of Tickets will be sold to cover the actual valuation of the property each ticket holder will stand an equal chance of drawing either of the capital prizes or any other. Immediately after the drawing a certified statement of the same, will be printed in a newspaper, copies of which will be sent to the Agents in the several localities, which will enable ticket holders to see at a glance whether or not a prize has been drawn to his number. In conclusion, please permit me to refer you to the Agents where you can examine "small bills" and ascertain particulars, and let me advise you to purchase a ticket at once as "delays are dangerous."

The present is the time to buy;
To-morrow may not come.
