International Telegraph Line.

THE Undersigned having, in August last, purchased the Grand Trunk Telegraph Line, has, in connection with Mr. Thaddeus Poucher, of the Morse and Bain Union Line, Oswego, placed it in thorough working order, and is now prepared to carry on the business of Telegraphing throughout the Provinces and the United States with efficiency and despatch.

The Main Line, which runs from Montreal to Buffalo, connects at the former place with the British North American Lines which extends throughout the Lower Province, and at the latter place with House's Printing Telegraph, which extends throughout the United States. It also connects at Montreal and Prescott with other American Lines. There are branches from Toronto to Collingwood, along the Northern Railway Line, from Hamilton to Guelph, from Coburg and Port Hope to Peterborough, and from Belleville to Picton, through Trenton, &c., &c.

The principal Office will be, in future, at Coburg, and all communications must be directed to the undersigned at that place.

No person has authority to contract any debts whatever on account of the Line, except the undersigned, who will have the exclusive control and management of it.

The only Original and Genuine in the World!

Clirehugh's TRICOPHEROUS,

To Prevent and Cure Baldness and Grey Hair, restore it to its Original Color, Entirely Remove Scurf and Dandruff, and Cure all Eruptions or Roughness of the Skin

THIS justly celebrated and widely known Compound, which for sixteen years has met with distinguished success wherever it has been introduced, is now reduced to such a low price as will enable it to be in reach of all, as it is the cheapest and the best article now in use. Its curative properties are almost miraculous. No matter how thin or weak, coarse dry or harsh, the hair will be restored to a soft, glossy, healthy luxurious crop, if the Tricopherous be regularly applied. Those who have been threatened with premature grey hair, have, by the Tricopherous, not only stopped its progress, but had their hair changed to its original color.

Its strengthening and stimulating qualities are unrivalled, rousing into action the nerves and blood vessels which carry nutriment, imparting health to this greatest of nature's adornments (a beautiful head of hair) to the latest period of life.

For eradicating Dandruff it is unsurpassed—One using the skin completely of every impurity, leaving the hair neither gummy nor dry, but moist, soft and silky. It is superior to oil to dress the hair, as it keeps longer moist, and does not soil the hat, or head dress.

The Tricopherous has gradually risen in favor with the public, by its own merits and not like the puffed and ephemeral compositions existing to-day, and wallowed in oblivion to-morrow; until it has become one of the staples of life, and looked for by all as one of the necessaries of the toilet and medicine chest.

Caution. The known popularity of the Tricopherous has occasioned many spurious article, bearing outwardly the same name and character. Ladies and gentlemen purchasing must therefore be careful to ask for Clirehugh's Tricopherous.

Price 25 cts. 50 cts. and $1 00 per Bottle—Family Bottles $3 00.

CLIREHUGH'S INSTANTANEOUS
LIQUID HAIR DYE

NOTWITHSTANDING the various Hair Dyes now in use, scarcely one can be depended on for giving the required shade of color, a desideratum which Mr. Clirehugh has, with the assistance of one of the first chemists of the age, now fully overcome and established. The discovery and production of this now celebrated Hair Dye must supersede the use of every similar article. Its effects are to give a red, light brown or grey hair, any of the intermediate shades of color, down to the deepest jet, with a certainty hitherto unknown, and without doubt or disappointment, where the directions are adhered to. It leaves no stain on the skin, no dull, leaden or greenish hue, gives no dry or crisp appearance, but keeps the hair pliable, soft and glossy, retaining all its natural appearance till a reapplication is necessary.

Private rooms, where Ladies and Gentlemen can have the Dye applied, or at their own residence. Price One Dollar. For sale by the Inventor and Manufacturer, W. S. CLIREHUGH, Principal Office 162 Fulton Street, corner Broadway, up stairs, New-York.

Sold by all Chemists, Druggists, Hair Dressers in the United States, Canada, and by appointed Agents in England, France, Russia, Brazil, West Indies and San Francisco.

CIRCULAR.

HAVING formed a Co-Partnership for the purpose of doing a General Commission Business in this City, we respectfully solicit any consignments of Produce from our friends and the public generally, who may send to this market. We feel confident we can give parties entrusting property to our care every satisfaction, and from our thorough knowledge of Canada Products, and the Market here, it will enable us to dispose of it to the best advantage, and they may rest assured that no exertion will be spared to realize the highest rates, and in all cases account sales will be promptly rendered. We shall also be prepared to make advances, when required, on consignments placed in our hands. The abundant harvest in Canada this season, the working of the Reciprocity Bill, the demand for grain in Europe, and this being the best Port for Shipment, must draw your surplus to this point. Every attention paid to the purchase of Goods of all kinds, and information respecting the state of the Market and quotations of prices, forwarded with pleasure to our correspondents.

GRAND TRUNK RAILWAY OF CANADA.

CORDWOOD.

THE Grand Trunk Railway of Canada is prepared to receive Tenders for the supply of Fire wood, to be delivered at the undermentioned places. Tenders will be received until the 10th day of December next.

Kingston Mills,	Kingston,
Collins' Bay,	Ernestown,
Napanee,	Shannonville,
Belleville,	Trenton,
Brighton,	Colborne.

The wood is to be in proportions generally of one third soft to two-thirds hard wood, the latter to consist of Beech, Maple, Hickory, White Ash, or Cherry; no Elm or Black Ash will be received. The soft wood to consist of Tamarack, Yellow Pine, or Hemlock. The precise proportions of soft and hard wood, that will be required at the different places, will be stated in the contracts. Tenders to state a different price for each, and the quantities proposed to be delivered.

The wood, of whatever denomination, is to be of good, sound quality, split for the most part from the body of the tree; and no branch-wood to exceed four inches in diameter, whether split or round, will be accepted. All charred or half burned pieces will also be rejected.

The Cord is to contain 128 cubic feet, the wood to be in lengths of not less than three and a half, or more than four feet; it is to be piled generally six feet high, with a space of not less than two feet between front and rear piles; and when the snow lies deep, as much of it will have to be removed, before laying on the wood, as may prevent the piles from falling over in the Spring.

The ground where the wood is to be piled will be marked out at the several Stations, by an officer of the Company, who will also act as Inspector, Cullier, &c., and all rejected material will have to be removed by the party supplying it, immediately on receiving notice to that effect from the Agent of the Company.

The whole quantity at each place will have to be delivered and piled up on or before the first day of June, 1856.

Payments will be made monthly, reserving ten per cent until completion of Contract, when a final settlement will be made.

Sealed Tenders, marked "Tenders for Firewood," to be addressed to

TO THE LADIES.

G. W. ANDREWS

WOULD respectfully inform the Ladies of Kingston that his

Style of Cloaks and Capes

is far superior to the manner they are got up by others, and will also be found

INFINITELY CHEAPER.

The very many Ladies who have kindly patronized him for these Useful Garments express great satisfaction.

CLOTHS AND STYLES

can be seen in abundance at his Establishment.

—ALSO—

Polka Jackets & Riding Habits.

AUSTRALIA.

PIONEER LINE,

CARRYING THE UNITED STATES MAILS.

GUARANTEED THE FIRST VESSEL TO SAIL.

The Beautiful Clipper Ship

CYNTHIA,

1000 *Tons Capacity,*

BARTLETT, MASTER,

At Pier, East River, with despatch. The accommodations for a limited number of Passengers, are on the most approved principles for light, ventilation and comfort, being all on deck.

The success of the Pioneer Line, since its first establishment, (four years ago,) is perhaps unprecedented—no serious accident having occurred, and no claim having been made on the insurance offices; whilst, among the thousands of passengers, absolutely, no sickness has been known. The advantages of employing first class ships and experienced commanders is demonstrated by the following remarkable passages, never equalled from this country:—

Ship *Ocean Steed*, 88 Days.
" *Flying Scud*, 76 "
Ship *Windward*, 87 Days.
" *Nightingale*, 74 "
