The only Original and Genuine in the World!

Clirehugh's TRICOPHEROUS,

To Prevent and Cure Baldness and Grey Hair, restore it to its Original Color, Entirely Remove Scurf and Dandruff, and Cure all Eruptions or Roughness of the Skin

THIS justly celebrated and widely known Compound, which for sixteen years has met with distinguished success wherever it has been introduced, is now reduced to such a low price as will enable it to be in reach of all, as it is the cheapest and the best article now in use. Its curative properties are almost miraculous. No matter how thin or weak, coarse dry or harsh, the hair will be restored to a soft, glossy, healthy luxurious crop, if the Tricopherous be regularly applied. Those who have been threatened with premature grey hair, have, by the Tricopherous, not only stopped its progress, but had their hair changed to its original color.

Its strengthening and stimulating qualities are unrivalled, rousing into action the nerves and blood vessels which carry nutriment, imparting health to this greatest of nature's adornments (a beautiful head of hair) to the latest period of life.

For eradicating Dandruff it is unsurpassed—Cleansing the skin completely of every impurity, leaving the hair neither gummy nor dry, but moist, soft and silky. It is superior to oil to dress the hair, as it keeps longer moist, and does not soil the hat, or head dress.

The Tricopherous has gradually risen in favor with the public, by its own merits and not like the puffed and ephemeral compositions existing to-day, and swallowed in oblivion to-morrow; until it has become one of the staples of life, and looked for by all as one of the necessaries of the toilet and medicine chest.

Caution. The known popularity of the Tricopherous has occasioned many spurious articles, bearing outwardly the same name and character. Ladies and gentlemen purchasing must therefore be careful to ask for Clirehugh's Tricopherous.

Price 25 cts. 50 cts. and $1 00 per Bottle—Family Bottles $1 00.

CLIREHUGH'S INSTANTANEOUS

LIQUID HAIR DYE.

NOTWITHSTANDING all the various Hair Dyes now in use, scarcely one can be depended on for giving the required shade of color, a desideratum which Mr. Clirehugh has, with the assistance of one of the first chemists of the age, now fully overcome and established. The discovery and production of this now celebrated Hair Dye must supersede the use of every similar article. Its effects are to give to red, light brown or grey hair, any of the intermediate shades of color, down to the deepest jet, with a certainty hitherto unknown, and without doubt or disappointment, where the directions are adhered to. It leaves no stain on the skin, no dull, leaden or greenish hue, gives no dry or crisp appearance, but keeps the hair pliable, soft and glossy, retaining all its natural appearance till a re-application is necessary.

Private rooms, where Ladies and Gentlemen can have the Dye applied, or at their own residence. Price One Dollar. For sale by the Inventor and Manufacturer, W. S. CLIREHUGH, Principal Office 161 Fulton Street, corner Broadway, up stairs, New-York.

Sold by all Chemists, Druggists, Hair Dressers in the United States, Canada, and by appointed Agents in England, France, Russia, Brazil, West Indies and San Francisco.

THE GREAT EUROPEAN REMEDY

For Nervousness, Relaxation and Exhaustion.

Protected by Royal Letters Patent, and sanctioned by all the great Continental Colleges of Medicine.

DR. DE ROOS' CELEBRATED GUTTÆ VITÆ; or, LIFE DROPS, are the great European Remedy for Spermatorrhœa, Exhaustion, Nervousness, Debility, Aversion to and Incapacity for Society, Study or Business, Shaking of the Hands and Limbs, Indigestion, Flatulency, Shortness of Breath, Asthma, Consumptive Habits, Dimness of Sight, Dizziness, Pains in the Head, Eruptions, Blotches, Pimples, Sore Throat, Pains in the Bones and Joints, Scurvy, Scrofula, and all those diseases for which mercury, sarsaparilla, &c. are not only employed in vain, but too often to the utter destruction of the sufferer's health. Their almost marvellous powers must be felt to be believed. Hundreds of apparently hopeless cases, which had been given up by the faculty, have been speedily cured, and many thousands have derived almost miraculous relief, when everything else had signally failed. The Guttæ Vitæ are the result of long practical investigation of the remedies best adapted for these diseases, and in addition to the great test Experience, they have received the sanction of many of the highest medical authorities throughout Europe, as entirely superseding all those questionable remedies which have too long seen the sole reliance of the medical men of this country.

Price 11s., and four times the quantity at 33s. per bottle, of the following Agents, and through every other Chemist in the world.

The £5 Packages, by which £1 12s. are saved; and the £10 packages, by which a still greater saving is effected, will be sent from the Establishment only, on receipt of the amount per draft on a London house, or otherwise.

DR. DE ROOS' COMPOUND RENAL PILLS are celebrated all over the world as a most safe and speedy remedy for the above dangerous complaints. Discharges of any kind, Stone in the Bladder, and diseases of the Kidneys and Urinary Organs generally. Possessing tonic properties, they agree with the most delicate stomach, strengthen the digestive organs, increase the appetite, improve the general health, and in three days will effect a cure where copaiba, cubebs, and all dangerous medicines of that class have utterly failed. 4s. 1½d., 2s. 9d., 4s. 6d., 11s., and 33s. per box, of all the Agents below, and through every other Chemist in the world.

These celebrated Pills are an infallible remedy in the most obstinate cases. By their use alone, many thousands have been annually restored to health, when every other medicine has failed. Their vast superiority over everything else in the cure of the above complaints, is universally acknowledged, and the extraordinary demand for them ever since their first introduction is without precedent. In no instance have they ever been known to fail, or produce those dangerous symptoms too often resulting from copaiba, cubebs, turpentine, and other medicines usually resorted to. They require neither confinement nor change of diet, and may justly be considered the only really safe and efficacious remedy for all stages of those disorders for which they are recommended.

By the introduction of the above, the Proprietor has no desire to supersede his own personal usefulness, but there are doubtless many who from natural diffidence, sense of shame, or fear of discovery, would bear their afflictions in silence rather than apply for aid, or unbosom their sorrows to those from whom they may reasonably expect sympathy and relief. To such it is believed the above will be an acceptable boon. In proof of their uniform efficacy, the sufferer can safely consult his easy without the knowledge of a second person, and thus cure himself speedily, privately, and at the least possible expense.

CAUTION.—The immense demand for the above having induced some unprincipled person to imitate them, and assume the name of Dr. De Roos, sufferers must guard against the recommendation of spurious or other medicines by unprincipled vendors, who thereby obtain a larger profit. To PROTECT THE PUBLIC AGAINST FRAUD, Her Majesty's Hon. Commissioners have directed the words "W. LYON DE ROOS, LONDON," to be printed in white letters on the Stamp affixed to the above, without which none can be genuine, and to imitate which is felony, and the offender will be prosecuted by Her Majesty's Government.

REVIEWS.

"The information therein conveyed is really essential to those who contemplate marriage."—Record.

"It contains precisely the informal on too often sedulously kept from the young and thoughtless. However, the knowledge must come some time, and happy is the person who does not become its possessor too late."—Politician.

"The above work, which exhibits the practical remarks of nearly a quarter of a century, and treats on pimples and sympathetic disorders, particularly recommends itself as a safe unerring, and infallible guide to the speedy restoration and permanent preservation of health and vigour. For want of a book of this nature, many a once promising youth who started fairly on the voyage of life, has been wrecked and for ever rendered hopeless, and quickness which should be his course. The necessity and importance of the work are further shown by the fact, that there are few persons who do not some period of their lives seek information as may be found in its pages. While therefore it affords a wholesome lesson to the unexperienced, its perusal may also be instructive in averting the serious consequences of indiscretion from those who have unhappily incurred them; and as the treatment recommended has been uniformly successful in many thousands of parallel cases, the sufferer may therefore confidently anticipate for himself the same happy result."

PERSONS IN ANY PART OF THE WORLD may be successfully treated by transmitting a correct detail of their case, with a remittance for Medicines, &c., which will be returned with the utmost despatch, and secure from observation.

N. B.—Should difficulty arise in procuring any of the above, enclose the amount per draft, or otherwise, to 10, Berners Street, and they will be sent securely packed per return.
