JAMES MACNEE, Chairman.

THIS Company is purely a Canadian enterprise, started with large Capital by business men of the country for the purpose of affording relief from the recent undue increase of Rates on the part of the Associated Insurance Companies, as well as for the purpose of keeping the profits derived from properly conducted Insurance business down in the hands of our own people. Its success has been most gratifying, the business being large and here nominal.
Stock has been largely subscribed in this city, and the Stock Book is still open at my office for further subscriptions. A local Board consisting of the gentlemen above named has been appointed, thus giving the advantages of a Local Company.
The Company will always distinguish itself in all cases of legitimate claims by the promptness and liberality of its settlements.
Parties requiring Insurance will find it to their interest to ascertain the rate at which this Company will take their risks before making or renewing their insurances elsewhere.
