IN THE ELECTION COURT.

The Dominion Controverted Elections Act, 1874.

ELECTION OF A MEMBER FOR THE HOUSE OF COMMONS, FOR THE CITY OF KINGSTON, HOLDEN ON THE TWENTY-NINTH DAY OF DECEMBER, A.D., 1874.

DOMINION OF CANADA, Province of Ontario, To Wit:

The Petition of JOHN STEWART, of the City of Kingston, whose name is subscribed

1.—Your Petitioner, John Stewart, is a person who was duly qualified to vote at the above election and who had a right to vote and did vote at said election.

2.—And your Petitioner states that the election was holden on the twenty second and twenty ninth days of December, A.D., 1874, being respectively the days of nomination and polling at said election, when John Carruthers of the said City of Kingston, Merchant, and Sir John Alexander Macdonald, K.C.B., were candidates, and the Returning Officer has returned the said Sir John Alexander Macdonald, K.C.B., as being duly elected, the receipt of which said return by the Clerk of the Crown in Chancery was first published in the *Canada Gazette* on the Ninth day of January, A.D., 1875.

3.—And your Petitioner says that the said Sir John Alexander Macdonald, K.C.B., by himself and by his agent and agents and by other persons on his behalf during said election provided and furnished drink and other refreshments at the expense of the said Sir John Alexander Macdonald, K.C.B., to divers electors, and further the said Sir John Alexander Macdonald, K.C.B., paid for and procured and engaged to pay for drink and other refreshments to divers other electors during said election to corruptly promote the same, whereby the said Sir John Alexander Macdonald, K.C.B. was and is guilty of corrupt practices and was and is incapable of being a candidate or of being elected or returned to the present Parliament and should be declared incapable of being elected to and of sitting in the House of Commons during the seven years next after the date of his being proved or found guilty of said offences and said election and return of the said Sir John Alexander Macdonald, K.C.B., were and are wholly null and void.

4.—And your Petitioner further says that the said Sir John Alexander Macdonald, K.C.B., was by himself, by his agent or agents and by others in his behalf guilty of bribery, before, during, at and after the said election, whereby the said Sir John Alexander Macdonald, K.C.B., was and is guilty of corrupt practices and was, and is, incapable of being a candidate or of being elected or returned to the present Parliament and should be declared incapable of being elected to and of sitting in the House of Commons during the seven years next after the date of his being proved or found guilty of said offences, and the said election and return of the said Sir John Alexander Macdonald, K.C.B., were and are wholly null and void.

5.—And your Petitioner further says that the said Sir John Alexander Macdonald, K.C.B., was by himself, by his agent or agents and by other persons on his behalf, before, during and at the said election guilty of the offence of treating within the meaning of and as defined by the "Dominion Elections Act, 1874," with intent to corruptly promote his said election, whereby the said Sir John Alexander Macdonald, K.C.B., was and is guilty of corrupt practices and was and is incapable of being a candidate or being elected or returned to the present Parliament; and further, should be declared incapable of being elected to and of sitting in the House of Commons during the seven years next after the date of his being proved or found guilty of said offense and the said election and return of the said Sir John Alexander Macdonald, K.C.B., were and are wholly null and void.

6.—And your Petitioner further says that the said Sir John Alexander Macdonald, K.C.B., by himself, by his agent or agents and by others on his behalf, did illegally and corruptly, before, during and after said election hire, pay and promise to pay for certain horses, teams, sleighs, cabs and other vehicles to convey and for having conveyed voters to and near to, and from divers polls and from the neighborhood thereof, at the said election, and did also pay the railway, stage and other fares of divers voters and did so pay the travelling and other expenses of divers voters in going to and returning from the said election for the purpose of corruptly promoting the same on his behalf, whereby the said Sir John Alexander Macdonald, K.C.B., was and is guilty of corrupt practices and was and is incapable of being a candidate or of being elected or returned to the present Parliament and should be declared incapable of being elect ed to and of sitting in the House of Commons during the seven years next after the date of his being proved or found guilty of said offences, and the said election and return of the said Sir John Alexander Maconald, K.C.B., were and are wholly null and void.

7.—And your Petitioner further says that the said Sir John Alexander Macdonald, K.C.B., by himself, by his agent or agents and by others in his behalf before, during and after the said election, was guilty of and did commit corrupt practices within the meaning of the "Dominion Election Act, 1874," and the "Dominion Controverted Elections Act, 1874", whereby the said Sir John Alexander Macdonald, K.C.B., was and is incapable of being a candidate or of being elected or returned to the present Parliament and should be declared incapable of being elected to or of sitting in the House of Commons during the seven years next after the date of his being found guilty of the said offences, and the said election and return of the said Sir John Alexander Macdonald, K.C.B., were and are wholly null and void.

8.—And your Petitioner further says that notorious and systematic corrupt and unlawful practices were carried on at said election by the agents and friends of the said Sir John Alexander Macdonald, K.C.B., for the purpose of promoting said election on his behalf.

9.—And your Petitioner further says that many persons voted at the said election and were reckoned upon the poll of the said Sir John Macdonald, K.C.B., who were bribed, treated or unduly influenced to vote thereat for the said Sir John Alexander Macdonald, K.C.B., and that the votes of all such persons were null and void, and one vote for every person who so voted and was so bribed, treated or influenced, ought now to be struck off from the number of votes appearing to have been given in favor of the said Sir John Alexander Macdonald, K.C.B., at said election.

10.—And your Petitioner further says that divers persons voted at the said election and were reckoned upon the poll of the said Sir John Alexander Macdonald, K.C.B., who were before, at and after the said election guilty of bribery, treating and undue influence and that all such persons were thereby disqualified from voting, and one vote for every person who so voted and was so guilty of bribery, treating and undue influence ought now to be struck off from the number of votes appearing to have been given in favor of the said Sir John Alexander Macdonald, K.C.B., at said election.

11.—And your Petitioner further says that the said Sir John Alexander Macdonald, K.C.B. personally engaged at the said election as canvassers or agents in relation to said election divers persons, namely, Isaac Noble, Armstrong McCormack, Thomas Hanley and Patrick Harty, or some one of them, he the said Sir John Alexander Macdonald, K.C.B., then knowing that such persons had within eight years previous to such engagement been found guilty by the report of the Honorable the Chief Justice of Ontario on the trial of an election Petition as hereinafter mentioned of a corrupt practice within the meaning of section 103 of the Dominion Elections Act of 1874.

12.—And your Petitioner further says that on the twenty second and twenty ninth days of January, A.D., 1874, there was holden an election to elect a member for the House of Commons for the said Electoral District of the City of Kingston, in the present Parliament of Canada, said days being respectively the days of nomination and polling at the said last mentioned election, when the said Sir John Alexander Macdonald, K.C.B., and John Carruthers of the said City of Kingston, were candidates, and the said Sir John Alexander Macdonald, K.C.B., was on the said twenty ninth day of January returned as being duly elected.

13.—And your Petitioner says that a petition was afterwards filed in the said election court by the said Petitioner against the said Sir John Alexander Macdonald, K.C.B., alleging that the said election was void, on account of acts of corrupt practices committed by the said Sir John Macdonald, K.C.B., and his agents at the said election.

14.—And your Petitioner says that such proceedings were had upon the said petition, that the same came on to be tried before the Honorable the Chief Justice of Ontario, one of the Judges of the said Election Court, at the Court House in the said City of Kingston on the seventeenth day of November last past, A.D., 1874, and subsequent days.

15.—And your Petitioner further says that the said Sir John Alexander Macdonald, K.C.B., by himself or by his agent or agents, or by others in his behalf with his knowledge and consent, before, during, at and since the last mentioned election was guilty of bribery, treating, undue influence and other corrupt practices as defined by the statutes then in force governing elections for the said House of Commons, investigation into which was prevented and not had at said trial through said Sir John Alexander Macdonald, K.C.B. having admitted acts of bribery by agents upon which the said Chief Justice of Ontario declared the said last mentioned election void.

16.—And your Petitioner further says that the said Sir John Alexander Macdonald, K.C.B., by himself, by his agent or agents, and by others in his behalf, had since the time of said last mentioned election fulfilled, paid and settled divers bribes, corrupt promises and corrupt undertakings illegally and wrongfully made before and during the said election so held for the present Parliament in the said month of January, and to corruptly induce and bribe divers electors to refrain from voting and to induce divers other electors to vote for the said Sir John Alexander Macdonald, K.C.B., at the said election held in the said month of December last as aforesaid.

17.—And your Petitioner submits that the exigency of the writ under which said election so voided as aforesaid was held has never been satisfied and should be deemed to continue in full force until a valid election is held to return a member to the House of Commons for said electoral district, and the proceedings so had upon the twenty second and twenty ninth days of January, A.D., 1874, and the twenty second and twenty ninth days of December last past in reality formed parts of one and the same election.

18. Wherefore your Petitioner prays that it may be determined that the said Sir John Alexander Macdonald, K.C.B., was ineligible to be a candidate and was not at the election held in December last as aforesaid, duly elected or returned and that the said election was void.

(Signed), JOHN STEWART.
