Be Ready, Aye Ready.

Be ready, aye ready, to do a guid turn
To your neighbors and freens when ye can!
When your help is required dinna slink awa hame,
But come forward and act like a man.
To bear others' burdens is manly and brave,
Or to hand out your hand to the needy;
When they're like to be gulfe aneath poverty's wave,
To help them, be ready, aye ready.

Dear brothers 'n toil, my heart aches for you,
Wha in "hard times" has little or nothing
To cover your backs wi' or put in your wames,
Hunger isna a very nice plaything.
It grieves me to think that your wives and wee bairns
In sorrow maun hang doon their head-ye,
While those who could lighten your troubles
and cares,
If they'd try too, but seldom are ready.

A' ye wha hae thousands laid up in the bank,
Be generous and dinna act meanly;
To see others want while ye've plenty to spare,
Is a lang way the north side o' freendly.
I'm no one o' them that cries out that the rich
Crush the puir; we wi' strong hands and steady
But when sickness or poverty's certain to them,
I think
That to help them you should be aye ready.

I trow ye there's nocht brings a blessing sae great,
As to share the gifts Heav'n has sent us:
It's nae use to lay up your treasures on earth,
To do gold here, they're only lent us.
Be kind, and God-fearing, and make it a rule
On the bright path o' virtue to tread aye;
Then when Death comes along, and says,
"Sandie, my man,
You are wanted," you're ready, aye ready.

ALEX. H. WINGFIELD.

EXECUTION OF AN INNOCENT GIRL.—The French Minister of Justice has just received a report on a very sad and extraordinary affair, which is not unlikely to create some sensation. Thirty years ago a young girl named Marie Guerniac was found poisoned in her bed. She had been betrothed a short time before to a young man, with whom her younger sister Madeleine was said to be desperately in love. The poor girl was at once arrested, tried, and finally condemned to death, which she suffered calmly and patiently, without uttering a word of complaint or of justification. Everybody felt the greatest sympathy for the poor old father of the two girls, who was giving us as of the most violent grief. He had come into possession of some money, which the girls had inherited from their mother, but his grief did not seem to be lessened thereby. A fortnight ago the old man died, and before his death confessed to his parish priest, the Rev. Abbe Barreau, that he was himself the murderer of his elder daughter. He had, moreover, allowed suspicion to rest on the younger in order to inherit the money of both. The poor victim had died innocent without uttering a word in her defence, and rather choose to die than to denounce him to justice.

ANCIENT OBSERVANCE.—Lent is of very ancient observance. It is mentioned in the earliest councils of the church, and written about by the writers even of the first century. It was universally established in the fourth century. In the second century, when the dispute arose about the time for celebrating Easter, the ante-paschal fast was an acknowledged fact both by Eastern and Western churches. Discussion was had by the earliest writers as to whether the fast at first was for the full forty days or only for the week before Easter, called the ante-paschal fast; but it would seem from the authorities that while there was some fast of forty days in honor of the Saviour's fast, the ante paschal fast was of the very severest sort, and that this was the difference in the allusions among the writers.

—We've had scarlet fever and yellow fever, and now Panamint, Cal., has invented an epidemic which it patents under the title of "green fever." Our medical adviser suggests that perhaps it's the result of a yellow fever in a patient who has the "blues."

Dr. Lloyd, of Ohio, surgeon in the army during the war, from exposure contracted consumption. He says in a letter addressed to Messrs. J. N. Harris & Co., proprietors of Allen's Lung Balsam, I have no hesitancy in stating that it was by the use of your Lung Balsam that I am now alive and enjoying health.

Thousands have been changed by the use of the Peruvian Syrup (a protoxide of Iron) from weak, sickly, suffering creatures, to strong, healthy and happy men and women, and invalids cannot reasonably hesitate to give it a trial. For Dyspepsia and Debility it is a specific.

Hæmorrhoids (or Piles) are permanently cured by Mathieu's Pile Ointment, or money refunded. Price $1 per Pot, or 6 Pots for $5. Sold wholesale and retail by the Wingate Chemical Company, Montreal and retail by all druggists, or will be forwarded to any address on receipt of price by Dr. E. Mathieu, 198 Notre Dame Street, Montreal.

Dr. Wistar's Wild Cherry Balsam.—This Balsamic compound has become a home fixture. Let all who suffer, and have in vain attempted to cure their coughs, colds, bronchial or pulmonary complaints, make use of this unexpensive remedy. It can be relied upon, the mass of testimony that has been published since its introduction, being ample proof of its efficacy.

For over twenty years "Bryan's Pulmonic Wafers" have maintained their reputation for curing coughs, colds, and pulmonary diseases. Those suffering or threatened with any of the pulmonary complaints should at once give them a trial. They give almost immediate ease, and if taken in time generally effect a cure. Remember that a common cold or cough, if not attended to in time, often leads to that distressing disease—consumption. Sold by all medicine dealers and country stores, at 25c per box.

The attention of those who have been suffering a long time from old complaints that have resisted all ordinary methods of treatment, is called to Dr. Wheeler's Compound Elixir of Phosphates and Calisaya. This remarkable preparation, by promoting the complete digestion and assimilation of food, creates pure vitalizing blood to restore diseased tissue, and supply nerve force to all the organs of the body. It is a specific for dyspepsia in all its forms. For complaints and disease of the kidneys, and so specifically does it act, that improvement is frequently felt the first day of taking it. Being a chemical food, its properties are active and cannot injure a child or adult under any condition of the system whatever.

Letter from Rev. J. Salmon, M.D.—Chipman Queen's County, N.B. Mr. Jas. I. Fellows.—Sir, In the practice of medicine I have recommended your Compound Syrup of Hypophosphites, and have invariably the following results: Greater freedom in the action of the Lungs, increased and more easy expectoration in cases indicated by dry cough, and decided augmentation of tone to the whole nervous system. I can safely and consistently recommend your invaluable preparation in a variety of cases, especially for chest diseases, having successfully prescribed it in Bronchitis, Asthma, Debility from liver complaint, debility from impoverished blood. I am, sir, yours truly, JAMES SALMON, Practicing Physician and Surgeon.

Owners of Horses Rejoicing.—And why not? And who knows but what their horses are rejoicing as well; who can prove the contrary? But their owners rejoice because of the astonishing and almost miraculous effects on their horses of "Darley's Condition Powders and Arabian Heave Remedy." Some were lean and poor having no appetite, other would devour their food ravenously, yet derive no benefit from it; some were hide-bound, with rough and shaggy hair; others had severe colds and coughs; many had the heaves and other complaints peculiar to horses; on all operated like a charm, the disease or complaint was speedily removed, the appetite and digestive organs corrected, the skin softened, and a sleek and shining appearance given to the coat all without any danger to, or preventing the horse being used. Remember the name, and see that the signature of Hurd & Co. is on each package.—Northrop & Lyman, Toronto, Ont., proprietors for Canada. Sold by all medicine dealers.

ELECTRICITY!

Thomas' Excelsior Eclectric Oil—Worth Ten Times its Weight in Gold.—"Pain cannot Stay where it is used."

It is the cheapest medicine ever made. One bottle does cure common sore throat. One bottle has cured Bronchitis. Fifty cents worth has cured an old standing Cough. It positively cures Catarrh Asthma and Croup. Fifty cents worth has cured Crick in the back and the same quantity Lame back of eighty years standing. The following are extracts from the few of the many letters that have been received from the different parts of Canada which we think should be sufficient to satisfy the most sceptical. J. Collard, of Sparta, Ontario, writes: Send me 6 doz of Dr. Thomas' Eclectric Oil, have sold all I had from you and want more now. Its cures are truly wonderful." Wm Maguire of Franklin, writes: "I have sold all the agent left. It acts like a charm, it was slow first but takes splendidly now." M. Cole of Iona writes: "Please forward 6 doz. Thomas Eclectric Oil. I am near out; nothing equals it. It is highly recommended by those who have used." J. Bedford, Thamesville, writes, "send at once a further supply of Eclectric Oil. I have only one bottle left. I never saw any thing to sell so well and give such satisfaction." J. Thompson Woodford, writes: "Send me some more Eclectric Oil. I have entirely sold out. Nothing takes like it." Miller and Rye, Ulverton, P.Q., writes: "The Eclectric Oil is getting a great reputation here and is daily called for, send us a further supply without delay—Leymone, Gibb & Co., Buckingham, P.Q., writes: "send us one gross Eclectric Oil—we find it to take well."

☞ Sold by all medicine dealers. Price 25 cents.

Prepared by S. N. Thomas, Phelps, N.Y., and Northrop & Lyman, Toronto, Ont., sole Agent for the Dominion. Note.—Eclectric—Selected and Electrized. Sold in Kingston by E. H. Parker, J. G. King, Heath and Gunn, G. S. Hobart McLean & Co. and all medicine dealers.

PAIN-KILLER!

After thirty-five years' trial, it is still receiving the most unqualified testimonials to its virtues from persons of the highest character and responsibility. Physicians of the first respectability recommend it as a most effectual preparation for the extinction of pain. It is not only the best remedy ever known for bruises, cuts, burns, &c., but for dysentery, or cholera, or any sort of bowel complaint, it is a remedy unsurpassed for efficiency and rapidity of action. In the great cities of India, and other hot climates, it has become the standard medicine for all such complaints, as well as for dyspepsia, liver complaints, and other kindred disorders. For coughs and colds, canker, asthma and rheumatic difficulties, it has been proved by the most abundant and convincing testimony to be an invaluable medicine. It used internally and externally.

Sold by all Druggist. Price $1 per bottle. PERRY DAVIS & SON, Agents. Sole Proprietor.

Fire Proof Roofing.

THE BEST FIRE PROOF ROOFING ever introduced is said to be that of Mica, Sonstone and Plumbago, combined with other ingredients, which has been patented by the Beeville Mica and Plumbago Company, and which is now introduced into almost every city and town in this Province.

It is warranted to be perfectly proof against fire and also against frost as far as it has been tested during the last two years.

All parties wishing to get a good Fire Proof Roof are invited to my Foundry, corner of Union and Ontario Streets, in this city, where they can see for themselves the ravages made by fire close to my Moulding Shop, while strange to say, it came off comparatively unhurt from the flames.
