Fire Proof Roofing.

THE BEST FIRE PROOF ROOFING ever introduced is said to be that of Rica, Soapstone and Plumbago, combined with other ingredients, which has been patented by the Brockville Mica and Plumbago Company, and which is now introduced into almost every city and town in this Province.

It is warranted to be perfectly proof against fire and also against frost as far as it has been tested during the last two years.

All parties wishing to get a good Fire Proof Roof are invited to my Foundry, corner of Union and Ontario Streets, in this city, where they can see for themselves the ravages made by fire close to my Moulding Shop, while strange to say, it came off comparatively unhurt from the flames.

MONDAY EVEN'G, FEB. 22, 1875.

The Song of the Skater.

Stern winter has come, with his breath so chill,
And spreads his white mantle o'er valley and hill
And the lake, fast bound, in his fey chain,
Is firm and hard as the frozen plain.
Our skates we brace on the circling snow,
And away, like the lightning flash, we go.

Oh, swiftly the eagle cleaves the air,
And fiercely the falcon drives the hare;
But both in our rapid course we beat,
When glitters the ice 'neath our glancing feet;
And swifter than aught, above or below,
Onward, onward, we go, we go.

The wild drake, seeking unfrozen springs,
Winnows the air with his whistling wings;
But his course we pursue like a rushing wind,
And soon his quacking is heard behind,
And still it resound, more faint and low,
As on with increasing speed we go.

So transparent and clear is our watery glass,
That beneath we can see the little fish pass;
Yet it is as firm as earth can be,
And a better road for my friends and me.
Though a hundred fathoms are dark below
Yet on, with unbated glee we go.

The lake's broad bosom thus quick o'er past,
And our hunting party in sight at last,
The pine-tree boughs for a sleigh we take,
With our freields and their game to re-cross the lake.
Then with hearts as light, though with pace more slow,
Homeward again we gladly go.

The Human Hair.—How many persons abuse this delicate and beautiful ornament, by burning it with alcoholic washes and plastering it with grease, which has no affinity of the skin, and is not absorbed. Burnett's Cocoaine, a compound of Cocoa-nut Oil, etc., is unrivalled as a dressing for the hair—is really absorbed, and is peculiarly adapted to its various conditions, preventing its falling off and promoting its healthy growth.

—John Hanly, late proprietor of the Dufferin Hotel, St. Thomas, has been lodged in St. Thomas gaol on a charge of incendiarism.

—A lethargic citizen has discontinued his morning remark—'A very cold morning this, isn't it?' and now simply remarks 'ditto' upon meeting an acquaintance.

—The contract for making the 9,000 new military suits has been awarded to P. A. Eggleston and J. Metcalfe, both Ottawa firms. Their tenders were the lowest.

—In event of war, Mr. Czar, of St. Petersburg, guarantees to be able to take a target company one million five hundred thousand strong to shoot for prizes or glory.

—When the Lord Mayor of London was in Paris he created a profound sensation by riding about in a coach and four. A great many people thought his turnout preceeded a circus.

—A noted miser named Lynch recently died near Dublin at the age of seventy two. He left nearly £30,000, which his brother, a clerk in a London banking house, will take great pleasure in spending.

—A St. Louis lady sues a dentist for breaking her jaw while drawing a tooth, claiming $10,000 damages. The case is pending, and singularly enough the husband of the lady is a party to the prosecution.

Save Your Doctor's Bill.—When Dr. Wistar's Balsam of Wild Cherry will cure coughs, colds, bleeding at the lungs, and arrest the fell destroyer, Consumption, it does more than most physicians can do. The use of a single bottle, costing one dollar, will satisfy the incredulous that they need look no further for the required aid.

The most unhappy person in the world is the Dyspeptic. Everything looks dark and gloomy, he feels out of sorts with himself and everybody else. Life is a burden to him. This can all be changed by taking Peruvian Syrup (a protoxide of Iron.) Cases of 25 years standing have been cured by it.

Hemorrhoids (or Piles) are permanently cured by Mathieu's Pile Ointment, or money refunded. Price $1 per Pot, or 5 Pots for $5. Sold wholesale and retail by the Wingate Chemical Company, Montreal, and retail by all druggists, or will be forwarded to any address on receipt of price by Dr. E. Mathieu, 198 Notre Dame Street, Montreal.

☞ Coughs and Colds, when left to themselves, frequently bring on pulmonary complaints, which lead to that distressing and fatal disease—consumption; but if attended in time, "Bryan's Pulmonic Wafers" are a certain remedy. They stop the irritating cough, and soothe and strengthen the bronchial tubes, allaying all irritations and inflammation. They are also particularly adapted for the use of singers and public speakers. Sold by all medicine dealers and country stores, at 25c per box.

So much has been said in public prints about the value of Phosphates as fertilizers, and as nerve and brain food to supply the waste of tissues, resulting from mental and physical exertion, that they have become universally recognized as the most important nutritive agents known to science. They are nature's restoratives, whether it be the worn out soil, or the constution run down with wasting chronic diseases, depending upon indigestion and imperfect cell-growth and the formation of healthy tissues. Dr. Wheeler's Compound Elixir of Phosphates and Calisaya is not only elegant and reliable, but extraordinary in its effect in energizing and vitalizing all the organs of the body.

Letter from Rev. J. Salmon, M.D.—Chipman Queen's County, N.B., Mr. Jas. I. Fellows.—Sir, In the practice of medicine I have recommended your Compound Syrup of Hypophosphites, and have invariably the following results: Greater freedom in the action of the Lungs, increased and more easy expectoration in cases indicated by dry cough, and decided augmentation of tone to the whole nervous system. I can safely and consistently recommend your invaluable preparation in a variety of cases, especially for chest diseases, having successfully prescribed it in Bronchitis, Asthma, Debility from liver complaint, debility from impoverished blood. I am, sir, yours truly, JAMES SALMON, Practicing Physician and Surgeon.

No stronger warranty can be given for the merits of a cough medicine than we offer. We say to all who wish to use Allen's Lung Balsam, that unless it gives entire satisfaction they may return the bottle to us after they had used it 48 hours, and the money will be cheerfully refunded. This same warrantly has been offered the Balsam first for sale and to this time, the first bottle has not been returned, and we have received nothing but praise in its favor from those who have used it.

Somebody Says.—"There is something peculiarly attractive in a horse. His intelligent eye and ear, his lofty carriage, his free and graceful motion, his vast strength, his obedient temper, and his indispensable use, all endear him to us. We have to look at his fine proportions and take in the inspiration of his energy and power," but it is only when the horse is properly cared for—when he is free from disease or unsoundness of any kind that he will exhibit these points of attraction, and without which he is of little value. A package of 'Darley's Condition Powders and Arabian Heave Remedy, should be in possession of every man who owns a horse, to be used in case of emergency. Don't fail to get it. Remember the name, and see that the signature of Hurd & Co. is on each package.—Northrop & Lyman, Toronto, Ont., proprietors for Canada. Sold by all medicine dealers.

ELECTRICITY!
Thomas' Eclectric Oil.—Worth Ten Times its Weight in Gold.—"Pain cannot Stay where it is used."
It is the cheapest medicine ever made. One bottle does cure confirmed sore throat. One bottle has cured Bronchitis. 10c. cents worth has cured stand'g Cough. It positively cures Catarrh Asthma and Cramp. Fifty cents worth has cured Crick in the back and the same quantity Lame back of eighty years standing. The following are extracts from the few of the many letters that have been received from the different parts of Canada, which we think should be sufficient to satisfy the most sceptical. J. Collard, of Sparta, Ontario, writes: Send me 6 doz of Dr. Thomas' Eclectric Oil, have sold all I had from you and want more now, its cures are truly wonderful." Wm Maguire of Franklin, writes "I have sold all the agent left. It acts like a charm it was slow first but takes splendidly now." M. Cole of Iona writes: "Please forward 6 doz. Thomas Eclectric Oil, from year out, nothing equals it. It is highly recommended by those who have used." J. Bedford, Thamesville, writes, "send at once a further supply of Eclectric Oil. I have only one bottle left. I never saw any thing to sell so well and give such satisfaction." J. Thompson Woodford, writes "Send me some more Eclectric Oil. I have entirely sold out. Nothing takes like it." Miller and Rye, Ulverton, P.Q., writes, "The Eclectric Oil is getting a great reputation here and is daily called for, send us a further supply without delay—Leymonie, Gibb & Co., Bakkingham, P.Q., writes: "send us one gross Eclectric Oil—we find it to take well."
☞ Sold by all medicine dealers. Price 25 cents.
Prepared by S. N. Thomas, Phelps N.Y., and Northrop & Lyman, Toronto, Ont., sole Agent for the Dominion. Note.—Eclectric—Selected and Electrified. Sold in Kingston by E. H Parker, J. G. King, Heath and Gunn, G. S. Hobart McLean & Co. and all medicine dealers.

ALLEN'S LUNG BALSAM.
Is warranted to break up the most troublesome cough in an incredible short time. There is no remedy that can show more evidence of real merit than this Balsam for curing Consumption, Coughs, Colds, Asthma, Croup, &c. It excites expectoration, and causes the lungs to throw off the phlegm or mucus; changes the secretions and purifies the blood; heals the irritated parts; gives strength to the digestive organs; brings the liver to its proper action, and imparts strength to the whole system. It is introduced to the suffering public, after its merits for the positive cure of such diseases have been fully tested. The formula from which it is prepared is referred to by the leading medical journals as being equal to any prescription that can be made up for such diseases by the medical faculty. The Balsam is consequently recommended by physicians everywhere.
Sold by all Druggist. Price $1 per bottles
