CHARITABLE LIES JUSTIFIED.

[It is not necessary to remark that the following is original.]

Though Esau hunted all around,
Jacob the easy "straight way" found,
Although he trespassed its confessed
He came in first and thus was blessed;
Yet gave due honors to his elder brother
That we might give to one another.
The harlot, Rahab, also lied
To save the spies—was justified,
And though she built on hay or straw,
Love, you know! fulfilled the law.
"Our Saviour" died upon the tree
And who can say? accursed is He;
And thus our Saviour, (who foresaw)
Took away the curse of law.
And nailed it fast upon the cross,
And may we count the gain but loss,
King David ate unlawfully
The shew-bread on the sabbath day
And gave to those the law denied
When starving, and was justified.
Christ cured upon the sabbath day,
For mercy is lawful anyway:
"Touch not the wine when it is red"
Our Saviour blest both wine and bread,
And gave the poor in charity:
"Do this in memory of me."
St. Paul told Timothy to take
A little for his stomach's sake
And for his oft infirmities,
'Remembering Christ' in charities.
But would it make a brother sink—(Rom. 14 c.)
In charity refrain from drink;
May we like our Saviour bear the cross
And count all our gain but loss,
And "beware of the leaven of Herod,"
And those who cut off the Baptist's head,
Though Saul had vowed, he changed story
And "shaved his head" "gave God the glory
And (to Mr. Judge" he made it plain
"Do violence to no man."
And he found grace like Saul "the chief,"
"Through ignorance in unbelief."
And Peter who "forgot" was sorry,
Though he "forswore," gave God the glory.
And David did, too, himself deny
Who said, "that man shall surely die,"
And likes (as the Angel who came and "swore"
And said, that "time should be no more"—
(Rev. 10 chap.)
And I your humble servant too—Rom. 14 chap.
Have taken from Scriptures a different view,
We too may "forget" or sin like the "child"
"Through ignorance in unbelief."
But if we will sin "willfully,"
And if for "such we should not pray,
And if Christ died for "guilty men"
Should we crucify mercy over again!
And if we get hold uncharitable view,
Forgive us, we know not what we do.

J. J. CAMPBELL.

Bears.—Since Messrs. Perry Davis & Son commenced the manufacture of Bearine, the Canada trapper has found a lucrative business in capturing old Bruin. Messrs. Davis & Son pay a good price for the grease, and the skins are always sought after. Messrs Davis & Son have a mode of refining the grease, perfuming it, &c., making it superior to any others we have ever seen.

A WOMAN NAVIGATOR.—A vessel which arived at New York last Friday brought the intelligence that the barque Rebecca Crowell, which left New York on March 6 for Buenos Ayres, became disabled during a severe gale three days after leaving there. Several of the spars and sails were carried away, and the captain and first mate were injured to such an extent that they were confined to their berths throughout the voyage, and rendered incapable of managing the vessel. There was no other person on board, except the captain's wife, who understood navigation, and she undertook the task of conducting the bark to its place of destination. The second mate was a young man twenty years old, able to take the helm, but ignorant of the process of taking observations. The woman then assumed the command of the vessel, boxed the compass, took observations, maintained the latitude and longitude, maintained her place upon the bridge, and directed the course of the vessel. After exercising control for fifty-eight days, during which the vessel encountered violent gales and shipped heavy seas, the captain's wife, worn out and exhausted with her labers, conducted the vessel, with its valuable cargo, safely into the port of Buenos Ayres. A purse was made up for her on her arrival.

OUR CANADA.—At a recent meeting of the National Temperance League Exeter Hall, London, the Times says: "The Rev. Dr. Lachlan Taylor of Toronto, in the course of an eloquent speech, stated that in the Province of Ontario there were more pledged teetotallers and more ministers of the Gospel who were total abstainers than in any similarly populated district in the civilized world. Two temperance organizations alone had 60,000 members, and recently no less than 300 petitions signed by upwards of 100,000 individuals had been presented to the Dominion Parliament in favour of the prohibition of the importation, sale or manufacture of alcohol except for medicinal or mechanical purposes, regulated by proper safeguards and checks. Three-fourths of the Protestant Christianity of the Province were also in favor of that prohibition. The liquor shops there were closed from seven o'clock on Saturday p.m. until seven on Monday morning, and no omnibuses, trains or cars were allowed to run on Sundays. Besides, no woman was allowed to serve in any bar or tavern in Canada.

THE TORONTO FIRE.—So far as can be learned, it has destroyed the following buildings: Rowland's dry goods store, Good's Foundry, Dawson's tavern, Scanlon's tinsmith shop, Goulding's millinery, J. F. Davis' music store, George Ellis' fancy goods, J. A. Cherry's dry goods, Lamb's boots and shoes, Hodgson's tinware, Sama & Johnston's cabinet factory; besides the private houses occupied by Elizabeth Clark and Geo. Lazier, on Queen street, Miss M. A. Dunn, Francis Blackstowne, John Duffy, Mrs. S. Snowden, Capt. John Bengough and his two sons, J. W. Thomas, Wm. Porter, Richard Donan and Miss S. Rutby, on Victoria street. The damage done must be in close proximity to $150,000. At one time the roofing of the Metropolitan Church was on fire, but a stream of water sent in that direction quickly put it out.

Life has few charms for the Dyspeptic, which is not to be wondered at when we take into account the amount of bodily and mental suffering that this distressing malady generates. The Peruvian Syrup (a Protoxide of Iron) has cured thousands who were suffering from this disease.

Hemorrhoids (or Piles) are permanently cured by Mathieu's Pile Ointment, or money refunded. Price $1 per Pot, or 6 Pots for $5. Sold wholesale and retail by the Wingate Chemical Company, Montreal, and retail by all druggists, or will be forwarded to any address on receipt of price by Dr. E. Mathieu, 198 Notre Dame Street, Montreal.

☞ The efficacy of Bryan's Pulmonic Wafers in curing coughs, colds and all bronchial affections, and cheering the afflicted, has passed into a proverb. In the United States, where the marvellous Wafers are known, they bear down all opposition and eclipse all rivalry; the demand for them has steadily increased for the last twenty years, until now the sales average over one hundred thousand boxes a year. Eminent members of the medical profession without number admit that they know of no preparation producing such beneficial results as these Wafers. When taken in season they effect a permanent cure. Sold by all druggists and country dealers. Price 25 cents per box.

THE HUNTER'S HAIR.—To give it strength and lustre; to improve its texture, to prevent its falling out and quicken its growth—in short to make it as intended, the crowning personal charm of both sexes—this is the work Burnett's Cocoaine will accomplish if faithfully used. There is a stimulating property in this preparation, which greatly assists the growth of the fibres, at the same time rendering them smooth, silky and elastic.

Woolly Horses.—Wooly horses are not so rare as many suppose, not such great curiosity, either, there are many to be found in various parts of the country, but we doubt if they will ever prove as valuable to their owners as the one exhibited by Barnum; we imagine their owners would consider them more valuable without the wool, for this rough and wooly state of the hair indicates that the horse is not in a healthy condition—probably hide-bound, or suffering from some disease which occasions this unnatural appearance; in such cases use "Darley's Condition Powders and Arabian Heave Remedy," it purifies the blood, corrects the appetite, removes all obstructions from the lungs and liver, and gives coto the a' a sleek and shining appearance. Remember the name and see that the signature of Hurd & Co. is on each package. Northrop & Lyman, Toronto, Ont., proprietors for Canada. Sold by all medicine dealers.

WHAT THEY SAY OF IT! A FEW FACTS FOR THE PEOPLE.—There are but few preparations of medicines which have withstood the impartial judgment of the people for any great length of time. One of these Dr. Thomas' Eclectric Oil. Read the following and be convinced.—Thos. Robinson, Farnham Centre, P.Q., writes, "I have been afflicted with rheumatism for the last ten years, and have tried many remedies without any relief, until I tried Dr. Thomas' Eclectric Oil, and since then have had no attack of it. I would recommend it to all."—J. H. Earl, Hotel Keeper, West Shefford, P.Q., writes, "I have been troubled with liver complaint for several years, and have tried different medicines with little or no benefit, until I tried Dr. Thomas' Eclectric Oil, which gave me immediate relief, and I would say that I have used it since with the best effect. No one should be without it. I have tried it on my horses in cases of cuts, wounds, etc., and think it is equally as good for horses as for man."—A. Maybee, merchant, Warkworth, writes, "I have sold some hundreds of bottles of Eclectric Oil, and it is pronounced by the public one of the best medicines they have never used." It has done wonders in healing and relieving pain, sore throats, etc., and is worthy of the greatest confidence."—Joseph Rixon, Township Percy, writes, "I was persuaded to try Thomas' Eclectric Oil for a lame knee which troubled me for three or four years, and I never found anything like it for curing lameness. It is a great public benefit."—A. M. Hamilton, Warkworth, writes, "For weeks I was troubled with a swelled ankle, which annoyed me very much, Mr. Maybee of this place induced me to try Eclectric Oil, and before one bottle was used I was cured." It is a most remarkable medicine.
