A. F. BRYANT,

(From London, England,)

Piano Forte Maker

AND REPAIRER,

BEGS leave to inform the citizens of Kingston and vicinity that he has commenced the above business, and is prepared to execute all kinds of REPAIRING AND TUNING on the most reasonable terms, and having worked the past 17 years at all its branches, both in England and the United States, and the past four years in Ottawa, feels confident of being able to give general satisfaction.
Mr. B. has so many calls out of Ottawa that for the future he must spend half his time in the neighboring Towns and Villages. Any Pianos repaired by A. F. B. not giving satisfaction, as near as can be expected from the class of instruments, no charge will be made.
Numbers of references can be had if required. Orders may be left at the City Hotel, Princess street, Kingston.
July 2, 1875.

CITY AND VICINITY

GOLD in New York at 3 o'clock 115¼.

POLICE COURT, Tuesday.—No business before the court this morning.

ARRIVED AT HOME.—The Canadian ss. Polynesian is reported to-day by cable as having arrived at Liverpool.

TO DAY'S weather report doesn't bear any apprehensions of immediate danger from drougth.

WHAT has Kingston done to be visited by so many hand organs? How long, O, how long?

THE SCHOOL ENTERTAINMENT to-morrow evening will not only afford an exhibition of the progress and learning of the pupils in the various grades, but a pleasing musical programme as well.

A GLORIOUS RAIN.—This morning a thunder storm, accompanied by heavy rain, made all nature smile again, and put down the dust which yesterday made the watering cart almost retire in disgrace.

MR. MARGARY'S DEATH.—The King of Burmah wrote to a native Chief, giving him instructions to kill Mr. Margary in as neat and expeditious a manner as he knew how. The letter has fallen into the hands of the British.

THERE WERE 13,678 people in town who to-day about 12:30 thought that one particular stroke of lightning came within two feet of them, and realized how very wicked they were and unfit to die. There are 13,693 people in the city, but 13 are stone blind, and two are in solitary confinement at the gaol.

PORT OF COLLINS' BAY.—Arrived, 10th, schr Cecilia from Lake Erie shore with timber for Colinsby Rafting Co; departure, schr Jessie H. Breck for Belleville. Arrived, 12th, schr Jessie Scarth from Hamilton with timber; bark Alexander from Bay City with timber for Colinsby Rafting Co; departure, schr Cecilia for Port Colborne, light.

THE CHEESE MARKET.—At the Dairymen's Board of Trade in Watertown on Saturday, sixty-one factories disposed of 9,931 boxes, an increase over last week's sale, of 6,792 boxes, and 8,398 boxes over the sales of the corresponding week last year. Of the 9,931 boxes sold, 8,239 were purchased by Messrs Burrows and Morton of Kingston, each buying over four thousand boxes.

THE CHAMPION MARCH.—The Watertown *Despatch* says: "We rather guess the Maple Leafs sold out the game to their Kingston brethren." Now, we rather guess the *Despatch* sent out a foul that time. We catch it on the fly and bounce it back as a piece of bad play. The *Despatch*, if it had thought over the score of 3 to 2 in 12 innings, and had seen how hard the Guelph men struggled would not have penned that slur.

SERVICE OF SONG.—The first of a series of Services of Song, in connection with the Young Men's Christian Association, was held at their rooms last night. The programme consisted of the singing of Gospel songs, duetts and choruses, interspersed with short periods for general conversation and fraternal greetings. The exercises of the evening were of a very interesting and social nature throughout. It is expected that these services will be continued every second Monday in each month.

BASE BALL.—Yesterday the Guelph Maple Leafs defeated the Stars of Port Hope 31 to 4, which rejoices a good many exceedingly. Yesterday the following professional matches were played, the Stars being the unlucky club of the Watertown tournament:—

New York,—St. Louis Browns 6, Atlantics 2.

Syracuse, N. Y.,—New Havens 16, Stars, of Syracuse 0.

MASONIC GRAND LODGE.—To morrow the Grand Lodge of Canada, (properly of Ontario) will be opened at London for annual session. On Sunday, R. W. Bros, A. S. Kirkpatrick and James A. Henderson, of Ancient St. John's Lodge, left to attend the meeting of the Board of General purposes, held preliminary to the sitting of the Grand Lodge. Bro. Corbett, S. W., represented St. John's; Bro. Carruthers, J. W., for Cataraqui, and W. Bro. Redden, for Minden Lodge, have left to attend the Lodge. The two other delegates from each lodge could not attend.

ODDFELLOWSHIP.—At the regular meeting of Kingston Encampment No. 15, I.O.O.F., held last evening at the Oddfellows' Hall, the following officers were installed for the current term by Bro. W. D. Gordon, P.C.P.:

J. H. Werns—C.P.
W. Perry—H.P.
W.T.C. Bethel—S.W.
C. Mee—Scribe.
Wm. Dunn—Treas.
Geo. Kemp—J.W.

Bros. W.D. Gordon and S. Oberndorffer were elected as representatives to the Grand Encampment, which meets at London in August.

THE GAME.—The Ottawa base-ballers, who were so badly beaten by the Guelph ex-champion club on Friday, have sought every excuse to soften a comparison with the Kingston victory over the Guelphs on Saturday. They circulated these reports, copied in the *Times*: "It is thought that the Guelph team were not in good trim, or that the umpire did not give them a "square deal." It is reported that the players of the Kingston nine were imported especially for the game from the other side." The Guelph team were in the best trim, acknowledged the fairest deal, even a little favour from the umpire, and the Kingston men were the players that have played here all season. The Ottawa players are better at fabrication than scoring.

The Twelfth Elsewhere.

TORONTO, 12th.—The services for Orangemen in the various churches yesterday were unanimously attended. This morning the streets were crowded with people. The bells of St. James' Cathedral commenced to chime at noon. The procession took about 40 minutes to pass a given point, and was well organized. Some trouble arose in process of formation, owing to the lodges wearing white pants being ordered to take precedence over black, an arrangement which was resented by both. The difference did not go farther than hard words. There were 1 brass band and 12 fife and drum bands.

OTTAWA, 12th.—The Orangemen celebrated the anniversary by a procession of about 1,000, with banners and flags. Although there are great crowds of people, everything has passed off in good order, and without intemperance. Several reverend and other gentlemen made speeches.

MONTREAL, 12th.—The Twelfth is of necessity celebrated in various ways in this city. Rev. M. Dudiet yesterday afternoon, in Cote street Presbyterian church, preached the anniversary sermon, under the auspices of the Boyne Lodge. The attendance was very large.

ST. CATHARINES, 12th.—The Orange demonstration is a decided success, fully 1,000 persons being in the procession, with eight bands of music and thirty stands of colors. An immense body of Orangemen came over from Buffalo, and for the first time was seen in a gathering of this kind the Union Jack and Star-spangled Banner carried side by side. Order and sobriety prevailed.

NEW YORK, 12th.—The battle of the Boyne is being celebrated by Orangemen to-day by a pic-nic up the Hudson River, participated in by the various lodges in this city and vicinity. No public demonstration will be made, it having been decided to dispense with the customary parade.

BROCKVILLE, 12th.—The Orangemen celebrated the anniversary with eclat. Early in the morning teams came from the country bringing the members of the various Lodges in this vicinity, and crowds of spectators. By nine o'clock the streets were completely crowded with people. Throughout the forenoon the crowd kept steadily increasing and at noon there could not have less than 5,000 strangers in town. A very large excursion came in on the B. & O. Railway, bringing with it a number of Lodges from the north. Another came up from Montreal per G. T. R., numbering about 1,500 people; boats also plied between Ogdensburg and Prescott bringing full loads each time. The procession of the brethren was without doubt the largest ever witnessed in this town, and passed off in a most orderly manner. The procession after parading the streets proceeded to the Fair Grounds, where speeches and addresses were delivered by prominent members of the order. Altogether the demonstration was highly successful, and probably the best of the kind ever witnessed in Central Canada.

THINGS IN GENERAL.

—Ex-Marshal Bazaine has taken up his residence at Ramsgate, England.

—Mrs. Sartoris, daughter of President Grant, has given birth to a son.

—Farmers' faces are not nearly so long as they were two or three weeks since.

—California complains of too much immigration. Roving Canadians take notice.

The Masonic Fraternity in Egypt has started a newspaper in the Arabic language devoted to the interests of the Order.

—Bird's eye views of Canadian towns are just now in fashion with the photographers.

—Velocipedestrianisticoalistarianologist now terrifies all of the spelling champions.

—Latest advices from South America estimate the number of lives lost by the earthquake at 5,000.

—The Principal of the New Normal School at Ottawa is a Roman Catholic. The other teachers are Protestants.

—The Cunard steamer Scythia lost a blade of her propeller shortly after leaving Liverpool, by coming in contact with a whale.

—Delirium Tremens caused a passenger on the "Hibernian" to commit suicide by cutting his throat, when three days out from Liverpool.

—A mass meeting of Radicals is to be held in London, to protest against the grant for expenses of the Prince of Wales' visit to India.

—Upwards of ninety persons were drowned in the harbor of Valparaiso on the 29th ult., during a terrible storm which took place there.

—Somebody has said that cloves sprinkled in an umbrella will keep it from moths but it wasn't a moth that got away with our alpacca.

—A regatta, open to all second class yachts, will take place at Trenton on July 20th. The prizes will be: 1st, $25; 2nd, $15, and $10 for the third.

—A young lady who has no time to spare to make garments for the poor has been engaged for three weeks embroidering a blanket for own her little poodle dog.

—Mark Brown was executed at Monticello, N. Y., Friday, for the murder of Sylvester Carr, of Morton, Sullivan county. He made a long speech from the scaffold. His wife and child remained with him to the last.

—The fact that the Hon. Mr. McDougall has concocted an intrigue for the purpose of overthrowing the Ontario Ministry is spoken of in well-informed circles here. He has made approaches towards certain Liberal members.

—The total population of the town of Pembroke now numbers 2,480. Of these 1,326 are Protestants, and 1,154 Roman Catholics. An increase of 134 over the census of July 1874, is shown.

—A wedding took place in Consecon village on the 6th inst., the contracting parties being Mr. John Young, aged 84, and Mrs. Pennock, aged 82. The young couple have our best wishes for their future prosperity.

—They are Conservative in England. George Carpenter Hall died there the other day and left legacies to three servants. His housekeeper had been with him fifty years, and his man servant thirty five years. To the first he left an income for life.

—A young bank clerk, named Morgan, ran away in May from a Virginia bank with about $1,500 of funds and came to Montreal, where he stopped at the Ottawa Hotel. Being tracked he cleared out and the trunk containing the money was taken charge of on Saturday by the bank agents.

—A tramp was found in a Grand Trunk freight car at Toronto insensible and almost dead. He had got in of some station on the other side, and in pulling the door shut locked himself in with a spring lock. He was taken to the hospital, having been without food and water for three days.

OFF FOR PLEASURE.—The following young gentlemen, members of the B. B. X. C. Club, started this afternoon on the steam yacht J. J. Morley for a cruise among the Thousand Islands: J. T. Mott, E. G. Baxter, L. C. Kinyon, W. A. Failing, A. E. Bateman, H. S. Wright, W. H. Sentell, G. T. Lyon, A. E. Merriam, Richard Herrick, Hugh Littlejohn, W. Richardson, Fred. Conde, C. H. Bond, Fred Collins, Sam. Lathrop, S. C. Cook, Charles Pardee. Judging from the amount of stores put on board the Morley the party is well provisioned for a week's cruise. Kingston, Gananoque, Clayton, Alexandria Bay, Brockville and Ogdensburg will be visited and we now give the handsome young ladies of those towns due notice that there are several good catches in the party.—*Oswego Palladium.*
