CHRISTMAS MORN.

Christmas morn! what shouts of pleasure
Usher in the dawning light;
What rich stores of hidden treasure
Burst upon the raptured sight!
All the air pulsates with gladness;
Christmas voices full of glee,
Ring out joyful, care and sadness
From each happy hearthstone free.

Earth with greater exultation,
Greets this blessed and hallowed day,
And throughout each Christian nation
Earnest men rejoice and pray,
Ah! what memories solemn, tender,
Cluster round the Saviour's birth!
Ah! what visions full of splendor
Lift our thoughts away from earth!

Love and faith, serenely smiling,
Beckon us from distant skies,
Heavenward our souls beguiling
Where the angels anthems rise,
Hopes divine our pathway brighten,
Scatter clouds of sin and woe,
Every heavy burden lighten,
Sweet content and peace bestow.

Love us then, with merry voices,
Celebrate this blessed day,
Nature too, with us rejoices,
All the world is bright and gay.
And the angel choirs are singing
Far beyond our mortal ken,
While the Christmas chimes are ringing,
"Peace on earth, good will to men."

ST. VINCENT OF PAUL.—Some changes have been made in the management of the St. Vincent de Paul Penitentiary. Dr. Tasse, superannuated, will be succeeded as Warden by Dr. Duchesnay, of Terrebonne; Deputy-Warden Dow, ex-M. P., for Two Mountains, will be succeeded by Mr. McKay, Accountant, whose place will be filled by Mr. Forget of Terrebone. It is intended to enlarge the Penitentiary so as to give accommodation sufficient to hold all the convicts of the Province of Quebec.

AROUND HOME.

THE ASSAULT CASE.—Mrs. Joynt has called on the Gananoque *Reporter* man to say that the charge against Wesley Acton for criminal assault on her daughter will be pressed. Mr. Joynt did not propose a marriage, but the young man offered to marry the girl on Christmas Eve if legal proceedings were not taken, and his offer was rejected.

THE TOLL QUESTION.—A large meeting was held at Dowley's School House on Thursday evening last to discuss the question of putting tolls on the roads. Several parties from Gananoque and the members of the Council were present, and a lively debate took place. An overwhelming majority decided against the tolls.

SUDDEN DEATH.—On Sabbath, 19th inst., while Mr. Russel Bartlett, chair maker, of Smith's Falls, was coming home from church, he fell down and expired. He was widely known and esteemed. Though ninety-two years old his mental faculties were unimpaired, and he was as active physically as most men of fifty. He had been a resident of Smith's Falls 44 years, and started the first Sunday School there.

CHURCH OPENING.—St Andrew's Church, Wellington (under the charge of Rev. C. H. Mockridge) was opened last Sunday, after having been enlarged and greatly improved. The Rev. J. J. Logert, Rector of Napanee, preached in the morning and afternoon. The Rev. E. Loucks, Rector of Picton, preached in the evening. The Church presents a very fine appearance. It is cruciform in shape, the old part forming the new at the back and forming transepts. This is the second church which has been enlarged and restored in this mission under the guidance of Rev. Mr. Mockridge, Christ Church, Hillier, having been reopened just a year ago.

YES, MARRY, YOUNG MAN.—You can get married in any part of Canada you like now. The Government has said so. You could get married in any part of Canada you liked before, but still it must be a source of satisfaction in after years to look back and know that the Government was quite agreeable that you should make a fool of yourself if you wanted to, and where you wanted to.—*Sun.*

THE SUCCESSFUL PHYSICIAN.—There is probably no man to whom the community owes so much as to the honest, fair spoken physician, who does his actual duty both to himself and to his patients. Really skillful physicians are not so numerous that their virtues need no mention, and hence the advertisement of Dr. R. V. Pierce, of Buffalo, may well claim the reader's attention. Dr. Pierce is a type of a class of men who obtain success by careful and well-directed effort, not attempting too much, or creating false ideas as to ability. The only reliable physician in these days of complicated disorders and high-pressure living is the 'Specialist,' the man who understands his one branch of the business. Such in his line is Dr. Pierce. For the benefit of his readers he has written a 'Common Sense Medical Adviser,' which is well worth reading by those who need such a work. With strict business honor, high professional skill, reasonable fees, and a large corps of competent assistants, Dr. Pierce will doubtless make his name familiar as 'household words.'—*St. Louis Globe.*

It has great affinity for the human skin—is rapidly absorbed and imparts lutre and strength.

Questions Easily Answered.—Why should men wear beards? Because they are a great protection to the throat or lungs, and add much to their personal appearance. Why should we use Bryan's Pulmonic Wafers? Because when used for coughs, colds, tickling in the throat, hoarseness, &c.; they act like a charm. Ministers and lawyers use them, physicians recommend them and singers and public speakers say they are the very best medicine in existence for the cure of such complaints. Sold by all druggists and country dealers. Price 25c per box.

READ THIS TWICE.—Five to thirty drops of THOMAS' ECLECTRIC OIL will cure common Sore Throat. It never fails in Croup. It will cure a Cold or Cough in twenty-four to forty-eight hours.
