MUNYON'S RHEUMATISM CURE

When Prof. Munyon says his Rheumatism Cure will cure rheumatism there isn't any guesswork about it—there isn't any false statement about it. It cures without leaving any ill effects. It is a splendid stomach and nerve tonic, as well as a positive cure for rheumatism.

All the Munyon remedies are just as reliable, special. The Guide to Health is free. Munyon, New York and Philadelphia.

Big Sale Of Baby Waggons.

Harrowsmith, May 21.—Rev. Mr. Forsythe conducted communion service in St. Peters' church last Sabbath morning. A meeting of the quarterly board was held in the Methodist church on Monday evening. Our little village is getting to be quite a shipping station. During the last three months W. J. Shibley has shipped $22,000 worth of cattle. On Thursday he will ship $3,700 worth more. He has also disposed of twenty-six horses in that time. Add to this the hogs shipped by J. S. Gallagher, a large amount of money must have been paid to the farmers of this vicinity. We think our census enumerators were a little premature; if their work had to be done now they would find quite an increase in population, as W. J. Shibley received a consignment of baby carriages on Monday and our genial assistant postmaster has proved himself a very efficient salesman, having disposed of them all but one. W. P. Gillespie, representing the British Whig, was here to-day and secured a number of new subscribers for the Daily. James N. Williamson, electrician at Rockwood hospital, is visiting his parents. Mrs. L. Clark arrived home to-day after spending several months with friends at Fredericksburgh.

Resolution Of Condolence.

At a special meeting of the cheese and butter company, Seeley's Bay, May 16th, to fill the vacancy caused by death of John Chapman, its president, a motion by Dr. Bowen, seconded by George Moore, was unanimously approved by a standing vote, expressing heartfelt sorrow at the demise. Appreciation was expressed of his constant service in discharge of duties in the factory; he was exemplary in spirit and conduct, and by genial and charitable actions endeared himself to his fellows in the factory. Deep sympathy with his widow and family with a prayer that they may ever enjoy the loving of that God whom the late brother faithfully served. John P. Bower was elected president; A. Leadbeter is manager.

A BRAVE WOMAN.

The Seaforths' Grateful Acknowledgment to Her.

The Cape papers report how the Seaforth Highlanders have shown their appreciation of the heroic deed of a lady in rescuing and succoring one of their comrades. During fighting in the streets of Jagersfonteun, on Oct. 16th, last, private Brown, it appears, fell wounded outside a house in which a Miss Newton resided. Hearing groans, she went outside to ascertain the cause, and when Brown saw her he cried, "For God's sake, lady, pull me out of this." Miss Newton at once took hold of him under the arms, as well as she could, and dragged him into the verandah out of the line of fire. Bullets were flying along the street thickly at the time; but Miss Newton remained with the wounded soldier, doing what she could for him until the ambulance arrived. The men of the Seaforth Highlanders gratefully remembered this act of mercy, and when they succeeded in ascertaining that Miss Newton had migrated to Grahamstown, they sent her by post a beautiful gold bracelet watch, bearing the inscription: "Presented to Miss A. E. Newton, from the Seaforth Highlanders, in admiration of her heroic conduct in assisting their wounded comrade under fire, October 15th, 1900."
