Town welcomes new doctor

The town's newest family physician is Dr. Melissa Ying.

With financial support through the Physician Recruitment Program, Dr. Ying is excited to be returning to live and practise family medicine in her hometown.

After attending medical school at what's now known as Western University, graduating with a degree in Medicine in 2005, she trained in General Surgery at the University of Saskatchewan and certified as a Fellow of the Royal College of Physicians and Surgeons of Canada.

Her experience as a surgeon enhanced her awareness of the importance of early care and detection and led to her decision to return to Western University to specialize in Family Medicine. Dr. Ying completed her residency at the satellite site of Hanover, Ont. where the rural training environment offered her a well-rounded approach to the specialty of family medicine and has completed her certification with the College of Family Physicians of Canada.

The program provides a \$5,000 grant and a \$10,000 interest-free loan repayable over five years; the funds can be used for the purchase of equipment or to set up an office. The doctor agrees to maintain an active practice for a minimum of five years.

"The Physician Recruitment Program has been an overwhelming success in attracting highly talented physicians to our community. We are very excited to welcome Dr. Ying and her com-

Mayor Rick Bonnette welcomes Dr. Melissa Ying to the town, with a cheque (\$5,000 grant and \$10,000 interest-free loan) to help her set up her new practice Submitted photo

mitment to primary care and early detection," said Halton Hills Mayor Rick Bonnette.

"I believe in clear communication and involving patients in their own health. I will build on my previous experiences in surgery when focusing on primary care, prevention, and early detection with family practice patients of all ages," said Dr. Ying.

Dr. Ying is accepting new patients at 83 Mill St. For an appointment please call 905-877-4111.

The Town of Halton Hills works closely with the Region of Halton to attract and retain family physicians to the community. For more information about the Physician Recruitment Program contact the Town at 905-873-2601 ext. 2345.
