AFFECTION IS MANIFESTED

DURING THE DELIVERY OF THE BISHOP'S CHARGE.

The Business Considered at The Synod of The Diocese of Ontario — Quite an Experience Meeting.

At three o'clock, Tuesday, the synod of Ontario resumed. A letter from provincial Lord's day alliance, asking for hearing for a deputation upon the sanctity of the Sabbath. This was granted, and Wednesday afternoon named for the visit.

From Rev. J. W. Pyke, Halifax, repeating his plea for greater consideration of his case, with a view to re-engagement in church work. The synod decided it was a case for the bishop, not for the synod. His lordship suggested that the letter be left on the table. He had befriended this clergyman by a kindly letter, which he had misused, and had abused him for not raising him to the priesthood. The synod took no action.

From Rev. J. C. Farthing, Woodstock, chairman of committee, asking for co-operation in having the standing of widows and orphans' benefits made national. Now they are purely diocesan. On motion of Prof. Worrell, referred to a special committee, to be named by the bishop. Those chosen were dean Smith, chancellor Walkem, Prof. Worrell, judge Macdonald, Edw. J. B. Pense, E. H. Smythe.

A communication from synod of Huron asked co-operation in a movement for half-fare on railways.—Concurred in.

St. Luke's parish, Kingston, petitioned for leave to sell parsonage, as an inconvenient site.—Referred to committee on memorials.

Report of finance committee, reporting state of accounts for year passed for synod current expenses. The estimate for next year was $3,183, including $100 for provincial synod, $200 for bishop's travelling expenses, $1,200 for secretary's salary, see house interest, $500, debt to S.P.C.K., $113. The revenue comes from consolidated fund, $1,600; assessing of parishes, $818; mission board, $450. This leaves a debit balance of over $300, added to $438 existing before. Some reductions to parishes on assessments for expenses, as recommended, were challenged by Revds. J. W. Jones and W. Wright, but were passed, to get the parishes once more in full working standing. A list of arrears still due was read, of other parishes, and some explanations given in some cases.

The bishop denounced vigorously the existence of these arrears. He blamed the clergymen. Laymen needed waking up occasionally. These arrears are not honorable, leaving to others their just share of burdens. Some machinery should be brought to bear on delinquent congregations. It was highly discreditable to default in payments year after year as shown in a few cases. An obligation rests on every clergyman to have all wiped off and to start with a clean slate.

George Creeggan explained that All Saints' church, Kingston, had paid promptly till this year. The default was due to local causes. The people would pay in ten minutes if the slightest advance was made towards them by their clergyman.

Rev. J. W. Forsythe explained the neglect of Oxford Mills, charging it to obstinacy of the senior congregation.

Rev. C. P. Emery suggested a general investigation into these matters and the reasons adduced for default would be a valuable collection of curios. An appeal to each parish with proper explanations would lead to payments.

The discussion was drawing a weary length along, very like an experience meeting. The bishop called a halt as the hour for his charge had been passed long since. The report was laid over and his lordship read the interesting and forcible address which has already appeared in the Whig. The delivery was frequently applauded. The pungent criticisms were effective. It was a new experience for the bishop's charge has disappeared of late years. The delivery occupied fifty-five minutes, but the attention was continuous.

At the beginning of the obituary of the queen members of the synod rose spontaneously and remained standing till the last of the tributes to the dead had been read. It was a highly impressive scene. The bishop's clear and sympathetic voice gave a pathetic touch to his kindly words. The tenderness with which he treated the late archbishop, his tribute to his character, unappreciated of late years in its real, generous, kindly and forgiving qualities, touched the hearts of his old followers; the eyes of many who are manly were dimmed. The old affection, latent, perhaps, for age and absence have blighting forces, was revived, and he was their own bishop and archbishop again close to their hearts. All the synod was moved to deepest feeling as regret followed regret for the three other beloved fathers in Israel. At the close there was perfect silence, and judge Macdonald moved an adjournment, though an hour of session was still left. It would be out of harmony to take up business and discussion after such a deliverance and such a deep impression. The charge was formally referred to the chancellor, dean, secretaries, archdeacon, Prof. Worrell, judges Macdonald and Wilkison, Messrs. Pense, Dargavel and O'Loughlin.

The lay delegate roll was more complete in the afternoon: Barriefield, E. J. B. Pense; Brockville, judge Macdonald, E. J. Reynolds; Camden, B. S. O'Loughlin; Cataraqui, Smith Elliott, Thomas England; Clarendon, Gilbert Osler, George Bawden; Deseronto, Henry Briscoe; Elizabethtown, Edward Davis; Gananoque, W. B. Carroll; Kingston, R. T. Walkem, E. H. Smythe, R. J. Carson, R. V. Rogers, James Shannon; Kitley, Thomas Price, William Dodd; Leeds Rear, J. R. Leake, Dr. Gardiner; Napanee, R. G. Wright, judge Wilkison; New Boyne, and Lombardy, J. B. Joynt, George E. Merrison; Portsmouth, J. B. Walkem, J. W. Henstridge; Rawdon, James McCoomb; Roslin, R. Porter; Tamworth, W. J. Hinchey; Marysburg, George Creeggan; Amherst Island, J. S. Neilson; Belleville, E. H. Farrow; Lansdowne Front, G. F. Deane; Pittsburg, David Rae; Parham, Johnston Brown; Shannonville, William C. Macdonald; Stirling, Maj. Halliwell. Some delegates' names are still omitted, as they were not in the house at roll call.

Of the clergy these arrived after the morning roll call: W. P. Reeve, J. R. Serson, O. G. Dobbs, E. Scammell, G. Metzler, A. G. Smith.

This Morning's Session.

Synod resumed this morning at ten o'clock, and after prayer by Rev. Prof. Worrell, the report on finance was again considered.

Rev. W. P. Reeves, of Oxford Mills, defended that parish, upholding its loyalty and declining to go into personalities indulged in at the previous session by Rev. Mr. Forsythe. For the first time in ten years a lay representative is now in synod to represent the parish. Canon Burke thought the $31 due by Oxford Mills should be paid, but that its representative should be allowed to take a seat in synod on payment of $20, the balance to be paid later. This suggestion met with approval. Judge McDonald claimed that the request of Hillier to have assessment due struck off should not be granted. It was agreed to strike out the clause regarding both Oxford Mills and Hillier from the report.

Resolutions of a deep sense of loss by synod through the death of the archbishop, the clerical secretary and the archdeacon of Kingston were presented by dean Smith and Prof. Worrell, Rev. J. K. Macmorine and R. V. Rogers, archdeacon Carey and Edw. J. B. Pense. There were tributes to the many admirable qualities of the deceased to which the Whig has given frequent expression. The delegates heard the resolutions in standing position and passed with apparent feeling.

Judge McDonald presented the memorial biographies of deceased clerical members—Rev. F. W. Dobbs, Rev. R. W. Rayson— in addition to those of archdeacon Bedford Jones and canon Spencer, giving records of life.

The courtesies of synod were extended to Rev. H. E. Horsey, Abbotsford, Que.

Dr. Smythe, K.C., presented the treasurer's report, showing the capital of consolidated fund to be $390,127, of which cash on hand is $10,120.95. The consolidated fund showed a gain of $10,174.39. Receipts on account of capital fund were $17,867.38, showing a gross income of about four and a half per cent. out of which, after deducting expenses and a transfer of one-quarter per cent to rest, a dividend of four per cent. was declared.

The different trusts are: Clergy superannuation fund, $4,450; clergy trust fund, $135,894.66; diocesan augmentation fund, $17,462.81; divinity tudents' fund, $3,000; Gainford mission fund, $9,718.95; Gainford parochial fund, $4,859.47; McLaren trust fund, $500; sustentation fund, $17,900; widows' and orphans' fund, $16,181.12; rectory lands fund, $176,477.97; Amherst Island parsonage fund, $720; rest, $2,962; episcopal fund, $57,699.

Debit balances—See house, $5,253.42; widows' and orphans' fund, $1,675.23; rectory lands, $312.09; assessment fund, $257.75. Credit balances—Clergy trust fund, $806.97; clergy superannuation fund, $59.54; divinity students' fund, $443.58; episcopal fund, $1,034.22; mission fund, $60.

On motion of Dr. Smythe and Rev. S. Tighe, the report was adopted.

Edw. J. B. Pense presented the report of the committee upon bishop's stipend, in view of altered circumstances. Through the archbishop's death, the present arrangement with the lord bishop ended May 31st. He will recive seven months' stipend as co-adjutor, $1,750. To meet this $512 was received from parish offerings, $816 from episcopal fund, and $422 had to be taken from interest on augmentation fund. His lordship agrees to accept $3,000 a year and the use of the residence while the see house and other funds urgently need sustentation. One-third of the episcopal fund had to be paid to Ottawa diocese immediately, leaving $38,370. This at five per cent. will yield $1,918; the Macaulay trust fund must be paid the bishop in full annually out of the commutation trust, $315; leaving $737 to be provided for. The committee recommended that $17,000 be appropriated from augmentation fund, which would supply the deficiency on a basis of four per cent. as it is not possible to keep more than two-thirds of the money of large trusts invested constantly in mortgages. Reasons were given for future increase of the fund from this $55,000 to $60,000 or $70,000 out of the incoming subscriptions for augmentation. The committee reported lists of parishes paying towards co-adjutor's salary; two which had collected in 1899 had not paid in; three had paid in part; and ten had not

FAMILY FOOD.

Crisp, Toothsome and Requires No Cooking.

A little boy down in N. C. asked his mother to write an account of how Grape-Nuts Food had helped their family.

She says Grape-Nuts was first brought to her attention on a visit to Charlotte, where she visited the Mayor of that city, who was using the Food by the advice of his physician. She says, "They derive so much good from it that they never pass a day without using it. While I was there I used the Food regularly. I gained about 15 pounds and felt so well that when I returned home I began using Grape-Nuts in the family regularly.

My little 18-months-old baby shortly after being weaned was very ill with dyspepsia and teething. She was sick nine weeks and we tried everything. She became so emaciated that it was painful to handle her and we thought we were going to lose her. One day a happy thought urged me to try Grape-Nuts soaked in a little warm milk.

Well, it worked like a charm and she began taking it regularly and improvement set in at once. She is now getting well and round and fat as fast as possible and on Grape-Nuts.

Sometime ago a number of the family were stricken with La Grippe at the same time, and during the worst stages we could not relish anything in the shape of food but Grape-Nuts and oranges, everything else nauseated us.

We all appreciate what your famous food has done for our family."

PROMOTIONS FOR THE MEN.

IN THE REGIMENTS AT BARRIEFIELD CAMP.

Col. Lessard Will Inspect the Cavalry Brigade To-morrow —Officers of the Ottawa Bearer Company—Notes About the Camp.

Yesterday was a hot day for the volunteers in camp at Barriefield. Beneath the blazing midsummer sun the boys in red and blue learned the art of war upon the parade ground, while perspiration stood upon their brow and their faces took on a tan-colored look. It was hard work in the heat for the recruits, but it did them good. In the tactics and attack drill, carried on both forenoon and afternoon, most of the troops in camp were given a splendid exercise. They were spread over the surrounding hills and fields, deployed into line, came up at the double, attacked and retired by companies or by regiments and were put through field manoeuvres that taxed their cleverness and endurance. To-day the regiments were to have been exercised at the same kind of drill. The camp and parade grounds are now in very good condition, except around the 47th lines, which are very low and swampy.

Over twenty men were in the hospital yesterday, some with rheumatism, some with vaccination sores, some with influenza, etc. "Public" Ferguson and "Private" Ferrier, the dispensing sergeants at the surgical tent, are kept more than busy, but it keeps them out of mischief. "Public" is kept busy pulling teeth. An old rusty forceps, used in the war of 1812, is utilized. The men don't like looks of the pinchers, but when "Public" assures them it will not hurt, they take his word for it, for all of which they are duly sorry soon afterwards.

There were not enough cots in the field hospital to accommodate all the patients on Tuesday.

The surgical case supplied is one of the most complete ever seen. Nothing is lacking to it.

Pte. Cranston, of the 46th, who went into dry-dock yesterday because of heat prostration, is well-known in Kingston. He clerks in the bank of Toronto at Peterboro and was a member of the Peterboro "Colts," the hockey team which played here last winter.

No. 2, the Ottawa field hospital company, is in command of Capt. C. W. F. Sorrel, assisted by Capt. A. D. Shillington, Lieut. J. L. Chabot, Sergt.-Inst. Gillisee. The company is up to full strength. Rev. Mr. Gorman, rector of Grace Anglican church, Ottawa, accompanied the boys to the camp. The Ottawa company has what the rest of the men call "a snap"—three days' work and twelve days' pay; a long trip in on the Rideau Queen with 75c. meals, and the same voyage home. The Ottawa fellows certainly tumbled into something pretty easy. The corps drill well, and is composed of fine young fellows and jolly officers.

Maj. Abbott, one of the hardest working men in camp, lectured yesterday afternoon to the officers' class concerning hospitals on lines of communication and at the base.

Sergt.-Maj. Murray, of No. 2 field hospital corps, emerged from the hospital on Monday, and at once got to work. Yesterday he put the regimental bearers through stretcher drill.

The new ambulance was used on Monday for the first time, by the field hospital and bearer company.

On Monday night some mischievious fellows put the barber pole over a canteen and the canteen sign on a hospital outbuilding. The W.C.T.U. sign was placed over a guard's tent, while the sentry was at the opposite end of his long beat.

It is proposed, weather permitting, that the troops in camp shall be exercised in tactics on Thursday, orders for which were issued to-day.

A divisional order issued on Monday says: "No. 2 bearer company, having joined the camp, is taken on the strength of the division from the 24th to 26th inst., both days inclusive; strength, one major, two lieutanants, six sergeants, one bugler, twenty five rank and file."

Over 350 men attended the Y.M.C.A. service on Monday night, which was conducted by W. P. Crombie, the evangelist. A number of soldiers have professed conversion. R. W. Robertson, George Mills, O. Chown and other Kingstonians lend daily assistance. About 200 letters are written in the tent, by the men, each day.

In the divisional orders on Monday appeared the following paragraph:

"These warrant and non-commissioned officers and men are posted to the divisional staff from the 17th inst.: Col.-Sergt. Finley, 43rd regiment; Sergt. O. R. C. Moore, the Royal Canadian regiment; Sergt. Staff Clerk Bailey, districts Nos. 3 and 4; Sergt. Morrison; Sergt. Creeggan, 14th regiment."

Some Bugle Blasts.

A muster parade for pay, for the different regiments, was held early yesterday morning. The 4th Hussars and 3rd Dragoons had muster parade this morning.

Col. Lessard, of the Royal Canadian Dragoons, Toronto, will be in camp Thursday morning to inspect the lines of the 4th Hussars and the 3rd Dragoons. A general inspection will take place, and the men are hard at work preparing for it.

The officers of the cavalry brigade speak in high terms of the hay and grain furnished by contractor "Jack" Carson. The hay was never of a better quality than this year.

About $30 worth of dishes were destroyed by the blowing down of the marquee in the 47th regiment's lines on Saturday night. Two full companies were ordered out to put up the tent while the rain was falling in torrents. Had it not been for the hard work of caterer Sam McCullough the damage would have been greater.

Mrs. (Maj.) Ferguson, Inverary, visited her husband, of the 47th, yesterday. Mrs. (Lieut.) Ruttan and Miss Cranston, Sydenham, visited the former's husband on Monday. The 47th has more fair visitors than any other regiment in camp. It is said the young quartermaster is to blame.

A caning took place in camp last evening when the members of No. 4 company, 49th Hastings regiment, presented Lieut. C. M. Walbridge with a handsome silver-mounted cane, suitably inscribed. Lieut. Walbridge is very popular with the men.

The 40th regiment has in its ranks an amateur hypnotist who nightly gives entertainments for the amusement of his comrades.

The police say that the soldiers in camp are the quietest who have ever attended camp here. So far not a word of complaint has been uttered against them.

A March Through The City.

The two infantry brigades, composed of nine regiments, and the cavalry brigade, composed of the 3rd Dragoons and 4th Hussars in camp at Barriefield, will parade through the city on Friday morning, weather permitting. They will leave their parade grounds at 10 a.m.

A bunch of privates belonging to the 47th regiment "vamoosed" yesterday. They went in the direction of Sydenham. A corporal's guard is after them, and they will probably be court-martialed.

A Whig man took the G.T.R. flyer at the city depot at 12:20 o'clock, was in Buffalo at 7:50 o'clock, and had a three hours' view that night of the brilliant illumination of the Pan American exposition. A traveller can make time by going over this unequalled route.

The midway at the Pan-Am. is a babel of noises. The free shows on the outside are worth seeing. The panormanic and scenic shows are fine; the vaudeville exhibitions highly spiced. The savage and semi barbarous tribes are represented in various villages; they live as at home.

Shoemaker's Backache.

Dr. Pitcher's Backache Kidney Tablets a Positive Cure For This Complaint.

The constant bending over that of necessity a shoemaker must do when at work, comes hard on his back and hard on his kidneys. Backache and lame back are the great bugbears of a shoemaker's existence. That Dr. Pitcher's Backache Kidney Tablets can ease the aching back and cure the kidney trouble is amply proven in the following case:

J. O'Shea, corner Main and Market streets, Lucan, Ont., the well-known shoemaker of that village, says: "A shoemaker's work requires lots of sitting and leaning forward, and invariably, as in my case, in time brings on a pain in the small of the back and Kidney trouble. This has been my complaint for two or three years, and I was about tired of it. Some one told me about Dr. Pitcher's Backache Kidney Tablets, and I got a bottle at John Farrell's drug store. The taking of this one bottle was followed by complete relief. This is naturally a big lift to me in my work, and I am correspondingly grateful. I can recommend the Tablets conscientiously to others."

If you are anxiously desirous of being cured insist on having Dr. Pitcher's Backache Kidney Tablets. Price 50 cents a box, at all druggists. The Dr. Zina Pitcher Co., Toronto.
