Fortunately none of the members of the family was hurt. The oldest boy was upset off the chair he was sitting on and quite badly stunned by the shock. It was a very narrow escape as the lightning passed through the room where they were all sitting. This is the third time that lightning has struck on Mr. Brown's premises. The Presbyterian church at Sand Bay is being repaired, and for the next few weeks their services will be held every Sunday afternoon in the Dulcemaine Methodist church.

In the early spring some vicious dog bit off the tail of one of our neighbors' cows, and since the flies came the poor animal did suffer because she could not whisk them off, but a kind-hearted young man formed the original plan of a patent tail and fraying out a piece of rope, made it fast to the stump, and now that contented cow quietly grazes and whisks the flies from her very ears, with her rope tail. P. Sullivan is at present working at his trade in the vicinity of Lyn. Mr. and Mrs. W. T. Parsons sailed to Charleston on Monday. W. T. Warren, Wells island, spend Sunday with his friends.

Lanark County Notes.

Perth, July 23.—Seventeen citizens of Perth left by the C.P.R. last Tuesday to spend their holidays in the Canadian north-west at various points in Manitoba and the territories. The Webster company have closed up their mine, near Micaville, and also their mica cutting and packing shop here, as mica is very low at present. The Bell farm, Bathurst, which is the site chosen by the county council for the erection of the new house of industry for the county, was inspected last week by Dr. Chamberlain, of Toronto, inspector of prisons and asylums. Together with a committee appointed by the council, he went carefully over the ground, and pronounced it an ideal place for such an institution. Messrs. Dolan & Sons, contractors for making the granolithic sidewalks, have bought from J. M. Pakderson, the stone forming the ruins of the old Douglas block on Gore street, and will use it for the foundations of some of the walks. The ruins form quite a quarry of stone, all about the right size. The sudden death occurred last week of George Frayne, one of Perth's oldest and most respected citizens. He was taken suddenly ill, overcome by the heat, and died almost instantly. He was a brother-in-law to George Finlay, sr., of this town. His wife died about a year ago. He left no family. John McCallum, street commissioner at Smith's Falls, was knocked down by the derrick of a pump, which he was working at. He was picked up in an semi-unconscious state, but he was not hurt so much as was at first supposed. At the meeting of the Smith's Falls town council, last Tuesday, it was decided to have three watering troughs placed in convenient places on the streets. Peter Morrow, son of J. Morrow, Almonte, arrived home last week, after an absence of five years, most of which time he spent in the American army, chiefly in the Philippines. The Carleton Place lacrosse team went down to Almonte last Friday, to play a return match with the Almonte team. Carleton Place won the game by a score of three to one, but the general verdict was that it was one of the roughest games ever seen in Almonte.

STRATHCONA BUDGET.

Bought Land in Manitoba—Dogs Are a Nuisance.

Strathcona, July 21.—Herbert Woodcock conducted the service in St. Jude's Sunday morning. Every one expressed their appreciation of his address. Rev. Mr. Dowdell sailed on his people in this place Friday; he has made a very favorable impression the short time he has been in Selby parish. A number drove to Newburgh from here Wednesday evening last to attend the silver wedding of Rev. J. E. Moore, who received several fine pieces of silverware. Mrs. and Miss Rook have returned home after spending several weeks with friends in Madoc. Joseph Lasher attended the funeral of his nephew, Fletcher Hartman, Odessa, who was killed at Ernesttown Station. Mrs. and Miss Cherry, Bowmanville, are visiting Mr. Mordant. They spent Sunday at R. Madden's.

Peter McPherson has purchased a tract of land in Manitoba and will not return to Ontario. A. C. Granger is expected here shortly. His health will not permit him to live in Minnesota. Mrs. Knight, Napanee, and Miss Asselstine, Yarker, were callers at the Lott residence Friday last. Three from the public school passed the entrance at Newburgh—Kenneth Richards, Willie McHenry and Fred. Frick Garrison. Miss Edna Martin, of this neighborhood, passed also. A drove of dogs made one night hideous last week. Half the miserable curs in the country should be disposed of. They are a danger and a menace. William Shannon is on the sick list. Mrs. Robert Shetter has recovered from a severe attack of illness. A game of football was played Saturday between Odessa and Strathcona at this place. One to nothing in favor of Strathcona was the result. H. Davy had the misfortune to find one of his bones partially paralyzed. It was supposed to be caused by lightning.

NAPANEE NOTES.

A Big Runaway—Berry Season Now On.

Napanee, July 21. The excursion to Ste. Anne de Beaupre yesterday was well represented from this district. A runaway on Monday afternoon attracted considerable attention. A spirited team, owned by Thomas Norris, made a dash and in a twinkling the waggon was on its side. Mr. Norris pluckily held on, and guided the maddened animals into the Paisley house yard, where they were got en under control. The waggon was considerably damaged. Many people who witnessed the affair expected to see the man dashed against the building and killed. His escape from injury was miraculous.

A few of the horses about town have adopted the latest style of head gear, viz., hats. One horse had his head piece trimmed up with forget-me-nots.

Rev. W. W. Peck is rejoicing over the ownership of a son and heir. The weather still continues hot and dry. The berry season is just about at its best, five cents per box is the ruling price.

Pale, Anaemic Young Women.

Anaemia, or thin, watery blood, is increasing to an alarming extent among the school girls and young women of our land. Pale gums, tongue and eyelids, muscular weakness, inability for exertion, deficient appetite, impaired digestion, short breath, palpitation of the heart, attacks of vomiting, swooning, hysteria and irregularities of the feminine organs are among the unmistakable symptoms of anaemia or poor quality of blood.

Anaemic persons are frequently said to be going into a decline, and as a fact do usually contract consumption or some fatal constitutional disease if they neglect to restore normal vigor. Fresh air, sunlight, moderate exercise and the regular use of Dr. Chase's Nerve Food after each meal will restore new vitality to the body and new color to the cheek of any anaemic person. Gradually and thoroughly it forms new red corpuscles in the blood and wins back perfect health and strength

Dr. Chase's Nerve Food.

50 cents a box, 6 boxes for $2.50; at all dealers or Edmanson, Bates & Co., Toronto. Agents wanted for Dr. Chase's Last and Complete Receipt Book and Household Physician.

The Pill Of the Past.

In this country, for irregularities of the digestive tract, the use of pills was most common, until Abbey's Effervescent Salt introduced the more pleasant and effective saline form of medicine. The experience of the vast majority who have used both styles of remedy has been that the salines may be taken more regularly and without the reactionary effect of pills and tablets. This is confirmed by the medical profession.

Abbey's Effervescent Salt is a perfect saline, containing all the beneficial features of natural mineral waters without their objectionable ingredients.

Abbey's Effervescent Salt is a gentle laxative and antacid that quickly rectifies all disorders of the stomach, liver and bowels.
