The Tidings From Various Points In Eastern Ontario—What People Are Doing and What They Are Saying.

Glendower Gleanings.

Glendower, Aug. 6.—Farmers are through haying and commenced cutting grain. A number from here attended the excursion to St. Anne and returned home in good spirits. The K. & P. train made its appearance at Glendower on Monday for the first in a year. Many wish to see it every day. John Killey purchased a new self-binder. Visitors: Miss M. O'Connor and Miss G. Hastings, Toronto, at Thomas Hastings'; Master James McGuire, Portsmouth, at D. Coulter's.

Cushendall Matters.

Cushendall, Aug. 6.—Mrs. W. Woods, jr., is in the city, the guest of her sister, Mrs. Joseph Donaldson, Rideau street. Two local young men and two of their lady friends, driving near Kingston Mills on Friday, came to grief. The horse ran away and badly wrecked the buggy. None of the party were hurt. Farmers are through haying, and most of them are now harvesting grain. Alexander Martin, jr., visited city friends on Monday.

(Mrs. Walter Woods, jr., is not, and has not been, our correspondent at Cushendall.—Ed.)

Entertained Friends.

Morven, Aug. 5.—Fall wheat and barley is all harvested, and farmers have begun their oats, which are being shipped from the station in large quantities. Perhaps the most pleasing event of the season was a lawn social given by Mr. and Mrs. Seymore Cetler, on Thursday evening of last week, when about fifty of their neighbors and friends assembled about nine o'clock. Ice cream, lemonade, coffee and cake were served in abundance. After due justice was done to the same the remainder of the evening was spent in games and other amusements. All were well pleased with the evening's enjoyment.

Tried Dr. Pitcher As a Last Resort.

A Toronto Lady's Experience With This Famous Specialist's Backache Kidney Tablets.

For many years in the hospitals of Detroit and as professor of Genito-Urinary Diseases in Michigan College of Medicine of that city, Dr. Zina Pitcher gave careful thought and consideration to diseases of the kidneys, bladder, and urinary system.

So profoundedly impressed was he with the fact that many thousands of people suffer from some form of kidney derangement, who were unable to avail themselves of the services of a specialist, that he decided to give to humanity at large his famous prescription for Kidney Diseases, under the name of Dr. Pitcher's Backache Kidney Tablets.

It is of these tablets that Mrs. May Goddard, 332 Adelaide street west, Toronto, speaks in the following terms:—

"After enjoying the most perfect health for many years it was a sore trial for me to realize that my health was failing. I had, in the first place, acute pains in the small of my back, and was losing flesh rapidly. Then other complications arose, which so weakened me that it was only with the greatest amount of determination that I could attend to my work. I tried a number of remedies and consulted several physicians without obtaining more than temporary relief, and as a last resort I thought I would try Dr. Pitcher's Backache Kidney Tablets. Their beneficial action was almost instantaneous, and the results highly gratifying. The pain in my back disappeared in a short time, and my general health improved greatly. I am now feeling fine, and am glad to have this opportunity of expressing my appreciation of so valuable a remedy."

Dr. Pitcher's Backache Kidney Tablets are 50 cents a box at all druggists or sent by mail, postage free.

Burrell Burnham, Yonge Mills, while working on a new barn, had the misfortune to have one of the bents fall on him, breaking one arm and a shoulder blade. Mrs. John Tufts, visiting her parents, Mr. and Mrs. A. P. Guild, starts for her home in Michigan on the 6th inst. Westport, Aug. 6.—Charles Rogers died on August 1st, aged eighty-eight years. He was an old resident of this village, and highly respected. His funeral to the Methodist church last Sunday was very large. Mrs. John Toban died on Sunday aged forty-four years. She was feeling well on Sunday till five o'clock in the evening when she complained of a pain in her head. She retired to her room and in a few minutes she was dead. Her maiden name was Libbie Jordan and she leaves a father and mother, brothers and sisters, besides a husband and family of six small children to mourn her loss. Her funeral takes place to-day to St. Edward's church, and the remains will be placed in the vault. B. Adams, proprietor of the Westport Mirror, arrived home last night much improved in health. Another boy has come to stay at J. White's. The social held in St. Edward's grounds, under the auspices of St. Edward's choir on last Tuesday evening, was a grand success. WEAK MEN!

There are many remedies and few cures for the loss of vital, nerve and muscular strength, for those weaknesses which rob the physical body of its manhood. There is one grand and never-failing remedy when it is applied right. That is electricity. It will cure in every case when given to the body in the right way. It is a mistake for anyone to think that drugs will build up broken-down health. The real strength of the nerves and vital organs is electricity. I have cured 50,000 weak, unhappy, broken-down people in the 20 years I have applied my

Dr. McLaughlin's Electric Belt

and every one of them had spent from $50 to $500 on drugs before they came to me as a last resort. Are you weak or in pain? Are you Nervous or Sleepless? Have you Varicocele, Rheumatism, Weak Back, Kidney Trouble, Weak Stomach, Indigestion or Constipation? Are you lacking in Vitality? I can give you the blessing of health and strength. I can fill your body with vigor and make you feel as you did in your youth. My Electric belt is worn while you sleep. It gives a soothing, genial warmth into the body. This is life—vigor.

I guarantee a cure if I say I can cure. I don't ask anyone to take chances on my invention. It doesn't cost you anything if I fail.

If you are tired of useless drugging and have spent all your time and money without benefits, call or write to-day. I have made over 50,000 people strong and vigorous, and they never tire of praising my wonder-working remedy. Write for my beautiful book, which describes my treatment and gives full information.
