United Way campaign kicks off

The United Way of Halton Hills kicked off its 2015 Campaign this past week with the local company that contributes more than any other to its fundraising efforts.

A barbecue was held at ITW Permatex, a manufacturer of automotive repair and performance chemicals on Brownridge Rd., where it was announced that this year's

United Way campaign has set a goal of generating \$375,000.

For the past nine years, Permatex has had 100 per cent employee participation in workplace pledges and the company matches the contributions, resulting in an annual donation of around \$35,000 to the United Way Campaign.
