GOT TWO YEARS

In the Penitentiary—A Liquor Case Dismissed.

At the police court this morning, Corydon D. Horne, proprietor of the Provincial hotel, was charged by the license inspector with having sold liquor within prohibited hours on Saturday night, April 7th. Four witnesses were examined. All testified that they received nothing to drink and did not see any liquor sold. The case was accordingly dismissed.

James Mullen, on a charge of drunkenness, did not appear, and three dollars and costs, or one month in jail, was put down against him.

Jacob Barrigan appeared for the third time on a charge of stealing some rope off a drilling machine owned by W. H. Potter. After hearing the evidence the magistrate sentenced Barrigan to two years in the penitentiary. His companion in the deed, Henry Fisher, could not be found by the police. Three weeks ago Barrigan was released from the Central prison after serving a year. The rope he stole was valued at $25, but he sold it to Arthur Fields for twenty-five cents.

ANNUAL VESTRY MEETINGS.

THE STANDING OF VARIOUS CHURCHES MADE KNOWN.

The Different Meetings Last Night—Wardens and Other Officers Elected—Innovations in Church Worship Denounced.

Last night the annual meetings of the Anglican church vestries were held. The financial standing of the churches is reported in most cases to be very favorable. Increased interest is manifested by large attendances, and a hopeful outlook is theirs. The report of the various meetings will be found below:

St George's Vestry.

The statements presented at St. George's vestry meeting last night were very satisfactory. There was a slight deficit—about $300; but the pew holders contributed voluntarily, the pew rents bringing in $2,000. A statement of the building estimates was presented by R. J. Carson, showing the expenses and estimated cost of the church. He was tendered a vote of thanks for his work. R. Waldron, sr., was elected the people's warden, and F. W. Spangenburg the rector's warden. These sidesmen were also appointed: M. S. Sutherland, chairman; Dr. Smythe, J. E. Twigg, W. Waldron, John Hall, J. Macdonald and W. H. Sawyer. Dr. Walkem, Q.C., was chosen lay representative to synod. A vote of sympathy for the dean in his recent illness was unanimously passed. A motion by Messrs. Walker and C. F. Gildersleeve was passed, expressing gratitude for his recovery. A resolution of thanks was also tendered Rev. Mr. Lewin for the assistance he has rendered the church during the past year. The curate's (Rev. G. L. Starr) stipend was supplemented by $200. A motion, introduced by Messrs. Walker and Carson, expressing regret on the death of the late William Briggs, for twenty-five years a church warden, was unanimously carried. The following were elected members of the building and finance committee: Dean Smith, Rev. G. L. Starr, Dr. Walkem, Dr. Symthe, R. Waldron, F. W. Spangenberg, R. J. Carson, Col. Smith, Col. McGill and C. F. Gildersleeve. A unanimous expression of appreciation of valuable services of organist Robert Harvey and the choir was passed.

St. James' Vestry.

There was a very warm time at St. James' vestry meeting last night, and it took until after eleven o'clock to consider some questions that came up. The following resolution, introduced by Messrs. Rogers and Sargent, was the point upon which the church members divided: "That this vestry regret the many innovations introduced by the present leader of the choir, such as standing as the clergy pass between the desk and the lectern, and between the pulpit and the chancel; standing at the placing of the offertory on the holy table; singing at the time when the offertory sentences are ordered to be read; introducing pupils and strangers as soloists; using unusual and little-known tunes and constantly changing them; that the wardens be instructed to see that the leader discontinue these and other innovations, otherwise that they dispense with her services." The motion caused a long and spirited debate, but was finally carried by a good-sized majority.

The financial statement was received and adopted. The total receipts were $1,778.89, and there is a balance on hand of $12.40. It has been many years since as favourable a statement has been shown. The people responded well, particularly by the envelope system. The building fund account is now kept separate from the bank account, and not mixed with the moneys of the church as previously done. This fund shows a fair balance. All outstanding accounts were reported paid. The Sunday-school receipts were large. The library instituted this year is now practically clear of debt, which is due in a great measure to the efforts of Rev. J. J. H. Coleman, curate. Votes of thanks were tendered last night to all the officers of the church, to the choir and choir leader, to the rector, etc. J. A. K. Drummond and R. J. Hooper were re-elected wardens. The other officers were also re-elected.

St. John's, Portsmouth.

The annual vestry meeting of this parish was held on April 16th at 8 p. m., in the school house. Rev. F. W. Dobbs, rector, was in the chair. Rev. J. O. Crisp opened the proceedings with prayer. After reading the minutes of last year's meeting, the churchwardens' statement of receipts and expenditure was read, the receipts being $841.35 and the expenditure $839.63. J. Graham and A. Thompson, jr., were appointed auditors. Mr. McLean was appointed rector's warden, and J. B. Walkem was re-elected people's warden. The sidesmen of last year were re-elected with the addition of H. Betts. Mr. Henstridge was appointed vestry clerk and treasurer. His term of office as delegate to the synod having expired, he was re-elected for the next three years. Rev. Mr. Crisp stated that about $120 was still owing on the school house. It was moved by Mr. Watts, sr., seconded by Mr. McLean, and resolved, that the thanks of this meeting be given to the choir for their services; also to the ladies of the congregation for the Christmas and Easter decorations.

St. Mark's Vestry Meeting.

One of the best attended and most satisfactory meetings in the history of this church was held last night. A large number of ladies and many of the young men of the parish were present, and showed an interest which augurs well for the future of the congregation. The past year was an experimental one in so far as an effort was made to raise all money required by means of the offertory alone, and with that end in view the envelope system, in use for some years, was extended very largely. The result has proved the soundness of the method. A surplus of $37 greets the congregation as an agreeable surprise and the promises for the future are in every way encouraging. The best of feeling prevailed at the meeting and the business was conducted in an orderly and prompt manner. Votes of thanks were unanimously passed to the organist and choir, the retiring wardens and all other church officers. It was also resolved to make arrangements for securing a holiday for the rector of six weeks. The officers elected for the ensuing year are as follows: Rector's warden, A. J. R. Medley; people's warden, J. J. Wilmot; vestry clerk, J. A. Wilmot, auditors, George Bawden and P. A. Wilmot; advisory committee, the wardens, vestry clerk, Prof. Butler, W. Ruttan, W. Allan, G. V. Stuart and A. Hora; sidesmen, J. M. Stuart, A. Bawden, W. Ruttan, J. Sibbitt, R. J. Moore, A. Patterson, J. Hamilton and W. Murray; delegates to the synod, Edw. J. B. Pense, A. Hora and J. A. Wilmot. In his opening address the rector furnished some interesting statistics. He showed that within the last nine years the number of families attached to the congregation has increased by over eighty per cent. The collections for parish purposes increased by ninety-eight per cent. and those for purposes outside the parish by ninety per cent.

Christ Church, Cataraqui.

At the annual vestry meeting Thomas Weston and H. J. Simpson were chosen wardens, and H. Counter, John Heaton, E. J. Northmore and T. Elliot sidesmen. H. Counter was elected to synod.

All Saints' church vestry meeting did not take place last night owing to the absence from the city of the pastor. The meeting will not be held for some considerable time.

St. Paul's church vestry meeting was postponed until Friday night, owing to the fact that the auditors had not yet certified to the correctness of the accounts.

TRULY A ROMANCE.

Girl Secures Her Lover's Release From Prison.

Jefferson City, Mo., April 17.—Miss Maude Mallott was married in governor Stephens' mansion Wednesday to George Wilson, who had been released from the penitentiary through her efforts.

Wilson eloped with the girl from her father's home in Kearney, Mo., two years ago, under promise of marriage. After he had taken her away his affection cooled, and he refused to marry her. She returned to her father's home, and the indignant parent had Wilson arrested on a charge of inducing a girl under eighteen years old to leave home. The young man was convicted, and sentenced to five years in the penitentiary.

Miss Mallott was not so unforgiving as her parents. She believed Wilson had been punished sufficiently by being brought to trial, and began a sympathetic campaign to obtain his pardon. She got the signatures of several hundred persons in her home county to her petition for executive clemency, and then haunted the governor's office in this city.

The governor required her father's consent to the pardon. Mr. Mallott was obdurate, but at last yielded.

When Wilson learned how the girl had obtained his pardon, he asked her to marry him, and told her he returned the deep love she bore him. Governor Stephens became interested in the romance, and offered his mansion for the wedding ceremony.

DESERONTO DOINGS.

Bay Clear of Ice and Boats Moving—New Telephone Office.

Deseronto, April 16.—Central telephone office has been moved into its new quarters, Oliver's block, Main street. The office has been neatly fitted out with new equipment, and Miss Anderson has been added to the staff as operator. The fire alarm was turned in from corner Fourth and Thomas streets on Friday night, but no fire could be found. Another alarm was sent in from corner Centre and Main streets on Sunday and again no fire. The town authorities offer a big reward for the party or parties guilty of sounding these alarms without reason. The steambarges Resolute and Reliance are loading. The steamers Ella Ross and Deseronto expect to make regular trips to Picton and Belleville on Wednesday morning. The bay is now clear of ice. The ice-bridge moved down the Napanee river on Sunday morning.

Twins Married To Twins.

Columbus, Ohio, April 17.—A unique double Easter wedding was solemnized here, when Guy Omer Crabbe and Roy Homer Crabbe, twins, were married to Aidrien E. Dotson and Edna A. Dotson, twins. The grooms are twenty-seven years old, and the brides eighteen. The former were born at Mount Sterling and the latter at Harrisville, W. Va. The twins in each case have always lived together, and not wishing to be separated in marriage they decided to furnish a double house. One couple will occupy the upper flat, the other the lower, and both flats are furnished exactly alike.

SURPRISED THE AMERICANS.

Filipinos Swoop Down Upon Them Unawares At Daybreak.

Manila, April 17.—Twelve hundred Tagalogs attacked Case's battalion, headquarters of the 40th regiment at Cagayan, Island of Mindanaso, on the 7th. The Americans had fifteen casualties, while for the attacking force fifty were killed and thirty wounded or taken prisoners.

The enemy, numbering 150 riflemen, the remainder being bolomen, archers and mounted spearmen, swooped down in a howling mass at daylight, surprising and killing three of the sentries. They swarmed the streets in small parties, some bearing scaling ladders, by means of which they attempted to enter the houses.

The Americans tumbled out of the barracks and formed in the plaza, and companies began sweeping the town. The subsequent street fighting lasted twenty minutes. Twelve of the wounded Americans are now on board the hospital ship Relief. The enemy withdrew to the mountains in great confusion.

A Farewell Banquet.

At the home of A. E. Elmer, Division street, a farewell supper was last night tendered to John McIlroy, late of W. J. Crothers' biscuit factory, who is leaving to make his home in the far west. The guest of the evening was presented with a beautiful Masonic ring. Another presentation was made to police constable Snider for able services rendered to several members present. Both gentlemen made suitable replies. Robert Hendry presided at last night's gathering, when speeches were made by all those present, Mr. and Mrs. Cobet gave several fine instrumental and vocal selections. The cake walk by A. E. Elmer and P. Moncrief was much admired. John Gordon's Highland fling in kilts was a star feature. Fred Elmer rendered the far-fanned "11-44." Daniel Snider's exhibition as a contortionist was well given. The happy affair terminated in the wee sma' hours.

Has Scored a Success.

The last issue of the Dramatic Mirror, of New York, contains an excellent portrait of Miss Kate Upper, a Kingston lady, who has gained an enviable reputation on the New York stage as a member of Richard Mansfield's company. The portrait is accompanied by this notice:

"Miss Kate Upper, who has proved to be one of Mrs. Wheatcroft's most capable pupils, has not fallen short of expectations, as artistic performances with Richard Mansfield stand to her credit this season. Miss Upper made her professional debut as sister Josephene in Cyrous de Bergerac last spring."

Miss Upper's many Kingston friends will learn with pleasure of her success in her new, broad field.

Died At A Ripe Old Age.

An old and highly respected resident of Hastings county passed away Monday, in the person of William Gibbard, whose death took place at the residence of his son-in-law, William Wilson, township of Sidney. He was born ninety years ago in Camden East. He lived there until a young man, when he married Miss Rachel Lattimer, and moved to the township of Darlington. Although the latter place was almost a wilderness he built a home and remained there for twenty years. He retired about sixteen years ago. Seven children were born, four of whom are still living.

SCREAMED WITH ECZEMA

Baby's Skin Red and Raw. Doctor's Medicine was Painful and Useless. A Stranger Advised CUTICURA. Cured in a Month, with Skin Smooth and Fair.

My little daughter, when six months old, broke out with Eczema. I took her to a doctor and he pronounced it "Moist Eczema," and prescribed for her. She screamed when I put the medicine on her, and I stopped using it. It was indeed very painful. Her skin was all red and raw, and moisture coming from it all the time. A perfect stranger to me advised me to use CUTICURA remedies. I got CUTICURA SOAP and CUTICURA (ointment), and they *entirely cured her within a month.* She is twenty-three months old to-day, and her skin is like a piece of silk, and fair as a lily.

PIMPLES CURED BY CUTICURA SOAP

I commenced to get pimples and blackheads when I was fifteen years old. My face was covered. I spent about ten dollars for soaps, medicine, etc., but they never did me any good. I used CUTICURA SOAP for two weeks, the pimples and blackheads began to disappear, and it only took three cakes of CUTICURA SOAP to cure my face of those homely pimples. JOSEPH B. CLAMER, Sept. 21, '98. 327 Court St., Elizabeth, N. J.

My face was covered with a pimply, ruptured, and itching skin. After using CUTICURA SOAP for six weeks, all the pimples went away, my skin getting as soft as velvet.
