22 ACRES BETWEEN GEORGETOWN & ACTON

This property has it all! Trails, pond, hot tub, even a sugar shack and all the equipment. The heated double car garage is a great space for the handyman but also the 600 sqft training centre can be used as a workshop/school or for the work at home professional. The grounds are well kept and the house has been renovated from top to bottom. The Maple kitchen is approx. 2 years old, the fully finished basement has a w/o to deck. The large family room has an air tight wood-stove for those chilly nights. This house also has an exercise room as well as a super sized cantina. The cantina is perfect for the avid gardener to store food all year long.
