GLIMPSES OF THE FAR EAST

MISS SMITH TELLS OF HER EXPERIENCES IN JAPAN.

Her Protegé, Miss Hamaguche, to Enter the General Hospital For a Course of Study in Hospital Nursing—Their Services Much Sought After.

Miss Smith, medical missionary from Japan, left to-day for Toronto, having to address a meeting this evening at Parkdale. She hopes soon to enter upon her holidays and to get the rest for which she returned to this country, after seven years of foreign service. No one can spend that time in Japan without suffering in strength and health. The long journey has been succeeded by a continuous round of activity. At Brockville, during the annual meeting of the women's auxiliary she received an ovation. At the public meeting the attendance was so great that the school-house of St. Peter's church had to be abandoned and the meeting held in the church itself. Miss Smith made a truly interesting address, and Miss Hamaguche, her Japanese assistant, spoke clearly in good English. To the Japanese the idea of speaking in church before men is abhorrent, as it is so contrary to the custom of that country, so that it was no little trial to the visitor from the Orient. On Sunday Miss Hamaguche was worn out by the continual receptions in Toronto, Brockville and Kingston, that she was ill, but is able to be up to go to see Miss Smith depart. About Thursday she will enter the general hospital for a course of several years, although she has had fully six years' experience as a nurse with Miss Smith in Japan. She is anxious to have the full benefit of modern training.

On Sunday Miss Smith addressed the nurses of the general hospital, explaining the character of the Japanese and their peculiar customs, so that the newcomer will be better understood by those with whom she works in the good mission of nursing. Miss Smith also addressed the Sunday school of St. George's cathedral yesterday and interested the scholars deeply. She is a fluent and successful public speaker, having the art of description and condensation. She will return to Kingston in September and will spend fully six months in the interests of Japanese missions, visiting various parts of the province to elicit the sympathies of church people.

Teddy For Vice-President.

Philadelphia, Pa., June 18.—Unless some means can be found to prevent it, from the present tide of sentiment, governor Roosevelt, of New York, will undoubtedly be named as the republican candidate for the vice-presidency. Already McKinley and Roosevelt buttons have made their appearance and are being worn by delegates and others from every section of the country, including New York city. Governor Roosevelt appreciates the strength of the movement in his direction. He is endeavoring to stem the tide, but if the stampede among the boomers in the corridors of the hotels can be taken as any criterion of what may happen in the convention, he will be nominated.

Pays A Big Profit.

Vermont Phoenix.

The contract for the convict labor at the state prison at Windsor expired Saturday and a new contract was made with A. E. Mann & Co., shoe manufacturers, the present occupants for five years. The price per man in the last contract was seventy-two cents a day. The present contract is for seventy-five cents a day. The institution pays a profit to the state of about $3,000 a year.

Life Convict Liberated.

James Farley, a lifer convict, who served twelve years in the Kingston penitentiary, was paroled on Saturday. He was a model attendant, and when the show was at Peterboro he got into an altercation with an Indian and killed him.

A. E. Harrison was charged at the county court, Stratford, with having in his possession dies for making counterfeit coin, with having counterfeit coin on his person and with uttering same. The prisoner was arrested at London military camp. Judge Barron threw out the charge of having dies in the coin. The jury, after being out two hours, brought in a verdict of guilty on the other two counts. Harrison was this morning sentenced to two and a half years in the Kingston penitentiary.

Substitution is the Fraud of the Day.

Home Druggists will not try to Substitute anything for Dr. Pitcher's Backache Kidney Tablets, because they know about the Local Testimony of people in Kingston Cured by the Medicine.

Mrs. James Smith, 44 Charles St., Kingston, says "I always had backache more or less. Accompanying it was hard headaches and nervous, restless nights. My kidneys were inactive and caused me more or less inconvenience. Those difficulties have been removed by Dr. Pitcher's Backache Kidney Tablets. I do not feel that fatigue on going up and down stairs as formerly. I am sleeping well nights, there is no longer that weariness and depression mornings."

Mrs. John Simmons, 152 Dufferin St., Kingston, says "I gave Dr. Pitcher's Backache Kidney Tablets that J. B. McLeod, the druggist, introduced, to my daughter and the most satisfactory results followed. My daughter had been suffering from kidney trouble for a long time. There was bloating, backache, languor, depression and dizziness. We had the best physician treating her before that. She was invigorated and relieved from pain. The secretions were corrected and that constant weariness banished. There has been no dropsical symptoms since. We think a great deal of those tablets and do not hesitate to recommend them."

If you have the slightest symptom of kidney or bladder trouble you can test this great medicine free. Arrangements have been made whereby every reader of this paper can obtain a trial package of Dr. Pitcher's Backache Kidney Tablets absolutely free by enclosing two cent stamp for postage to the Pitcher Tablet Co., Toronto, Ont. When giving address mention this paper.

If you are convinced Pitcher's Tablets are what you want you can purchase the regular size for 50c. per bottle. If not obtainable at druggist's, mailed free of postage on receipt of price.

At the residence of Henry Breeze, Hillier, June 14th, the wedding took place of his only daughter, Geneva, to Mack Lont, Willowvale. Ameliasburgh Rev. Mr. Shier performed the ceremony. The bride was assisted by Miss Ella Lont, cousin of the groom, while Harry Breeze, looked after the interests of the groom. They went west on a wedding tour.

Death Of A Respected Lady.

Lovina Smith, relict of the late Joshua Booth, of Odessa, died at the residence of her daughter, Mrs. Charles Hendry, Draxton, Ont., on Wednesday, May 30th, aged seventy-seven years. Deceased was a daughter of the late D. C. Smith, of Ernesttown. About thirty-five years ago her husband and little daughter, Nellie, died of poison from eating water hemlock in mistake for spignet. Mrs. Booth came nearly to her end as did several others who partook of the poisonous root at the time. Soon after her husband and daughter's death her second son Henry died and a few weeks later their wooden factory was destroyed by fire, but by the able assistance of her father a better one was built with all improved machinery and her only son, B. A. Booth, has carried on business ever since. In all her sorrows of losses and affliction she has shown to the world what a true christian can endure. She embraced christianity in youth and ever lived an exemplary life and by her integrity she influenced her companion and others to join her on the heavenly road. Like her husband she was a member of the Methodist Episcopal church for many years. She left her old home at Odessa a few years ago to live with her daughter, Mrs. Hendry. Two other children survive her, B. A. Booth, Odessa, and Mrs. E. Lake, Chicago. The remains were brought to Cataraqui and placed beside her husband's and children's. It may be said of her for "To me to live is Christ, and to die is gain."

Men Of The Day.

Toronto Globe.

The Rev. Dr. Chown, who has been elected president of the Toronto Methodist conference, has long occupied a prominent position in the denomination by reason of the influence he has exerted. The son of Samuel Chown, he was born in Kingston, in 1853, and may be said, therefore, to be in the mental prime of life. He received his education at the Kingston collegiate institute and at Victoria college, Cobourg. Having been ordained to the ministry in 1879, he served successively at Melbourne, Lancaster, Kemptville, Spencerville, Almonte and Montreal, until 1891, when he was appointed to Toronto and became pastor of Wesley church, Dundas street. He was secretary to the Montreal conference in 1893-4 and also secretary to the national prohibition convention, which met there in 1894. He has ever taken a prominent part in promoting moral movements, and has also been very active and earnest in furthering the interests of the various schemes of the church.

Fined For Assault.

Arden, June 15.—The Arden cheese factory is working to its full capacity. George Gilhard has purchased the farm lately occupied by the late Calvin Loyst and is moving on to it this week. On Saturday last Hilbert Clemons was convicted of an assault on Franklin Williams. The case came up in the town hall before Thomas Andrew, J.P., and Samuel Barker, reeve. The defendant was fined $10 and costs, or one month on jail. Fine and costs were paid. David Hartwick's infant son died on Tuesday; funeral on Wednesday. Another son has been added to the family of Elisha Newton. A large number of men are working on the C.P.R. track, between Kaladar and Ardendale stations improving the grades and straightening the lines. James Williams' is building a new barn. Farmers are now busy doing their statute labor. L. M. Smith, science inspector, was in the village on Tuesday.

A Bright Little Girl.

Saturday's edition of the Montreal Star contained a portrait of little Miss Grace M. Paul, daughter of W. J. Paul, tobacconist. She is aged five years and collected $5.65 for the children's patriotic fund, singing "Soldiers of the Queen." Miss Grace's photo will be placed in the Canadian testimonial sent to Windsor Castle.

George Towner, Toronto, received a message from Detroit, informing him of the death of his son, Dr. George Heaton Towner, from an overdose of drugs. Dr. Towner was about thirty-five years of age and had been practicing in Detroit.

The lawn social on Wednesday on hospital grounds is for everybody. The price is only ten cents. In the evening the 14th band will play. Go and help the nurses.

A Book All Will Welcome.

The Fleming H. Revell company, Toronto, has published the life of Dwight L. Moody, the famous evangelist, by his son, William R. Moody. The author had unrivalled facilities for knowing and studying his father, and was possessed of all documentary and other knowledge necessary to a complete biography. The work was undertaken at the special request of his father, who said, "I want you to correct inaccuracies and misstatements that would be difficult to straighten out during my life. All my friends will come to you and give assistance. There are many who think they know me better than anyone else, and would feel themselves best able to interpret my life. If you do not do this there will be many inaccurate and conflicting lives." The publisher, like the author, has done his work well; the book is handsomely bound, beautifully printed and adorned with 100 half-tone pictures, many reproduced from photographs in the sole possession of the family. The book contains nearly 600 pages, and is sold at from $2 to $4.50, according to binding.

Bicentenary Anniversary.

On April 16th, 1701, the great Anglican missionary society for the propagation of the gospel was founded. The celebration of the bicentenary began yesterday all over the world, being the opening of the 200th year. At St. George's cathedral services special prayers were offered and appropriate hymns sung; the dean addressed the people upon the very great work accomplished by the society in sending out missionaries, building churches and endowing dioceses and parishes. It spent in Canada alone in direct church work $10,000,000. It sustains or aids thousands of missionaries; it is indeed a great religious body, larger than many pretentious sects.

Blast Furnace By-law.

Port Colborne, June 18.—The by-law to grant a bonus to the blast furnace company was defeated by a majority of six in the village of Port Colborne. The township of Humberstone has not yet been heard from.

ASTHMA. CURED PERMANENTLY.

Why Do You Suffer Night After Night and Keep Dosing With Temporary Relief Remedies? Clarke's Kola Compound Will Relieve Your Suffering — It Cures Permanently.

S. Till's case was a most obstinate one, but this marvellous remedy worked the wonder. Was cured with six bottles. Here is his letter in his own words: S. Till, 142 Dorchester street, St. John, N.B., writes: "I have been a great sufferer from asthma for nearly ten years. Many months, night after night, I have been so bad that sleep was impossible, and at times I thought I would choke. I used different asthma remedies and doctored with the best physicians in St. John, but my trouble became worse each year. About a year ago I purchased three bottles of Clarke's Kola Compound; then I took three more, and since completing the treatment with this remedy have not had a single attack. I take great pleasure in recommending Dr. Clarke's Kola Compound, which I know has no equal for asthma. Since being cured I have frequently recommended this remedy to others in our city, and they all speak very highly of it." Clarke's Kola Compound is the only permanent cure for asthma yet discovered. Over a thousand complete cures are recorded in Canada alone. Sold by J. B. McLeod. Write for book telling all about Clarke's Kola Compound, to the Griffiths & Macpherson Co., limited, 121 Church street, Toronto.

Pennsylvania RR's New Possession.

Philadelphia, Pa., June 18.—President W. H. Baldwin, of the Pennsylvania railroad, with a number of other officials of this and the Long Island railroad, are holding a meeting for the formal transfer to the Pennsylvania of the Long Island. The latter embraces 359 miles of line, covering entirely and exclusively Long Island, with the eastern extremity at Montauk, which has been mentioned as a new port for loading trans-Atlantic vessels direct from the railroad cars. In this connection it has been proposed to tunnel under North river, Manhattan and East river to facilitate matters of transportation. For this purpose several high Pennsylvania officials have recently investigated European tunnels.

Cuban Romance Ends Happily.

New York, June 18.—A romance that began in Cuba and ended happily in this city today by the marriage of Miss Aurita del de Marcias, a descendent of the famous del la Torres, of Spain, to Dr. M. A. Xiques, a young physician of Puerto Principe. A reception to intimate friends was given at the hotel Majestic after the ceremony. The couple will spend their honeymoon in Europe. The bride owns immense tracts of islands in Cuba in her own name. Dr. Xiques will present his bride a country place just outside of Puerto Principe and known as "Carnojiro."

Anniversary Of Waterloo.

London, June 18.—The anniversary of the battle of Waterloo is being recognized by many societies here to-day. Even the influences of the Boer war have not been sufficient to make the people forget the services of the great Wellington.

Is It The Kidneys That Are Deranged?

If so Uric Acid Poison is in Your System and Your Sufferings Will be Great Until You Set the Kidneys Right.

Dr. Chase's Kidney-Liver Pills Cure All Uric Acid Troubles.

The most painful, the most fatal and consequently the most dreaded diseases of the human body are caused by the presence of uric acid in the blood.

Uric acid is the name given to the foul poisonous impurities which are left in the blood when the kidneys are deranged and unable to perform their duty of filtering the blood.

So long as the kidneys are in perfect health, the uric acid is passed out of the body by way of the bladder and the blood is kept pure and clean.

When there are severe body pains, headache, backache or weakness in the back, when the skin becomes yellow, dry and hard, when the urine contains deposits, is thick, or irregular, when there is stomach trouble and pains about the heart, when you feel weak, dizzy and become languid and despondent, you can put the cause down to uric acid in the blood resulting from deranged kidneys.

The nature of your ailment will be decided by your constitution. The poison left in the blood will find lodgment in the weakest part and set up some dreadful disease. It may be Bright's disease, diabetes or dropsy. It may be the twanging pains of rheumatism. It may be chronic stomach troubles or bladder ailments. Whatever the form of disease this poisoned blood may cause, the cure can only be brought about by setting the kidneys right.

The experience of tens of thousands of men and women in Canada and the United States points to Dr. Chase's Kidney-Liver Pills as the most effective means of setting the kidneys right. No other kidney medicine can produce so much irrefutable evidence of its wonderful curative virtue. No other kidney medicine has received such hearty endorsation from physicians. Nor is this to be wondered at when it is remembered that Dr. Chase is a prince among physicians.

Nature has only provided one means of keeping the blood free from uric acid poisons—the kidneys. Nature's most effective invigorators of the kidneys are contained in Dr. Chase's Kidney-Liver Pills.

Purely vegetable in composition, scientifically prepared from the great formula of Dr. A. W. Chase, thoroughly tested in thousands of severe cases, wonderfully efficient in all diseases caused by uric acid in the blood. Dr. Chase's Kidney-Liver Pills stand alone as the world's greatest kidney medicine. They prevent and cure disease by ridding the system of impurities from the blood. One pill a dose, 25c. a box, at all dealers, or Edmanson, Bates & Co., Toronto.
