ANOTHER BAND CONCERT.

A Large Crowd Delighted With the Fine Music.

The 14th regimental band gave another of its pleasing concerts last evening in the city park, attracting a vast crowd of people, who were remarkably well behaved. There were several policemen on hand to keep in subjection the troublesome small boy. Although the programme contained ten selections, frequent encores lengthened it out to fifteen. The special feature of the event was a piccolo solo by Clarence P. Jones. So well was it presented that an encore was demanded and accorded. A prominent musician, well qualified to criticize, stated that the concert was the very best he had ever heard rendered by an amateur band.

All the flower beds and entrances to walks were lighted by lanterns, a happy arrangement on the part of chairman of parks Walkem, while the band stand was decorated with Chinese lanterns. The energetic committee, alderman Webster, Capt. W. B. Skinner and L. Lockett, having these concerts in hand, are deserving of the thanks of the citizens. Alderman Webster, as secretary-treasurer of the committee, has been particularly active in collecting subscriptions. Instructor Trendell had his musicians in fine fettle last night; they never appeared to better advantage.

Married At Trenton.

At King street Methodist church, Trenton, on June 19th, John T. Wilson, railway mail clerk, third son of Uriah Wilson, M.P., was united in marriage to Miss Maud M. Scriver. The bride was gowned in white silk organdie with white satin ribbon trimmings. Her veil was crowned with orange blossoms, and she carried a bouquet of white roses. The bridesmaid, Miss Baldwin, of Toronto, was costumed in white organdie and carried pink roses. The little Misses Collins and Forcer were the maids of honor, and were dressed in white muslin, and carried bouquets of pink carnations. The groom was ably assisted by the bride's cousin, Charles Foster. The ceremony, which was witnessed by a large company, was performed by Rev. Benjamin Greatrix, the bride being given away by her uncle, R. M. Foster.

Married At Cataraqui.

A quiet but pretty wedding ceremony took place at Cataraqui yesterday when Samuel Crawford, coal merchant, of the city, wedded Miss Grace, youngest daughter of the late J. L. Nicol. Owing to the recent death of the bride's father, the marriage was of a quiet nature. Rev. Eber Crummy, Methodist pastor, performed the ceremony. The happy couple left on a trip to Quebec and other eastern points. On their return to the city they will take up residence on Alfred street.

Attended The Wedding.

Mr. and Mrs. F. W. Coates returned this afternoon from Brockville, where they attended the wedding, yesterday, of their cousin, Miss Lillian Coates, daughter of W. Coates, jeweller, of that town, to Rev. H. Warren; B.A., B.D. Mr. and Mrs. Warren came up to Kingston and spent the day here. They will leave on the boat this evening for Montreal and other eastern points.

A Unique Punt.

A Kingston bricklayer is the builder of a unique punt which is propelled by a screw wheel at the stern. The wheel is worked by means of a crank, and the inventor expects great things of his "ship." If it proves a success he will have one built on a larger scale. The punt is now at Rickey's boat house.

Service At The Camp.

Arrangements have been concluded for the holding of divine service at the camp at ten o'clock on Sunday morning. Rev. Mr. McMillan, Lindsay, chaplain of the 46th battalion, will deliver the sermon. The divisional staff will be glad to welcome visitors.

Red Letter Day, Saturday, 23rd.

In addition to the regular trading stamps, we will give five extra stamps on every one dollar purchase at Mullin's grocery, corner William and Division streets, on the above date.

Samuel Copley, yesterday installed in his house at the fair grounds, was told by city treasurer Ireland that he would not be required to go on duty until August 1st. Meanwhile the dog cart, net and the pound are being put into order.

The first of the Kingston yacht club series of races takes place to-morrow afternoon at half-past two o'clock. All local yachts enter the one class. The course will be triangular, two miles each leg, to be sailed over twice.

The steam yacht Bigelow, with a party of thirty from the Thousand Island park, arrived at Swift's wharf this afternoon. The steam yacht Jessie N. from Alexandria Bay was also in port to-day.

Sheriff Cameron, London, is in the city. He came down to attend the closing exercises at the Royal military college, at which institution his son is a student.

Residents near Union street junction complain of the unsatisfactory condition of the arc light there. It gives little light at any time, and frequently none at all.

The Portsmouth Presbyterian Sunday school picnic was held at Long Island park, this afternoon, the steamer America carrying the picnickers to that place.

Mrs. (judge) Wilkison and party from Napanee and Deseronto came down this afternoon to attend the closing ball at the Royal military college.

Nine students from Ottawa college arrived in the city this morning by steamer James Swift. They are on their way home.

EUROPEANS STILL IN PERIL

WANT TO GET COMMUNICATION WITH PEKIN.

English Ladies Leave Tien Tsin and Had Exciting Experiences—Russia is Said to Have a Hand in the Uprisings.

Shanghai, June 22.—The consuls met yesterday to consider the situation, which, in the absence of news from Pekin, is looked upon as particularly threatening. Grave fears still exist as to the safety of the Europeans in Pekin. It was agreed to wire to the senior consul at Che Foo to communicate with the senior officers at Taku asking for immediate assistance in communicating direct with Pekin, which they believe can be brought about through Sheng, director of telegraphs. They advise that Sheng be asked to explain the interruption of communications."

The stoppage of trade has thrown 10,000 coolies out of work. All the English ladies at Tien Tsin left there Saturday by a train for Taku. They had some exciting experiences and would not have gotten through except for the assistance of the Chinese troops. The Boxers made several desperate attempts to attack the train.

Taking advantage of the political disorders, bands of robbers are pilaging in the vicinity of Sam Chun. The Chinese authorities are powerless.

Precautions have been taken to prevent disturbances in British territory. The explanation given at Hong Kong of the failure of Li Hung Chang to go to Pekin is that there is a rising on the border of the Kow Loon Hinterland.

Russia Is Blamed.

London, June 22.—The Singapore correspondent of the Daily Express, telegraphing yesterday, says:

"Kang Yu Wei, the reformer, asserts that Russian agents precipitated, if they did not entirely organize, the present disturbances for purely Russian purposes."

A despatch to the Telegraph from Shanghai says that the missionaries from Tsang Chou have safely arrived at at Wei-Hai-Wei.

Further Outrages.

London, June 22.—The United States gunboat Monocacy was two miles up the Pei-Ho river when the international fleet began the bombardment of the Taku forts. According to the Shanghai correspondent of the Daily Express she was shot through the bows. The correspondent says the Chinese riflemen on both banks of the river attacked her, but unsuccessfully.

Budget Of Despatches.

London, June 22.—A special from Shanghai says that it is reported from Japanese sources that 1,500 foreigners have been massacred at Tien Tsin.

Brussels, June 22.—The Petit Bleu states that a telegram was received yesterday by an important Brussels firm from China saying that admiral Seymour's relieving force and the Russian column entered Pekin simultaneously. The legations were reported intact and all the Belgian residents are said to be safe.

Calcutta, June 22.—Fourteen transports will convey troops from India to China. All except six are already in port. The Norbudda and Palamcotta will probably sail Sunday with the 7th Bengal infantry.

Yokohama, June 22.—The Rurik sailed for Taku yesterday. The government has arranged to receive and treat the wounded of other powers. The Russian wounded have arrived. Ships belonging to the Standard squadron are assembling at Saseno

Chefoo, June 22.— The entire foreign community of Pei Lebe arrived here to-day by the American gunboat Nashville. They lost all their belongings.

Shanghai, June 22. — Commander Hans, of the German gunboat Itis has died of wounds received during the bombardment of Taku on Sunday.

Shanghai, June 22.— The American consul at Chefoo writes that the Nashville from Taku is bringing thirty-three Americans from Pei Tai Ho.

They Are Safe.

Boston, Mass., June 22.—Some anxiety has been expressed by the friends for the safety of Rev. Francis E. Clark, president of the united society of christian endeavor, who, with Mrs. Clark and their son, Harold, were in Tien Tsin and Pekin during the massacres by the Boxers. A message just received here from Dr. Clark stated that the family had arrived at Fusan, Corea, where they were to take the steamer for Vladivostock.

A Heavy Bombardment.

Che Fu, June 22.—It is officially reported that the bombardment of Tien Tsin with large guns continues incessantly. The foreign concessions have nearly all been burned and the American consulate has been razed to the ground.

The Russians are occupying the railroad station, but are hard pressed. Reinforcements are urgently needed. The casualties are heavy. The railroad is open from Tong Tau to Ching-Liang-Chung, half way to Tien Tsin.

Holding A Meeting.

London, June 22.— Lord Salisbury presided this morning at a meeting of the cabinet specially summoned to consider the far eastern crisis. Prior to the meeting the French ambassador, M. Paul Cambon and the Chinese minister Sir Chih Chen Lo Fong Luh, paid a lengthy visit to the officials of the foreign office, and it is expected that important developments will be the outcome of the cabinet conference as Lord Salisbury proceeded to Windsor after the meeting.

The apprehensions as to the fate of the Europeans, cut off at Tien Tsin, have been sharpened by admiral Kempff's message, which was the first definite announcement of the bombardment and destruction of the foreign concessions. But in spite of Shanghai's grim statement that the Chinese used forty pounders and that 1,500 foreigners were massacred there is no reason to conclude that the foreign colony has been unable to protect itself.

Shanghai also reports that Tien Tsin was bombarded for two days and that the casualties were 100, and is estimated that 500 internationals are there and says that now that the allied commanders at Taku are hastily pushing forward a relief column, it is hoped the worst apprehensions will soon be dispelled.

A despatch from Shanghai, under this afternoon's date, says five Chinese warships passed Wo Sung to-day, and that the officers of the British armored cruiser Undaunted, visited the Chinese commanding officer and received an assurance that the ships were under orders to act against any Boxer rising.

The superintendent of foreign telegraphs has started for Che Fu to organize a service thence to Shanghai. It is understood the admiralty has received a despatch from the British naval commander in Chinese waters on the subject of the heavy damage done to the foreign concessions at Tien Tsin and the casualties of the international forces. It has not yet been published.

The admiralty sent orders to Portsmouth and Plymouth this morning to hold detachments of marine artillery and infantry in instant readiness for service in China.

Ready To Fight.

Cleburne, Texas, June 22. — Capt. Bridges, of the Moss Guards, of this city, has asked Gov. Sayers to notify president McKinley that the guards are ready to fight the Chinese Boxers, and will leave immediately if desired.

THOUGHTFUL LORD ROBERTS.

Sends Cablegram That Capt. McDonnell is Out of Danger.

Ottawa, June 22.—An instance of the thoughtfulness and consideration of lord Roberts is afforded in a cablegram received by lord Minto from the commander-in-chief in South Africa. Yesterday the report came that Capt. McDonnell had been dangerously wounded in the abdomen. The first report was evidently misleading, for lord Roberts now cables:

"Pretoria Residence, June 20.—Earl Minto, Ottawa: Please inform Mrs. McDonnell, Donegal street, Peterboro, husband's bullet extracted. Doing well. Practically out of danger."

It is acts such as this, showing a thoughtful consideration for the welfare of the officers and men under him, and their wives and families as well, which have caused the whole British army to regard "Bobs" with such great affection.

DISMISSED ACTION.

Unless Another Plaintiff Can be Substituted Soon.

Toronto, June 22. The master in chambers this morning decided a knotty point of law in the action brought in the interest of the heirs of a brakeman named McHugh, recently killed on the G.T.R., and who belonged to Stratford. Lord Campbell's act in such cases provides for the compensation to the mother, wife or child. Action was taken on behalf of the mother, an inmate of an asylum, by a brother. The mother died shortly afterwards and meanwhile the G.T.R. offered $1,875 compensation. The company now raises the point that McHugh has neither mother, wife or child, and that the action, therefore, fails. The master this morning decided that unless another plaintiff can be substituted within a month the action must be dismissed.

DIED IN THE CELLS.

Attacked by Delirium Tremens—Quite a Discovery.

Winnipeg, Man., June 22.—About midnight last night, John Branigan, about forty years of age, died of delirium tremens in a cell at the police station. William Calder, of Williston, N.D., fifty years of age, died yesterday on a train en route from that place to Winnipeg.

Mr. McMillan in the legislature, yesterday, brought to light the startling fact that the railway taxation act just passed exempts railways from all sorts of municipal taxes, including school and frontage taxes. He gave notice of an amending bill, and Mr. Davidson announced that the government itself would bring in an amendment.

WOULD NOT SIGN CHEQUE.

A Report From the County Judge is Required.

Toronto, June 22.—Mayor Macdonald this morning refused to sign the cheque for $59,000 for the purchase of the athletic club building for technical school purposes. He says that as the council ordered an investigation into the circumstances attending the purchase, the county judge must give his report before the money is paid over. The curious thing about it all is that there is no accusation of corruption made, but simply a statement that the building is unsuitable. This is the first time in the municipal history of Ontario, that a judicial enquiry has been ordered that embraces such a branch of work.

Lost His Breathing Tube And Died.

Stamford, Conn., June 22.— A. C. Allen, of Saugatuck, came to town to night to visit his son, Frank Allen. Mr. Allen had lung trouble and had to breathe through a nickle tube. While he was on Atlantic street the tube slipped from his windpipe, respiration ceased and he died

Editor Sentenced To Jail.

Ottawa, June 22.—Sir Henri Joly was sworn in as lieutenant-governor of British Columbia to-day. Lieut.-Gov. McInnes has been removed.

THEY WILL JOIN BULLER.

IAN HAMILTON'S COLUMN EN ROUTE TO HEIDLEBURG.

Opening Communication Between Pretoria and Natal—Boers Are Peaceful at Rustenburg—Rifles Captured.

London, June 22.—A despatch from lord Roberts dated Pretoria, June 22nd, is as follows: "Ian Hamilton's column reached the springs yesterday en route to Heidleburg, where they will join hands with Buller's troops, who reached Paardekop yesterday and will be at Standerton to-morrow, opening up communication between Pretoria and Natal and preventing any joint action between the Transvaalers and the Orange River colony.

"Baden-Powell reports from Rustenburg that he found the leading Boers very pacific and cordial on his return journey hence. Commandant Steyn and two actively hostile field cornets had been captured during his absence.

"Lord Edward Cecil, the administrator of the Rustenburg district, has to date collected 3,000 rifles. The commission at Kroonstadt reports that 341 rifles have been handed in at Woomarnstadt."

The Boer Delegates.

New York, June 22.—Mr. Fischer and Mr. Wessels, the Boer envoys, returned yesterday afternoon from Philadelphia, where they and the other Boer delegate, Mr. Wolmarenz, have been witnessing the scenes of the republican convention. Secretary DeBruyn said last night that the delegates were greatly pleased with the treatment they got at Philadelphia.

A GOLDEN WEDDING GIFT.

Old English Couple Give $50,000 to Home For the Aged.

John W. Hinton and wife, of Milwaukee, Wis., celebrated their golden wedding anniversary, on May 31st, by sending a check for $50,000 to the Protestant home for the aged. Their benefactions to this institution now reach the sum of $110,000. A year ago, May 31st, they completed and turned over to the directors the Francis Hinton addition to the home. It cost $50,000 and was named in memory of a dead son. Then $10,000 was expended in furnishing it and paying off a mortgage on the home.

Mr. Hinton was born in London. In his early life he was a sailor and traveled in all quarters of the globe. More than half a century ago he came to Wisconsin and settled in Columbia county among a number of English people. He afterward gave up farming and came to Milwaukee to reside. For a long time Mr. Hinton has been a close student of politics.

Mr. and Mrs. Hinton have lived at 186 Cass street, Milwaukee, for many years. Mrs. Hinton has been an invalid for a number of years.

It Is Very Discouraging.

At a meeting yesterday afternoon of the directors of the Kingston fair association a further revision and touching up of the prize list was made. A committee, consisting of mayor Minnes, James Daley and D. E. Starr, was appointed to examine the fair grounds, in company with alderman McLeod, with respect to necessary changes and improvements. The directors were discouraged to hear of the action of the cheese board in refusing to assist the fair association with respect to the prize list, after having decided to do so. They contrast this spirit with that of the city which had handsomely entertained the dairymen's association here on two different occasions, and also handed over to the dairy school property to the value of $25,000. This action on the part of the cheese board is very discouraging to those who have the interests of the cheese industry at heart.

Left None But Cheap Officers.

Cardiff Western Mail.

The other day a military officer engaged a cab in Edinburgh, and at the end of the trip paid the driver a shilling. A shilling was the exact amount due, but more gracious customers were in the habit of paying sixpence more for the same distance.

"Bad luck to the Boers!" muttered the driver, who was an Irishman, ruefully looking at the coin in his palm.

"What is that you say?" asked the officer sternly.

"Bad luck to the Boers, sorr!"

"Why do you say it?"

"Faith, yer honor, because they've taken away all the eighteen-penny officers, and left none but the shilling ones!"

Died Suddenly At Winnipeg.

This afternoon chief of police Baillie received a telegram from the chief of police of Winnipeg, announcing the sudden death there of Joseph Brannigan, brother of Mr. Brannigan, butcher, Montreal street. No particulars were given and the cause of death is unknown. The deceased left here only three weeks ago apparently in the best of health. Relatives will bring the body home for interment. The deceased was aged about thirty years and unmarried.

To Look Him Up.

A middle-aged man, wearing gray clothes, carrying a cane, and very near sighted, came over this morning on the high school excursion from Watertown. He left his friends at the boat, and up to three o'clock this afternoon had not been found. Some of his friends remained behind to look him up.

In a Quandary.

Indianapolis Press.

The woman was visibly perturbed. So much so, indeed, that one were fain to inquire the cause.

"Only this," said she. "Ten years ago I told the census taker I was twenty-two."

"Yes."

"And now I've found out that the same man has the place again. I wonder how good his memory is?"
