Church Incumbency Vacant.

The incumbency of All Saints' church became vacant last evening by the resignation of Rev. Thomas Bonsfield, who will receive leave of absence from the diocese for three months. A proposition to make Christ church, Cataraqui, and All Saints' one mission is not favorably received by the bishop.

He Was Buried This Afternoon.

This afternoon the funeral of the late Thomas Wilson, caretaker of the drill shed, occurred. It was conducted by the Orange association. For over 25 years he was an employee of the late John Cunningham, was a Presbyterian, an Irishman, and leaves a widow, whom he married before emigrating to Canada.

A Real Jolly Time.

The authorities of Christ Church, Belleville, have refused to rent pews to J. W. Dunnet, ex-Mayor, and J. W. London, prominent members and pew-holders, on account of a church quarrel yesterday. The fixtures and books of ex-Mayor Dunnet's pew were left on the street in front of his store by a carter.

Several days ago Mary Stephens, the daughter of a former batteryman, whose mother is now in prison at New York state, came to Kingston from Oswego. Murphy vs. the K. & P.R. Co

A piece of land at the rear of Fenwick & Hendry's new wholesale store, owned by Mr. Murphy, King Street, is needed by the K. & P.R., in which to lay a side line. The company made an offer for the land but the owner refused it, claiming that it was worth more. The company have placed the matter before the courts at Toronto for settlement. The case will be heard to-day. Mr. T. W. Nash, engineer for the company, left last evening for Toronto. He is an important witness.

By-law Will Not be Pressed.

The local improvement by-law, of which Ald. Gildersleeve gave notice, will not be pressed this year. It was intended to establish a uniform routine through which all subsequent by-laws would pass before local improvements could be made. At present the statutes allow of local improvements by residents, the cost to be deducted from their taxation, but when these come up they will be decided on their merits. Possibly a petition from Gordon street residents will be presented, asking for leave to build a drain.

TAKING THEIR DEGREES.

THE PATRIARCHS MILITANT BECAME JUBILANT BECAUSE TRIUMPHANT.

Installing Officers and Investing a Canton—The Chevaliers Entertain the Illustrious Heads at Declans—Character of the Organization—Night of Mirth and Good Feeling.

The Patriarchs Militant went through three degrees last night, and no one felt the worse of the ordeal either. Yesterday afternoon a deputation went down to the train to meet Lieut.-Col. Oliver and his A.D.G., Major Slatter, of Toronto. In the words of Ald. Robinson, "We expected to see austere old men, men like General Middleton, but we were surprised." The visitors were jolly good fellows, with plenty of pink in their faces and fat on their ribs. They were taken in hand and given a turn about the city. At 8 o'clock the Canadian commander and his aide got on their war paint and in bright array sallied forth to the lodge room, where the Uniformed Degree Camp was instituted as No. 6 Canton of the Patriarchs Militant. The officers installed were: Captain, G. H. Lauder; Lieutenant, W. J. Livingston; Ensign, E. Chatterton; Clerk, J. E. Dillon; Accountant, G. A. Becker. This new order was organized last year by the Sovereign Grand Lodge of the Oddfellows, and for the unification of the Patriarchal Circle and Uniformed Degree Camps, both of which claimed identification with the Order. The new organization is established on a full military basis. The manual drill and evolutions are finer than in either of the old organizations. The uniform has been slightly changed, but the camps can retain their success carries. The new order seems to have overcome all difficulties, for both Circles and Camps have become Cantons. During the past three months 300 Cantons have been established with a membership of 12,000. In Ontario six Cantons have been organized. These are located at Windsor, St. Thomas, London, Hamilton, Newmarket and Kingston, and Toronto, Barrie, Belleville, Brockville, Goderich and Arnprior are expected to furnish Cantons, so that in a very short time a regiment can be formed.

ADVANCING TO THE NEXT DEGREE.

It was at 10 o'clock and at Doolan's restaurant that the Patriarchs militant became Patriarchs jubilant. The spread was an elegant one. Oysters, meats, fowls, pastry and fruits were in abundance, and the cooking was elegant. The "Chevaliers," as they are termed, were in good humor, but before the night was through their cognomen as brethren had developed from "Chevaliers of the Canton" into "shevellers of the canteen." The following were in attendance: Capt. G. H. Lauder, presiding, supported by Lieut.-Col. Oliver and Major Slatter; Lieut. Livingston and Ensign Chatterton in the vice chairs; Messrs. T. Carnovsky, W. Adams, J. Little, G. Park, W. Healey, B. Carnovsky, E. Chatterton, J. Jamieson, W. Happer, W. Dunn, J. B. McIver, C. Robinson, G. Lee, J. Anderson, W. J. Moore, C. Woods, R. Elliott. After ample justice had been done to the spread, there was a breathing spell and Capt. Lauder toasted "The Queen," and then "The Representatives of the Sovereign Grand Lodge." The jolliness of the men was vocally uttered and pleasant replies came from the visitors. Lieut.-Col. Oliver dwelt at length upon the merits of the Order. He pointed out that four cantons composed a battalion, and three battalions a regiment. To form the regiment he proposed the following battalion divisions:

Eastern—Kingston, Belleville, Brockville, Montreal and possibly Arnprior.

Central—Toronto, Hamilton, Barrie, Newmarket.

Western—London, St. Thomas, Windsor, Goderich.

Speaking of the absence of any insurance scheme in connection with the order he said that the organization was for a different purpose, but they had in connection with the society a relief association, in Kingston, unclipsed by any in existence. He trusted that the Kingston canton would become one of the strongest in Canada. Major Slatter said that in no place had they received a heartier reception. He was satisfied that the Kingston canton would take a place second to none in the jurisdiction. He advised patience, perseverance and stick-at-it-a-tiveness.

REACHING THE THIRD DEGREE.

Afterwards the company enjoyed themselves in a social way. Mr. B. Carnovsky sang, Mr. S. Parks gave a recitation, Alds. Dunn and Robinson spoke in reply to the "city council," and Capt. Lauder responded for the canton. He declared that the intention of the members was to become "the boss of the party." With this feeling the chevaliers went home as Patriarchs triumphant.

DEFEATED AT BOTH PLACES.

The Polo Players at Brockville and Ottawa—The Sport Quite Interesting.

Tuesday evening the Brockville and Kingston polo teams contested for the championship of Eastern Ontario. The evening's proceedings were opened by a two mile race between Riddell, of Brockville, and Cassidy, of Kingston. Both men got away together, and the race for the first mile was a spirited one and elicited great applause. In the finishing of the race Cassidy proved his staying qualities and passed the scratch a winner by half a lap. The polo teams then got ready and the spectators were treated to a rare game. The first innings was well contested all through, the Kingston team playing with vim and following the ball with a rush to the Brockville goal, and after some very spirited play succeeded in getting the ball netted, thus winning the first innings. The second innings was well struggled for. The Brockville team settled down to their work, and by nice playing succeeded in winning it for Brockville. The Kingston club showed signs of quitting in the third and fourth innings, which were won by the Brockville team in less than five minutes. The Kingston club were defeated by a score of three to one in Ottawa last night.

FENCING IN BAGOT STREET.

Necessary Work by the Proposed Extension—Contracts Awarded.

Last evening the streets committee accepted the tender of Mr. T. T. Miller for the building of the necessary fences when Bagot street is opened. The tenders received were: T. Overend, $300; W. Snowden, $290; C. Chapman, $210; John McKee, $200; I. Asselstine, $176; R. Newman, $174.45; T. T. Miller, $168. There is 610 feet of fencing to be built, of plain pickets, with gates leading into Artillery Park, one of them twenty feet wide, with heavy beams overhead; also a small gate, and possibly a turnstile. The estimates of the other works, necessary in the street extension, are: Draining, $380; grading, $445; plankwalk, one side, $137; crossings, $50; total, with fencing, $1,130. An endeavor will be made to secure a few feet off the syndicate lot on Queen street, in order to make the lines straight from Queen to Ordnance streets. Mr. S. Kilpatrick will cart stone from Queen street church and use it in the macadamizing of the new thoroughfare.

The people who have so warmly answered the appeal for more aid for missionary work in the remote parts of Ontario, will be charmed to hear that the mission board last night appropriated $150 for a mission in the G. Death in the Blood.

The essential requisites for a sound body and a clear mind are few, for, given a liver that will properly perform its functions, and a stomach with tone and vigor unimpaired, and good health is assured. To retain so desirable a blessing resort should occasionally be made to Hamilton's Pills of Mandrake and Butternut. They stimulate the liver into healthy action, give tone to the stomach, aid digestion, purify the blood by expelling all poisonous germs, and thereby remove death from the blood. Hamilton's Pills are purely vegetable. Sold by Polson & Co., and by dealers everywhere.

Division of the Diocese.

The committee on the division of the diocese, Rev. Prof. Jones, chairman, met Wednesday afternoon.

The secretary reported that since the last meeting a circular has been sent to all the clergy in the diocese, asking them to devote the offerings of communicants candidates to the endowment fund. A circular has also been printed and is ready to be posted to every adult member of the church in the diocese, requesting an offering of not less than one dollar.

On the motion of Ven. Archdeacon Jones, seconded by Rev. A. C. Nesbitt, the Bishop was requested to visit England, to obtain assistance from the societies in aid of the endowment funds of the proposed dioceses of Ontario and Ottawa.

Mission House Committee.

The committee met at 8 o'clock. Archdeacon Lauder in the chair. The following motion was moved and carried: "That the committee requests Mr. Muckleston to communicate with St. George's vestry their desire to lease a portion of the rectory land, adjacent to the Cathedral, for the purpose of building a see house, and also to ascertain the lowest figure at which the house owned by Col. Hewitt may be purchased.

Widows' and Orphans' Fund.

The widows' and orphans' fund committee met last evening. Rural Dean Bogart presided. The clerical secretary read the following financial statement:

Nov. 2, 1885—By bal. brot. down	$ 355 91
April 30, 1886—Interest, debentures, mortgages, deposit, receipts and subscriptions	844 61
Collections	1,046 33

Donations	210 00
Capital	3,070 65
Total	$6,422 50
April 30, 1886—Pensions	$1,430 00
Expenses	100 00
Mortgages	2,900 00
Balance on hand	1,992 50
Total	$6,422 50

It was moved and seconded that the committee desire to express thanks to Mrs. F. W. Kirkpatrick, Mrs. Leathley and Rev. F. W. Dobbs for their generous donations to the fund under its management.

It was shown that ten widows and six orphans were assisted by the board last year. The total sum given to them was $2,320.

The names of the parishes in default with regard to subscriptions to the funds were read. They number 18. The small number of parishes in arrears was considered satisfactory when considered with the number reported in arrears other years.

The secretary reported that Revs. F. Dobbs and Tighe desired to withdraw from the list of regular subscribers to the mission board fund.

The Mission Board.

This board met yesterday morning, but was unable to finish the business before it, and adjourned until last evening at 8:30. Archdeacon Lauder occupied the chair.

A letter was read from rural dean Carey, asking for a grant from the board of $250 per annum for three years, to go towards the building of a church at the G. T. R. Depot. Rev. Mr. Carey explained to the board that a Sunday school had been established at the depot in connection with St. Paul's church, but church services were not held at that place, and the people living in that neighborhood, members of the church of England, claimed that it was too far to walk to the city in order to attend any of the English churches. If a mission were established at the depot people living beyond it could attend the services. The speaker said he could not conduct the services if a mission were started, but he could secure a clergyman to do so. Rev. R. L. Stevenson was in favor of starting a mission at the depot. The board had granted $400, to be given towards the support of a mission in the Cornwall district, so that employees of foundries and cotton mills in that section could have an opportunity of attending a church, and he thought Mr. Carey's claim, for a depot mission, deserved the recognition of the board. Dr. Smythe also contended that a church was greatly needed at the depot. Not only the people of that section would be benefitted but many in the township of Kingston. The population of the depot was increasing rapidly owing to the number of men engaged by the car works and the G. T. railway. Rev. K. L. Jones opposed Mr. Carey's proposition.

Mr. R. T. Walkem proposed that All Saints' Church and the depot mission be worked in conjunction, and that a grant be made by the board towards that project. The bishop said he had not come to any decision as to what he would do with All Saints' Church. He had only received notification a few hours before the meeting that the charge was likely to become vacant. Rev. Mr. Crawford thought it strange that Mr. Carey should ask for a mission at the depot when that place was only a mile or so from the city. Rev. Mr. Carey rose to explain that the depot was further off, but was interrupted by the bishop, who considered it unnecessary to argue about a few perches. It was finally moved and carried that $150 be granted to Mr. Carey for services at the depot.

A resolution, expressing the pleasure of the board at learning that a Women's Aid Association had been established in connection with St. George's Church, was carried.

The following missions will receive grants from the board, commencing on July 1:

Class I, ($100 each)—Frankford, Fitzroy Harbor and Lansdowne rear.

Class II, ($150 each)—Lanark, Newington, North Augusta, Osgoode, and Eganville.

Class III, ($200 each)—Edwardsburg, Renfrew, Gloucester, Madoc, Marmora, Marysburg, Mountain, Plantagenet, Selby, Stafford, Stirling, Loboro and Tamworth.

Class IV, ($250 each)—Lansdowne front, Beachburg, Finch, Kitley and Lombardy.

Class V, ($300)—Pittsburg.

Class VI, ($400 each)—Sharbot Lake, Combermere, Maberly, Parham and Clarendon.

Class VII, ($600)—Upper Ottawa.

Special grants were made to be given by the bishop. They are as follows: Roslin parish, $150; Archville, $200; Madoc, $100; North Hastings, $300; Shannonville, $150; East Cornwall, $400; Newington, when formed a seperate mission, $150 additional, and G.T.R. depot, $150.

At a subsequent meeting the grant to the G. T. R. mission was withdrawn.

The Episcopal Trust Fund

This fund is $8,166.71, including a balance of $26.37. The balance of capital brought down on May 1st is $276.37. The expenditure included a balance of interest brought down of $718.34, and other expenses amounting to $7,448.97. On May 1st the balance of interest brought down was $837.18. The capital of the fund is $58,674.37, and the income from debentures, mortgages, etc., $8,819.63.

Executive Committee.

The executive committee met at 10 o'clock and agreed to hold a religious conference on the Wednesday evening during synod week. The report of a sub-committee, appointed to look after the reconveying of a church at Sturgeon Falls to the Bishop of Algoma, was accepted. Communications were read from Archdeacon Pinkham, giving the state of money received in the diocese of Ontario. From Mr. G. C. Smith, of Cornwall, relating to the proposed see house committee. The latter was referred to the chairman of the see house. The reports of the committees which met during the week were submitted and adopted. Notices of motion will be given by the chancellor, Dr. Henderson, and Canon Bleasdell at the next synod meeting.

MINSTRELS AT THE ASYLUM.

A Night of Enjoyment—A Present for Dr Simpson's New Craft.

Last night the Asylum employees gave their annual entertainment to the friends. Nearly five hundred visitors were present upon the occasion, and the following programme was presented:

Overture—Caliph of Bagdad, orchestra.
Far and Near—Troupe.
Opening chorus—Tapioca, troupe.
Song—"I'll Await My Love," J. Bateson.
Song—"Fisherman and Child," W. Shea.
Song—"Stick to Your Mother," J. Davidson.
Song—"Angel Gabriel," W. Shea.
Song—"Some Day I'll Wander Back," J. Bateson.
Song—"Tavern in the Town," W. Shea.
Coloren band—Troupe.
Selections from Mikado—Orchestra.
Drill by troupe.
Character song—"Twinkle, Little Star," J. Bateson, J. Davidson.
Piano solo—Master Milne.
Character song—"I Love to Think of the Days," W. Shea.
Trapeze act—Signor Folio.
Farce—"The Slippery Day."

Although many successful entertainments have been given by the Asylum Minstrel Troupe this season last night's performance surpassed by far all previous efforts. The songs by Messrs. Davidson, Bateson and Shea were all good, and all of the gentlemen were honored by a call before the curtain, and the audience would not be satisfied until "Twinkle, Little Star," was repeated. The trapeze act by Signor Folio was all that was expected, and a very laughable burlesque upon acrobatic affairs in general. The serenade was one of the best things on the bill, and was greeted with roars of laughter. Master Milne's piano solo was a brilliant effort. This young gentleman has talent of a high order, and has a bright future before him. The farce, "The Slippery Day," was if anything, funnier than when last performed by the troupe, and the drill made the officers of the 14th and the cadets turn green with envy.

The troupe is to be congratulated upon the success of the entertainment. The orchestra was, as usual, a pleasant feature of the programme.

After the performance the members of the club assembled in one of the dining rooms, and Mr. McLean, on behalf of the troupe, presented Dr. Simpson with a beautiful set of silk flags for his boat, the "Iulus." Dr. Simpson made a happy reply, and the medical superintendent thanked the minstrels for the deep interest they had taken in what he considered a very important part of the asylum treatment, viz., the amusement of the patients. Mr. Shea was very happy in his remarks, and wound up a witty speech by paying a very warm tribute to the assistant matron, whose efforts to advance the interests of the club have been warmly appreciated.

The members who took part in last night's performance are: T. McCammon, J. Bateson, T. Sampson, J. Gillespie, J. Davidson, W. Shea, G. Watson, J. Hartrick, J. Wooten, J. S. Forsythe, T. Bassam and W. Chedill.

Do Not Be Deceived.

Hypocrisy is the compliment vice pays to virtue. Imitation is the compliment failure pays to success. The name—not the character—of Benson's Capcine Plasters is imitated by unscrupulous parties, who make and try to sell plasters variously called "Capsicin," "Capsicum," "Capsicine," "Capucin" plasters, with the manifest intention to deceive. Careless people are doubtless sometimes beguiled into buying such articles in place of the genuine. In the middle of the genuine is cut or pressed the word "Capcine," and on the face cloth is the "Three Seals" trademark.
