

# DOORS OPEN IN HALTON HILLS

Twelve-year-old Lucas Brogan and his six-year-old brother Justin are excited to check out the Olympia Ice Resurfacing Machine at Mold-Masters SportsPlex during Doors Open Halton Hills.

*Photos by Ray Lavender*

Some of the artifacts donated to the Halton Hills Sports Museum at Mold-Masters SportsPlex and shown during the Doors Open Halton Hills event.

Ten-year-old Nathan Vandenhock of Hillsburgh tries his hand out at flyfishing with the help of Joseph Ward of the Credit River Angers Association during Doors Open Halton Hills. The Credit River Anglers run projects to restore and promote the Credit River as a healthy fish habitat. Tree planting and river bank restoration events help maintain this valuable Ontario resource.

## SURVEY AND PUBLIC CONSULTATION

### Master Plan for the Cheltenham Badlands

A Master Plan is being developed for the Cheltenham Badlands, as required under Part 3 of the Niagara Escarpment Plan. The Ontario Heritage Trust would like to learn more about your views, concerns and ideas to help guide conservation at the Badlands. Public input and dialogue are an important component of the Master Planning process. We hope that you will participate!

#### Online Survey

To gather information about visitors' experiences and recommendations for the Cheltenham Badlands, a short online survey is available until October 31 at [www.surveymonkey.com/r/CheltenhamBadlands](http://www.surveymonkey.com/r/CheltenhamBadlands).

#### Public Consultation Meeting

As part of the master planning process, there will be a series of public consultation meetings. The first meeting is scheduled for **Tuesday, October 13, 2015 at 7 p.m.** in the Banquet Hall at the Caledon Community Complex, located at 6215 Old Church Road in Caledon East, Ontario.

**For more Information:**

## WELCOME CHRISTINE!

**Christine**

Registered  
 Physiotherapist

Christine is a Registered Physiotherapist with the College of Physiotherapists of Ontario, and has experience treating a wide range of orthopedic, neurological, and vestibular conditions. Christine has received training in the assessment and treatment of post-concussion syndrome, vertigo, and general "dizziness" problems, and has also completed various post-graduate courses with a focus on treatment of the shoulder and upper limb. With over ten years of experience teaching recreational and competitive dance, Christine also has a special interest in treating young dancers and gymnasts. Christine is thrilled to bring her skills and experience to the Halton Hills community.
