ANALYSES OF
STROUD BROS
TEAS AND COFFEES
By the Government Analyst, May 1st, 1884.

I hereby certify that I have received from Messrs. Stroud Brothers a number of samples of their teas and coffees, representing their entire stock now in their several warehouses in the city, and at their request I have submitted the same to analysis and microscopic examination, and I now beg to report on the following samples of coffee and chicory:

No. 1—JAVA COFFEE Selling at ..... 17c per lb.
No. 2—MARACAYBO COFFEE, Selling at ..... 30c per lb.
No. 3—COFFEE Selling at ..... 25c per lb.
No. 4 GENUINE COFFEE MIXTURES, Selling at ..... 22c per lb.
No. 5—COFFEE AND CHICORY MIXTURES Selling at ..... 15c per lb.
No. 6—GROUND ENGLISH MIXTURES, Selling at ..... 15c per lb.

All of these samples I find to be genuine and of excellent quality. Sample No. four is a most delicious mixture No. 1 and 2, which is decidedly preferable to either separately. No. five is a still further improvement and forms a deliciously flavored coffee which to those who prefer a little chicory, will be found both economical, fragrant and strong. The Chicory is genuine and of the English cultivated variety which is superior to Canadian grown Chicory.

Right samples of CHINA TEAS and JAPAN TEAS are now in hand and under examination and will be the subject of a future report.

THE CELEBRATED COOK'S FRIEND BAKING POWDER
Is a Pure Fruit ACID POWDER
It contains neither alum, lime, nor ammonia and may be used by the most delicate constitutions with perfect safety. Its great success arising from its being intrinsically THE BEST VALUE IN THE MARKET, as well as thoroughly adapted to the wants of the kitchen, has excited envious imitations of its name and appearance. Beware of such.
