THE PACIFIC NORTHWEST!

Oregon, Washington & Idaho

Offers the best field for Emigrants—was a mild climate, healthy climate; cheap landing grant territory, producing all varieties of cereals, fruit, and Grasses in wonderful abundance; an inexhaustible supply of Timber; vast Coal fields and other mineral deposits; cheap and quick transportation by railroads and river navigation; direct commerce with all parts of the world, owing to its proximity to the Pacific Ocean.

NO DROUTHS, NO INSECT PESTS, NO HURRICANES, WHIRLWINDS, OR OTHER DESTRUCTIVE PHENOMENA.

The soils of the Pacific Northwest show an average yield of wheat per acre largely in excess of that of any other section of the United States.

No failure of crops has ever occurred.

Oregon wheat commands a higher price than that of any other country in the Liverpool market.

An immense area of very fertile Railroad and Government Lands, within easy reach of the trunk lines of the North-to Pacific RR., the Oregon Railway & Navigation, and the Oregon & California RR. Cheap and short excursion tickets to the great Valleys of the Columbia and its tributaries, are now offered for sale at Low Prices, and on easy Terms, or open to pre-emption and Homestead Entry.

The great movement of population to the Columbia River valleys is progressing with the remarkably increased by the completion of the Northern Pacific RR. and the Oregon Railway & Navigation Co.'s systems. This presents evidence a rapid increase in the value of Lands now open to purchase or to entry under the United States Land Laws.

AYER'S HAIR VIGOR.

Restoring Gray Hair to its Natural Vitality and Color

This elegant preparation is now universally recommended by the medical faculty as the best and most efficacious dressing for the hair. Its success in restoring the color of gray hair has been so marked and so generally attested by our friends and the public, that it seems to be a waste of time and money to continue the assertion that it does not fail to restore the color of gray hair, but we do not hesitate to say that it does, when used according to the directions, restore the color of gray hair in a large proportion of the cases in which it is applied. It is also the most agreeable and desirable dressing for the hair that can be procured. Its use for a few days softens and renders pliable the most brittle and wiry hair, and it imparts to it a glossy appearance and a pleasant odor. Its effects are those of a gentle stimulant, and it does not soil the finest linen. Its action upon the hair follows a single application, and its effects are permanent. Its use for a few weeks renders the hair much more easy of control, and it will hold the hair in any required position. Its use also prevents the hair from falling out, and it stimulates the growth of new hair. Its occasional use will prevent the hair from becoming dry and fall off in old age. Its use is followed by the growth of a new and healthy hair. Its use is recommended by many of our most eminent citizens, whose testimony to its value we have in our possession. Its composition is such that it may be used with the assurance that it will not injure the health or the most delicate person. Its extraordinary success in restoring the hair has given it a reputation which no other preparation has ever attained, and it is now universally recognized as the standard dressing for the hair.

WIDESPREAD DEVASTATION

Terrible Work of the Continental Floods—Great Wrecks.

There is scarcely any statement so yet in the European floods, the water standing 500 centimetres higher than its known normal level in Vienna, 680 at Pesth and 675 in Presburg. Lins and Pesth suffered most among the larger towns, 73,000 acres of cultivated land lying south of the latter being entirely submerged. Country folks saved their herds with difficulty, but left their houses to the mercy of the waves. The damage to property in Austria everywhere, but the loss of life is not as large as might be expected, owing to the precautions taken in good time.

In Germany, especially the Rhine provinces, the inundations are more destructive than for many years. The city of Meyenne is in a critical position. The entire plain between Manheim and Worms is a great lake 10 feet deep. Five villages have been destroyed and 200 houses fallen. In the district near Worms 12 villages have been nearly destroyed and 600 houses have collapsed, and 15,000 people are completely destitute. At Maghem nothing is visible from the observatory but a sea of water, with a few trees and roofs. The burgomasters of Worms and Maxheim left in boats, and a number of lives were lost. At Heidelberg both lines of railways were destroyed, and the water has risen to the ceiling in lower parts of the town.

Everywhere the churches and public buildings are opened to shelter the sufferers. The authorities are supplying food from Worms to Bidenheim and Lampersheim. At Bergstrasse the Rhine burst through dams and swept away houses and lands. All the streets of Cologne and adjacent towns are under water, the suburbs form an extensive lake and 500 people are homeless. The police and fire brigade are laying trees the walks to facilitate the escape of residents, while boats laden with household effects assist in the work of conveying merchants to their offices, into which they crowd through windows.

Below Cologne the little towns of Muehlenaer Worder and Warrunger are entirely under water. In Frenzenheim houses have fallen and furniture is floating about. The inhabitants in many cases are prisoners in their submerged dwellings, and threatened with famine.

A house-to-house collection will shortly be started throughout the German Empire in aid of the sufferers in the flooded districts. The Prussian Government has already granted $125,000 for their relief and the Government of Hesse has given the same amount. The subscription in Prussia reached $875,000. Large sums are arriving from England and America.

There are many recent things done in this world and one of the most foolish (and we may add wicked) things is to neglect a cough, or cold. Now we know that coughs, colds, bronchitis, catarrh, and all chest, throat and lung troubles, if neglected, are sure to end in consumption and death. They may be easily cured by using as directed Dr. Carson's Pulmonary Cough Drops. There is no remedy equal to it. It never fails. Sold everywhere in large bottles at 25 cents.

In a few grains of common sense could be infused into the think noddles of those who perpetually and alternately irritate and weaken their stomachs and bowels with drastic purgatives they would use the highly accredited and healthful laxative and tonic, Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, which causes "good digestion to wait on appetite, and health on both."

We have a speedy and positive cure for catarrh, diphtheria, canker mouth and headache, in Sutton's Catarrh Remedy. A nasal syringe free with each bottle. Use it if you desire health and sweet breath. Price 50 cents. J. G. King, wholesale and retail agent.

Most cases of sick headache, biliousness, constipation, &c., can be cured in one time, with less medicine, and for less money, by using carter's Little Liver Pills, than by any other means.

Catarrh is the seed of consumption, and unless taken in time is a very dangerous disease. Hall's Catarrh Cure never fails to cure. Price 75 cents. Sold by J. Geo. King.

Fever Sufferers Unfortunately Are Often—There are the successive effects of one of the most deservedly popular remedies in the Dominion, Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, which restores an irregular condition of the bowels and liver, invigorates the stomach, renews digestion, and changes the current of the blood from a sluggish and turbid into a pure, rapid and fertilizing stream.

Pectoria! Pectoria! Pectoria! The great and true remedy for coughs, colds, bronchitis, catarrh and consumption. Have you tried "Pectoria?" It is sold in 25 cent bottles. It never fails. If your druggist cannot procure it from your dealer enclose $1 to Smith & McGiddan, Toronto, and we will send you free by express two bottles. It may save your life.

Insanity is in almost all cases the outgrowth of an overwrought brain. Dr. R. C. West's Nerve and Brain Treatment removes the cause and effects a cure. Sold by W. J. Wilson.

"Kind Women can never die," and there are none but kind words spoken regarding Hagyard's Yellow Oil, that old reliable remedy for external and internal use. It cures rheumatism, deafness, croup, sore throat, and all soreness and wounds of the flesh.

Mr. J. W. Gogop, of Newbury, has used Burdock Blood Bitters in his family with good effect, and says that Rev. J. R. Smith has used it, and speaks of it in high terms of praise. It is the great blood purifying tonic that acts upon the bowels, the liver, the kidneys, the skin and the blood.

Mrs. J. G. Robertson, of Toronto, was cured of general debility, loss of appetite, etc. She says that she was troublesome until she tried Burdock Blood Bitters. She also states that she finds bitter than for years, and cannot praise Burdock Blood Bitters too much. The best medicine known for all diseases of the blood, liver and kidneys.

A CARD.

To all who are suffering from the sins and indiscretions of youth, nervous weakness, early decay, loss of manhood, &c., I will send a receipt that will cure you, FREE OF CHARGE. This great remedy was discovered by a missionary in South America. Send a self-addressed envelope to the Rev. Joseph T. Inman, Station D, New York City.

RIDDULPH TRAGEDY.

One of the Maher Boys Reported Deranged in Mind—Desire to Interview the County Attorney.

A report comes from the township of Biddulph, and which, if preserved of foundation, may renew to some extent the interest in the Biddulph tragedy. A reliable farmer living on the Roman Line, affirms that the elder of the Maher boys, who were believed at one time to be implicated in the tragedy, has become deranged in mind. The malady is said to have first manifested itself about Christmas, and to have become so alarming since that time as occasionally to require the efforts of several persons to restrain the young man's violence. The most prominent feature in connection with his mental aberration is stated to be an incessant desire to see the County Attorney, and some go so far as to believe that an early interview might result in important revelations with respect to the tragedy.

THE REPORT CONFIRMED.

Since the above paragraph was penned, further information has been received which renders it absolutely certain that James Maher, the unfortunate young man referred to has become deranged in mind. He is described as an innocent-looking, dull-witted young man, and many will interpret the sad malady that has overtaken him to be direct visitation from Providence. They will discern it in the action of retributive justice, and will be convinced that the young man has held locked within his breast a terrible secret, and that the recollection of the fearful scenes associated with the bloody tragedy has preyed upon his imagination to such an extent as to unhinge his reason.

The unfortunate young man is being carefully watched over by Jas. Carroll, the ex-constable, who is most assiduous in ministering to his wants.

New Life For Functions Weakened by Disease, Debility and Dissipation.

The Great German Invigorator is the only specific for impotency, nervous debility, universal lassitude, forgetfulness, pain in the back or side, no matter how shattered the system may be from excesses of any kind, the Great German Remedy will restore the lost functions and secure health and happiness. $1 per box, six boxes for $5. Sold by all druggists. Sent on receipt of price, postage paid, by F. J. Cheney, Toledo, Ohio, sole agent for United States. Circulars and testimonials sent free. J. G. King, agent, Kingston.

Do Not be Deceived.

In these times of quack medicine advertisements everywhere it is truly gratifying to find one remedy that is worthy of praise, and which really does as recommended. Eclectric Bitters we can vouch for as being a true and reliable remedy, and one that will do as recommended. They invariably cure stomach and liver complaints, diseases of the kidneys and urinary difficulties. We know whereof we speak, and can readily say, give them a trial. Sold at fifty cents a bottle by J. Geo. King.

We have in Wheeler's Compound Tonic and Calisaya proximate principles, ready-made tissue elements, agents of cell growth, the source in the brain and spinal cord of phosphorus, he motor power of the nervous system, perpetual in their activity and maintaining that constant impulse on nutrition so essential to the successful treatment of chronic wasting diseases. In consumption, scrofula, and all other manifestations of errors in nutrition, its protracted use will demonstrate a much greater percentage of rational improvement than any other form of phosphorus compounds in existence, whether in pill, solution, or hypophosphites.

Mr. John Magwood, Victoria Road, writes: "Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure is a splendid medicine. My customers say they never used anything so effectual. Good results immediately follow its use. I know its value from personal experience, having been troubled for 9 or 10 years with Dyspepsia, and since using it digestion goes on without that depressed feeling so well known to dyspeptics. I have no hesitation in recommending it in any case of indigestion, constipation, heartburn, or troubles arising from a disordered stomach."

Oh, What a Cough!

Will you heed the warning. The signal perhaps of the sure approach of that more terrible disease consumption. Ask yourselves if you can afford for the sake of saving 50 cts., to run the risk and do nothing for it. We know from experience that Shiloh's Cure will cure your cough. It never fails. This explains why more than a million bottles were sold the past year. It relieves croup and whooping cough at once. Mothers, do not be without it. For lame back, side, or chest, use Shiloh's Porous Plaster. J. G. King, wholesale and retail agent.

Allen Cox, of Grant Isle, Arnprior Co., Maine, writes: "Having used Northrop & Lyman's valuable Emulsion of Cod Liver Oil with Hypophosphites of Lime and Soda, and derived great benefit from it, I take the liberty of asking you for quotations and also whether you would be willing to give me the agency for this place, as I am confident there would be a large sale for it in this county when its merits were made known.

Dandelion is the name of a widely and favorably known hair restorer which is not recommended to do utterly impossible things, but then nothing is better for keeping the hair in good condition and restoring it when lost, if the scalp is capable of being toned up, to exert its proper functions. Sold at fifty cents per bottle by all druggists.

Thousands have used Dr. Van Buren's Kidney Cure and willingly have testified to the immediate relief it gives after a few doses in kidney troubles, and how a few bottles always effect a permanent cure. No one can afford to be without it.

Dyspepsia of mind and body, and all diseases due to insufficient or impaired nutrition, are at once arrested and cured by the early use of Puttner's Emulsion of Cod Liver Oil with Hypophosphites, etc.
