THE PACIFIC NORTHWEST!

Oregon, Washington & Idaho

Offers the best field for Emigrants—viz.: a mild equable, and healthy climate; cheap lands; great fertility, abundance of materials of Grain, Fruit, and Grasses in wonderful abundance; an unsurpassed country of Timber; best Coal, Iron, and other mineral deposits; cheap and quick transportation by railroads and river navigation; direct communication with all parts of the world, owing to its proximity to the Pacific Ocean.

NO CYCLONES, NO INSECT PESTS, NO MALARIAL DISTURBANCES, AS ON OTHER DESTRUCTIVE TERRITORIES.

The markets of the Pacific Northwest show an average yield of wheat per acre superior to any each of the half of any other section of the United States.

No failure of crops has ever occurred.

Oregon wheat commands a higher price than that of any other country on the Liverpool market.

The climate is one in which farmers can work out of doors all the year round.

Settlers can locate upon fertile lands near railroad facilities, within easy reach of the work done of the North by Pacific, N.R., the Oregon Railway & Navigation, and the Oregon & California R.R. Coal and other resources abundant in the great Valleys of the Columbia and its tributaries, are now offered for sale at Low Prices, and on easy terms, of one to five years, to the industrious Farmer.

The great movement of population to the Coast, which has proved so beneficial to the country adjacent to the Northern Pacific R.R. and the Oregon Railway & Navigation Co.'s systems, is now directed to a slight extension of the Well-Known Lands now open for settlement on no other country under the United States Land Laws.

TALLY OF KISSES.

A Maiden's Business-Like Preparations for a Breach of Promise Suit.

There is a young man in this county of Wayne, state of Michigan, who is going to be terribly astonished before the year 1885 is more than a month old, says the Detroit Free Press. The law will reach out and clasp his throat just above the Adam's apple, and he will get such a shaking up and mopping around that he will soon to feel his heels beat a tattoo on the back of his neck.

They were in to see a lawyer yesterday—Mary Ann and her mother. Mary Ann was a little embarrassed, but the old woman was calmness itself. When they spoke about a breach of promise case the lawyer asked:

"What evidence have you got?"

"Mary Ann produce the letters," commanded the mother, and the girl took the cover off a willow basket and remarked that she thought 927 letters would do to begin on. The other 631 would be produced as soon as the case was lately before the court."

"And outside of these letters?" queried the lawyer.

"Mary Ann, produce your diary," said the mother. "Now turn to the heading of 'Frenzies' and tell him how many times that marriage business was talked over."

"Two hundred and 214 times," answered the girl.

"Now turn to the heading of 'Darling' and give us the number of times he has applied the term to you."

"If I have figured right the total is 9,204 times."

"I guess you counted pretty straight, for you are good in arithmetic. Now turn to the heading of 'Woodbine Cottage,' and tell us how many times he has talked of such a home for you after marriage."

"The footing is 1,885 times."

"Very well. This lawyer wants to be sure that we've got a case. How many times has Charles Henry said he would die for you?"

"Three hundred and fifty," answered the girl, as she turned over a leaf.

"How many times has he called you an angel?"

"Over 11,000, mamma."

"How about squeezing hands?"

"Over 384,000 squeezes."

"And kisses?"

"Nearly 417,000."

"There's our case," said the mother as she deposited basket and diary on the lawyer's table. "Look over the documents, and if you want anything further I can bring in a dozen of neighbors to swear to facts. We want $10,000 damages, and we don't settle for less than an 8½ acre farm, with buildings in good repair. We'll call again next week. Good day, sir."

HOLLOWAY'S OINTMENT AND PILLS.—These remedies are unequalled throughout the world for bad legs, wounds, foul sores, and ulcers. Used according to directions given with them they cure wounds, bad leg, or ulcerous sore, however obstinate or long standing, but will yield to their healing and curative properties. Many poor sufferers who have been patients in the large hospitals under the care of eminent surgeons, and have derived little or no benefit from their treatment, have been thoroughly cured by Holloway's Pills and Ointment. For inflamed swellings, tumours, scurvy, and diseases of the skin there is nothing that can be used with so much benefit. In fact, in the worst forms of disease dependent upon the condition of the blood, these medicines used conjointly, are irresistible.

There are many rascal things done in this world and one of the most foolish (and we may add wicked) things is to neglect a cough or cold. Now we know that coughs, colds, bronchitis, catarrh, and all chest, throat and lung troubles, if neglected, are sure to end in consumption and death. They may be easily cured by using as directed Dr. Carson's Pulmonary Cough Drops. There is no remedy equal to it. It never fails. Sold everywhere in large bottles at 50 cents.

If a few grains of common sense could be infused into the thick noddles of those who perpetually and alternately irritate and weaken their stomachs and bowels with drastic purgatives they would use the highly accredited and healthful laxative and tonic, Northrop & Lyman's Vegetable Discovery and Dyspepsia Cure, which causes good digestion to wait on appetite, and health on both.

We have a speedy and positive cure for catarrh, diphtheria, canker mouth and breath, in Sanford's Catarrh Remedy. A nasal injector free with each bottle. Use it if you desire health and sweet breath. Price 50 cents. J. G. King, wholesale and retail agent.

Many cases of sickheadache, biliousness, constipation, etc., can be cured in one time, with this medicine, and for less money, by using Carter's Little Liver Pills, than by any other means.

Catarrh is the seed of consumption, and unless taken in time is a very dangerous disease. Dr. Sage's Catarrh Cure never fails to cure. Price 75 cents. Sold by J. Geo. King.

As Oasis in the desert in no brighter light to the weary Arab than a bottle of Dr. Van Buren's Kidney Cure is to the unfortunate sufferer from Kidney Disease. It is a perfect, positive and permanent cure.

First Relief Unfailing Cure.—These are the successive effects of one of the most deservedly popular remedies in the Dominion, Northrop & Lyman's Vegetable Discovery and Dyspepsia Cure, which reforms an irregular condition of the bowels and liver, invigorates the stomach, renews digestion, and changes the current of the blood from a sluggish and turbid into a pure, rapid and fertilizing stream.

Pectoria! Pectoria! Pectoria! The great and true remedy for coughs, colds, bronchitis, catarrh and consumption. Have you tried "Pectoria?" It is sold in 25 cent bottles. It never fails. If you cannot procure it from your dealer enclose, $1 to Smith & McMillan, Toronto, and we will send you two by express, free. Delay may save your life.

Beauty is in almost all cases the outgrowth of an overwrought brain. Dr. R. C. West's Nerve and Brain Treatment remedies the cause and effects a cure. Sold by W. J. Wilson.

"Kind words can never die," and there are none but kind words spoken regarding Hagyard's Yellow Oil, that all reliable remedy for external and internal use. It cures rheumatism, deafness, croup, sore throat, and all soreness and wounds of the flesh.

Mr. J. W. Guppy, of Newbury, has used Burdock Blood Bitters in his family with with good effect, and says that Rev. J. R. Smith has used it, and spoken of it in high terms of praise. It is the great blood purifying tonic that sets upon the bowels, the liver, the kidneys, the skin and the blood.

Mr. J. G. Robertson, of Toronto, was cured of general debility, loss of appetite, etc. He says that he was languishing until the use of Burdock Blood Bitters. He also states that "she feels better than for years, and cannot praise Burdock Blood Bitters too much." The best medicine known for all diseases of the blood, liver and kidneys.

Do Not be Deceived.

In these times of quack medicine advertisements everywhere it is truly gratifying to find one remedy that is worthy of praise, and which really does all recommended. Eclectric Bitters we can vouch for as being a true and reliable remedy, and one that will do as recommended. They invariably cure stomach and liver complaints, diseases of the kidneys and urinary difficulties. We know whereof we speak, and can readily say, give them a trial. Sold at fifty cents a bottle by J. Geo. King.

SYDENHAM NOTES.

Booth & Woodruff have commenced lumbering in the back woods.

The lake is now lower than it has ever been known before. The mills will soon be compelled to shut down.

Mr. A. McVey left on Monday for Queen's College, Kingston.

Dr. Purdy has left this place and gone to Kansas, where he intends to offer his surgical abilities.

Mr. Thomas Townsend has resigned the office of Superintendent of the Methodist Episcopal Sabbath School, and the vacancy has been filled by Mr. Lewis Chown.

We have in Wheeler's Pectoral Syrup and Calmus, proximate principles, ready made tissue elements, agents of cell growth, the nerves in the brain and spinal cord of phosphorus, be motor power of the nervous system, perpetual in their activity and maintaining that constant impulse on nutrition so essential to the successful treatment of chronic wasting diseases. In consumption, scrofula, and all other manifestations of errors in nutrition, its prolonged use will demonstrate a much greater percentage of radical improvement than any other form of phosphorus compounds in existence, whether in pill, solution, or hypophosphites.

Mr. John Maxwell, Victoria Road, writes: "Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure is a splendid medicine. My customers say they never used anything so effectual. Good results immediately follow its use. I know its value from personal experience, having been troubled for 9 or 10 years with Dyspepsia, and since using it dyspepsia goes on without that depressed feeling so well known to dyspeptics. I have no hesitation in recommending it in any case of indigestion, constipation, heartburn, or troubles arising from a disordered stomach."

SUNBURY NOTES.

John McNeely, who has been very ill, is recovering.

Corporal H. Walsh, "B" Battery, is here, spending a few days with friends.

George Hobbs, an extremed resident, was married a few days ago.

The best party of the season was given by Mr. and Mrs. W. Ball on Monday evening last.

Oh, What a Cough!

Will you heed the warning. The signal perhaps of the sure approach of that more terrible disease consumption. Ask yourselves if you can afford for the sake of saving 50 cts., to run the risk and do nothing for it. We know from experience that Shiloh's Cure will cure your cough. It never fails. This explains why more than a million bottles were sold the past year. It relieves croup and whooping cough at once. Mothers do not be without it. For lame back, side, or chest, use Shiloh's Porous Plaster. J. G. King, wholesale and retail agent.

Allen Cro. of Great Falls, Androscoggin Co., Maine, writes: "Having used Northrop & Lyman's valuable Emulsion of Cod Liver Oil with Hypophosphites of Lime and Soda, and derived great benefit from it, I take the liberty of asking you for quotations, and also whether you would be willing to give me the agency for the place, as I am confident there would be a large sale for it in this vicinity when its merits were made known."

Surely miraculous is all I can say of the effect of Dr. Van Buren's Kidney Cure in my case. An elderly lady writes this from Antigonish, N. S., who had suffered from pains in the back for twenty years.

Dyspepsia of mind and body, and all diseases due to insufficient or impaired nutrition, are at once arrested and cured by the entire use of Puffner's Emulsion of Cod Liver Oil with Hypophosphites, etc.
