Hancock's Inspirator

IS THE MOST ECONOMICAL APPLIANCE KNOWN for feeding boilers or pumping purposes on account of the great range of efficiency and the small expenditure of steam required for working it. It is intended to take the place of the injector, and because it may be used little or dead to great advantage. It differs materially both in its

Construction & Working Qualities

from the class of boiler feeders known as injectors, which, as it has one set of cones in working order and other set of cones for forcing water, it takes two times as much steam for working as this. There are circles in operation, already ready for use and showing a very valuable fuel saving.

AYER'S HAIR VIGOR.

—FOR—

Restoring Gray Hair to its Natural Vitality and Color

Ayer's Hair Vigor has long and extensive sale, has proved that it stands alone in the front rank of the hair preparations, offering to every one the growth, strength, and vigor of youth, always restores its color when faded or gray. It cleans the scalp, removes all dandruff, and prevents hair falling. It stops the hair from falling out, and promotes its healthy growth. It is the best dressing for the hair, and, as it contains no oil, it does not soil the most delicate head dress. It is not a dye, but by its tonic effect it does often restore the color when it has been lost, and it does always produce a healthy growth of hair wherever there is life in the roots of the hair. Nothing can be more beautiful than the hair when dressed with this preparation. Its effects are lasting, and a single bottle will show its value to the most skeptical.

Answer This Question

Why do so many people we see around us seem to prefer to suffer and be made miserable by Indigestion, Constipation, Dizziness, Loss of Appetite, Coming up of Food, Yellow Skin, when, for 75 cts., we will sell them Smith's Vinolum, guaranteed to cure them. J. G. King, Wholesale and Retail Agent.

Mr. John Magwood, Victoria Road, writes: "Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure is a splendid medicine. My customers say they never used anything so effectual. Good results unmistakably follow its use. I know its value from personal experience, having been troubled for 9 or 10 years with Dyspepsia, and never using it digestion goes on without that depressed feeling so well known to dyspeptics. I have no hesitation in recommending it in any case of indigestion, constipation, heartburn, or troubles arising from a disordered stomach."

As Age Creeps on Apace, the various functions of the body grow weaker in their performance. Old people who suffer from increasing indigestion, torpidity of the liver and constipation, should give renewed impetus to the action of the stomach, bile-secreting organ and bowels, with Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, from which aid is never invoked in vain. It is the great blood purifier.

H. A. McLaughlin, Norland, writes: "I am sold out of Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure. It sells well and I find in every instance it has proven satisfactory. I have reason to believe it the best preparation of the kind in the market." It cures Dyspepsia, biliousness and torpidity of the liver, constipation and all diseases arising from impure blood, female complaints, etc.

MR. HAYCOCK EXPLAINS

How he Came to be Unseated after His Election as Reeve—No Resistance Offered.

The Editor, British Whig.

DEAR SIR,—Will you kindly permit me to make an explanation with regard to the Reeveship of the Township of Kingston, which I consider due to my friends throughout the township.

At all five courts I was elected to the office of Reeve by a majority of 41 and I take this opportunity of thanking my many friends for placing me in that position.

Up to the morning of the meeting of the new Council I believed that I had the necessary property qualification and fully intended to have subscribed to the usual declarations and taken my seat.

That opinion was based on the reading of the law as laid down in the Revised Statutes and Municipal Manual, Chap. 174, Sec. 70, which says in effect that the qualification required for Reeves, Deputy Reeves and Councillors in Townships is that they shall be assessed on last revised assessment roll for not less than $400 of freehold property and under that Act I was fully qualified.

On the morning referred to my attention was called by Mr Vankoughnet's legal adviser to the Statute of 1880, Chap. 24, Sec. 3, when I found that the above mentioned Sec. 70 had been amended by adding the words, over and above all charges, liens and encumbrances affecting the same.

Now, sir, the facts of the case are simply as follows. In 1880 I purchased the property which I now own, for which I paid $3,800, and in order to pay for it all down I had to borrow $3,300, for which I gave a mortgage on the said property.

Since purchasing the above property I have expended not less than $900 in permanent improvements, and competent judges now value it at not less than $6,000, but as property in this county is not assessed at anything like its full value it so happened that I was voted out.

I regret add that I believe that I have sufficient grounds for unseating my opponent, that I did intend and was strongly urged by my friends to do so, but on considering the matter have come to the conclusion that by so doing it would not only put the Township to considerable expense but would place myself on a level with Mr Vankoughnet.

I have therefore, decided to allow him to enjoy the seat for this year. That is, providing that he can enjoy a seat obtained in that manner, and hold by him in spite of the expressed wishes of a majority of the ratepayers of the township of Kingston.

Yours respectfully

J. L. HAYCOCK.

HOLLOWAY'S PILLS.—Indigestion and liver complaints.—The digestion cannot be imperfect or seriously disordered without the effects of such derangement becoming visible on the count nance. These Pills at once remove the disorder and its unpleasant consequences. They stimulate the digestive and assimilative functions, and consequently promote that great desideratum—a good appetite. Holloway's Pills most satisfactorily remove all deranged or diseased action of the many organs engaged in extracting nourishment for our bodies from our various diets—as the liver, stomach, and bowels, over all of which they exercise the most salutary control. By resorting at an early stage of the malady to these purifying and laxative Pills the melancholy and jaundiced dyspeptic is speedily restored to health and strength, and his sallowness gradually vanishes.

A Cure For Headache.

What physician has ever discovered a cure for headache? Echo answers none. But Burdock Blood Bitters by their purifying, invigorating, nervine properties afford a cure in nearly every case. The health giving principles are unequalled by any similar preparation in the world.

Consumption is a disease contracted by a neglected cold—how necessary then that we should at once get the best cure for coughs, colds, laryngitis and all diseases of the throat and lungs. One of the most popular medicines for these complaints is Northrop & Lyman's Emulsion of Cod Liver Oil and Hypophosphites of Lime and Soda. Mr. J. F. Smith, druggist, Dunnville, writes: "It gives general satisfaction and sells splendidly."

THE CAUSE OF DEATH. It is known almost to a certainty that in fatal disease the individual dies either by the brain, heart or lungs. How wise then is the effort to maintain a perfect state of health! Dr. Carson's Stomach and Constipation Bitters are a veritable "Health Giver." They tone the system from all impurities, cure Biliousness, Dyspepsia, and all disease of the Stomach, Liver or Bowels. In large bottles at 50 cents. Sold by all Druggists.

"It made me feel like a Band of Music" was the rather forcible expression of an individual who was praising "Victoria," the great remedy for Coughs and Colds, Hoarseness, Asthma, Bronchitis. It is quite pleasant effectual. If you suffer, try it. For sale by all Druggists and general dealers at 25 cents a bottle.

As Oasis in the desert is no brighter light to the wandering Arab than a bottle of Dr. Van Buren's Kidney Cure is to the unfortunate sufferer from Kidney Disease. It is a perfect, positive and permanent cure.

Burns and Scalds.

Are promptly cured as well as all flesh wounds, sprains, bruises, callous lumps, soreness, pain, inflammation and all painful diseases; by the great Rheumatic Remedy, Hagyard's Yellow Oil. For external and internal use. Price 25 cents.

"Sozodont" for the teeth and breath, the purest, brightest, cosiest little toilet gem extant. Try a 5 cent sample.

Simply miraculous in all I can say of the effect of Dr. Van Buren's Kidney Cure in my case. An elderly lady writes this from Antigonish, N. S., who had suffered from pains in the back for twenty years.

G. A. Dixon, Prankville, Ont., says: "He was cured of chronic bronchitis that troubled him for seventeen years, by the use of Dr. Thomas' Eclectric Oil."

SNIDER'S CATARRH REMEDY.—A marvellous cure for catarrh, diphtheria, canker mouth and headache. With each bottle there is an ingenious nasal injector for the more successful treatment of these complaints without extra charge. Price 50 cts. J. Geo. King, wholesale and retail agent.

Discomfort of mind and body, and all disorders due to heartburn or impaired nutrition, are at once arrested and cured by the early use of Puttner's Emulsion of Cod Liver Oil with Hypophosphites, etc.

Dr. J. Collis Browne's Chlorodyne

THE ORIGINAL AND ONLY GENUINE.

ADVICE TO INVALIDS—If you wish to obtain quick, refreshing sleep, free from headache, relief from pain and sickness, to calm and soothe the weary activity of prostrated nerves, invigorate the exhausted mind, and restore the languishing energies of the body, you will possibly succeed with the invaluable remedy discovered by Dr. J. Collis Browne (late Army Medical Staff) to which he gave the name of CHLORODYNE, which is admitted by the profession to be the most wonderful and valuable remedy ever discovered.

CHLORODYNE is the best remedy known for Coughs, Consumption, Bronchitis and Asthma.

CHLORODYNE acts like a charm in Diarrhœa, and is the only specific in Cholera and Dysentery.

CHLORODYNE effectually cuts short all attacks of Spasms, Hysteria, Palpitation, and Sleeplessness.

CHLORODYNE is the only palliative in Neuralgia, Rheumatism, Gout, Cancer, Toothache, Menningitis, &c.

From Symes & Co., Pharmaceutical Chemists, Medical Hall, Simla, January 4, 1881. To J. T. Davenport, Esq., 33 Great Russell Street, Bloomsbury, London. Dear Sir,—We embrace this opportunity of congratulating you upon the wide-spread reputation this justly celebrated medicine, Dr. J. Collis Browne's Chlorodyne, has earned for itself, not only in Hindoostan, but all over the East. As a remedy of personal efficacy we prefer it to any other medicine we have used in our long practice, and we shall be glad to hear of its finding a place in every Anglo-Indian home. The other brands, we are happy to say, are now relegated to the native bazaars, and judging from their sale, we hence that their position there will be not overwhelmed. We could multiply instances of wonderful cures by this extraordinary efficacy of Dr Collis Browne's Chlorodyne in Diarrhœa, and Dysentery, Spasms, Cholera, Neuralgia, the Vomiting of Pregnancy, and as a general sedative, that have occurred under our personal observation during many years. Dr Chlorodyne, Dr. Browne's, and even in the more certain form of Chlorodyne, we have witnessed its surprisingly overbearing power. We have never used any other form of this medicine than Collis Browne's from a firm conviction that it is decidedly the best and also from a sense of duty we owe to the profession and the public, as we are fully of the opinion that the adulteration of any other Collis Browne's is a DELIBERATE MEANS OF DEATH ON THE PART OF THE MANUFACTURER AND PATENT ALONE. We are, Sir, faithfully yours, Symes & Co. Members of the Pharm. Society of Great Britain. Sole Excellency the Viceroy's Chemists.

CAUTION.—Vice Chancellor Sir Page Wood stated that that Dr. J. Collis Browne was undoubtedly the inventor of Chlorodyne; that the story of the celebrated Freeman was deliberately an impostor, which, he regretted to say, had been proved to his Court. See Times, July 13, 1864.

Sold in bottles only, 1s. 1½d., 2s. 9d., 4s. 6d., and 11s. each. None genuine without the words "Dr J. Collis Browne's Chlorodyne" on the Government stamp. Overwhelming medical testimony to each bottle.

THE PACIFIC NORTHWEST!

Oregon, Washington & Idaho

Offers the best field for Emigrants—was a mild exposition, and healthy climate—strong hands a good business, presented all varieties of Grain, Fruit, and Grasses in wonderful abundance, an inexhaustible supply of Timber, vast Coal fields and other mineral deposits, cheap and quick transportation by railroads and river navigation, direct connection with and passage the world owing to its proximity to the Pacific Ocean.

NO BROKEN, NO INSECT PESTS, NO HAIL, BLIZZARDS, WHIRLWINDS, OR OTHER DESTRUCTIVE PHENOMENA.

The lands of the Pacific Northwest show an average yield of about per acre larger in average of any other section of the United States.

The failure of crops has ever occurred.

Oregon wheat commands a higher price than that of any other country in the Liverpool market.

An immense area of very fertile Railroad and Government Lands, within easy reach of the Oregon Railway & Navigation, and the Oregon & California RR. Cos. and their connection branches in the great Valleys of the Columbia and its tributaries, are now offered for sale in Large Tracts, and on Easy Terms, or open to government and Homestead Entry.

The great movement of population to the Columbia region now in progress will be tremendously increased by the completion of the Northern Pacific RR. and the Oregon Railway & Navigation Co.'s systems. This renders certain a rapid increase in the value of Lands now open to purchase or to entry under the United States Land Laws.
