Ayer's Sarsaparilla !

FOR PURIFYING THE BLOOD.

This compound of the vegetables above given, Sarsaparilla, Dock, Stillingia, and Mandrake with the Iodides of Potash and Iron, makes a most effectual cure of a class of complaints which are very prevalent and afflicting. It purifies the blood, purges out the lurking humors in the system, that undermine health and settle into troublesome disorders. Fragments of the skin are the apparitions on the surface of humors that should be expelled from the blood, internal derangements are the outward action of these same humors in some internal organ or organs, whose action they derange and whose substance they disease as I destroy. AYER'S SARSAPARILLA expels these humors from the blood. When they are gone, the disorders they produce disappear, such as Dyspepsia of the Liver, Stomach, Kidneys, Lungs, Eruptions and Eruptive Diseases of the skin, St. Anthony Fire, Rose or Erysipelas, Pimples, Pustules, Blotches, Boils, Tumors, Tetter and Salt Rheum, Scald Head, Ringworm, Ulcers and Sores, Rheumatism, Neuralgia, Pain in the Bones, Side and Head, Female Weakness, Sterility, Leucorrhoea arising from Internal Ulceration and Uterine Disease, Dropsy, Dyspepsia, Consumption and General Debility. With their departure health returns.
