Ayer's Sarsaparilla !

FOR PURIFYING THE BLOOD.

This compound of the vegetable alteratives, Sarsaparilla, Dock, Stillingia, and Mandrake, with the iodides of Potash and Iron, makes a record of cures of a series of complaints which are very prevalent and afflicting. It purifies the blood, purges out the lurking humors that breed health and spirits, and imparts vigor and vitality to the system, that invigorates the whole frame. Eruptions of the skin are the aggravation on the surface of humors that should be expelled from the blood. Internal derangements are the determination of these same humors to some internal organ, or organ, whose natural vitality, and whose sickness they disease and destroy. AYER'S SARSAPARILLA expels these humors from the blood. When they are gone the disorders they produce disappear, such as Dyspepsia or Indigestion, Liver Complaint, Eruptions and Eruptive Diseases of the skin, St. Anthony Fire, Rose or Erysipelas, Pimples, Pustules, Blotches, Boils, Tumors, Tetter and Salt Rheum, Scald Head, Ringworm, Erysipelas and Scurfy Eruptions, Venereal Taints, Female Weaknesses, Leucorrhœa arising from Internal Ulceration and Uterine Disease, Dropsy, Dropsical Effusions, and General Debility, when their dependent health symptom.

A Good Filter.

To have pure water in the house every family should have a good filter, the health and comfort depends largely upon the use of properly filtered water. The liver is the true filter for the blood, and Burdock Blood Bitters keep the liver and all the secretory organs in a healthy condition. It is the grand blood purifying liver regulating tonic.

As Age Creeps on Apace, the various functions of the body grow weaker in their performance. Old people who suffer from increasing indigestion, torpidity of the liver, and constipation, should give renewed impetus to the action of the stomach, bile-secreting organ and bowels, with Northrop & Lyman's Vegetable Discovery and Dyspepsia Cure, from which aid is never sought in vain. It works wonders as a blood purifier.

Mr. John Magwood, Victoria Road, writes: "Northrop & Lyman's Vegetable Discovery and Dyspepsia Cure is a splendid medicine. My customers say they never used anything so effectual. Good results immediately follow its use. I know its value from personal experience, having been troubled for 9 or 10 years with Dyspepsia, and since using it digestion goes on without that depressed feeling as well known to dyspeptics. I have no hesitation in recommending it in any case of indigestion, constipation, heartburn, or troubles arising from a disordered stomach."

Sceptics are believing. Read the testimonials in the pamphlet on Dr. Van Buren's Kidney Cure, then buy a bottle and relieve yourself of all those distressing pains. Your druggist can tell you all about it.

Beware of Imitations.

Since Dr. Thomas' Eclectric Oil has become celebrated, a number of unprincipled persons have been endeavoring to palm off Electrum and Eclectric Oil for the genuine Dr. Thomas' Eclectric Oil. Beware of these similar named articles. If their originators had any faith in the healing properties of their own medicines they would, like honest men, give them a name of their own, and not try to sell them on the reputation of another; but as they know their preparations have no merit, they resort to the most unprincipled means of selling them by getting a name as near as possible to Eclectric. We therefore ask the public when purchasing to see that the entire Dr. Thomas' Eclectric Oil is on the front of the wrapper, and the signature of Northrop & Lyman, the proprietors for Canada, on the back.

A Single Trial

HOW SHE CONDUCTS HERSELF.

Theresa Sturla managed to get drunk in the Illinois State prison, where she went for killing her lover, and has already brought a keeper into trouble for allowing her to escape ordinary discipline. She says that she has no further use for philanthropists, such as befriended her during her remarkable trial in Chicago, and refuses even to see them. One wealthy woman offered to adopt her as a daughter, have her thoroughly instructed in music to develop her wonderful voice, and then put her on the concert stage; but Theresa declares that her beauty and notoriety are quite sufficient to make her fortune as an actress, and she wouldn't bother with studying music.

Do not worry from sick headache a moment longer. It is not necessary. Carter's Little Liver Pills will cure you. Done, one little pill. All druggists sell them.
