Ayer's Sarsaparilla!

FOR PURIFYING THE BLOOD.

This compound of the vegetable alteratives, Sarsaparilla, Yellow Dock, Stillingia and Mandrake, with the iodides of Potash and Iron, makes a most efficacious cure of a serious class of complaints which are very prevalent and affecting. It purifies the blood, purges out the lurking humors in the system, that undermine health and bring on troublesome disorders. Eruptions of the skin are the appearance on the surface of humors that should be expelled from the blood. Internal derangements are the determination of these same humors to some internal organ or organ, which seems their destination, and where sickness then disease are the result. AYER'S SARSAPARILLA expels these humors from the blood. When they are gone, the disorders they produce disappear, such as Dyspepsia of the Liver, Stomach, Kidneys, Lungs, Dropsies and Erysipelas, Dizziness of the Head, St. Anthony's Fire, Piles or Hypochondria, Pimples, Pustules, Blotches, Boils, Tumors, Tetter and Salt Rheum, Scald Head, Ringworm, Shingles and Seven Rheumatism, Neuralgia, Pains in the Bones, Side and Head, Female Weakness, Sterility, Leucorrhœa arising from Debility, Irregularities and Uterine Disease, Dropsy, Dyspepsia, Constipation and General Debility. With their departure health returns.

ADDINGTON ELECTION

Denniston a Most Unpopular Candidate —What Deroche has Done for the Constituency.

To the Editor, British Whig.

Sir,—As you and your contemporary are astray as to election matters in the rear of the County of Addington perhaps you may like to hear from a backwoodsman. It was stated that Mr. George Denniston has commenced an active canvass and had held a meeting at Flinton. Mr. Denniston, however, has not been seen or heard from in that part of the riding, and is not expected to be. A few Conservatives had a private meeting to see if a more popular man could not be found to contest the riding. Again a correspondent of the Conservative organ at Harrington (Mr. Denniston's political address) said that he had taken a trip to the rear of the county and found out that Mr. Deroche would be elected by a large majority. It is all very well for that scribe to whistle to keep up his courage, but if Barnum is coming to hunt for curiosities kindly send him to the rear of our county for a real Dennison man and that will be a curiosity indeed. I do not mean that Mr. Dennison will get no votes in the rear of the county, as no doubt he will get some, as some of the people have got hold of the song "Mowat Must Go," but no one thinks that Mr. George Dennison is the right man to go to Toronto to sing that song at the opening of the new Parliament.

For years past George Dennison has been the most inveterate opponent in the County Council of the boon of the county. Not only so but insultingly so. The Reeve of Barrie told the people on his return from the Council, about a year since, that Dennison had insulted them by saying that Barrie did not pay half enough to cover the expenses of the Reeve for attending the Council. Nearly all the Reeves have the same complaint, and yet they are not his enemies politically. The choice lying between Dennison and Deroche, the electors in the rear of the constituency will find no difficulty in their choice, as they know that the former has always been against them and the latter always for them. He has been their member for ten years, doing all he possibly could for them, getting deeds for their lands many of them free, and hunting up back timber dues for them. Many of them have got through him as much as thirty or forty dollars, and some more than a hundred as well as the deed for the land free. Then the large amount of money received for colonization roads is much more than any former member ever got and more than any other member ever will get should the electors be so foolish as to turn their backs on so good and useful a member. But they will not do it; they are too far north for that. Again the bush fire of the fall of 1881 did some damage and the Reeves of Barrie and Kaladar made application to Mr. Deroche and he used his influence with the Government and got $800 to make good the loss to the poor settlers.

—Yours truly,

SOUTH.

HOLLOWAY'S PILLS.—Indigestion and liver complaints.—The digestion cannot be imperfect or seriously disordered without the effects of such derangement becoming visible on the countenance. These Pills at once remove the disorder and its unpleasant consequences. They stimulate the digestive and assimilative functions, and consequently promote that great boasting—a good appetite. Holloway's Pills most satisfactorily remove all deranged or diseased action of the many organs engaged in extracting nourishment for our bodies from our various meats—as the liver, stomach and bowels, over all of which they exercise the most salutary control. By resorting at an early stage of the malady to these purifying and lenitive Pills the weak and jaundiced dyspeptic is speedily restored to health and strength, and his sallowness gradually vanishes.

A Good Filter.

To have pure water in the house every family should have a good filter the health and comfort depends largely upon the use of properly filtered water. The best to the true filter for the blood, and Burdock Blood Bitters keep the liver and all the secretory organs in a healthy condition. It is the grand blood purifying liver regulating tonic.

Rheumatism.

North Ely, Eastern Tex. aship, P. Q. Sir,—I have great pleasure in giving testimony to the efficacy of your Electric Belts, Bands, and Insoles, having been afflicted with Rheumatism for thirty years. When I purchased the Belts, etc., last summer, I could scarcely walk, but now I am well, although in my seventy-sixth year.

THOMAS JAMESON, J. P.

Sold by W. J. Wilson, at the Pharmacy Heath & Guin's old stand.

Sceptics are believing. Read the testimonials in the pamphlet on Dr. Van Buren's Kidney Cure, then buy a bottle and relieve yourself of all those distressing pains. Your druggist can tell you all about it.

Beware of Imitations.

Since Dr. Thomas' Eclectric Oil has become celebrated, a number of unprincipled persons have been endeavoring to palm off Thomas and Eclectric Oil for the genuine Dr. Thomas' Eclectric Oil. Beware of these similar named articles. If their originators have any faith in the healing properties of their own medicines they would, like honest men, give them a name of their own, and not try to sell them on the reputation of another; but as they know their preparations have no merit, they resort to the most unprincipled means of selling them by getting a name as near as possible to Eclectric. We therefore ask the public when purchasing to see that the name Dr. Thomas' Eclectric Oil is on the front of the wrapper, and the signature of Northrop & Lyman, the proprietors for Canada, on the back.

PERSONS WHO READ AND REFLECT, after reading, upon the many published testimonials regarding Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, can scarcely fail to perceive that evidence so positive and concurrent could not be adduced in behalf of a remedy of doubtful efficacy. The facts proven by such evidence are that it roots out impurities of the blood, restores digestion, enriches the circulation, and regulates the bowels and liver.

THE cause of death. It is known almost to a certainty that in fatal disease the individual dies either by the brain, heart or lungs. How was they in the effort to maintain a perfect state of health? Dr. Carson's Stomach and Constipation Bitters are a veritable "Health Giver." They free the system from all impurities; cure Biliousness, Dyspepsia, and all disease of the Stomach, Liver or Bowels. In large bottles at 50 cents. Sold by all Druggists.

Burns and Scalds.

Are promptly cured as well as all flesh wounds, sprains, bruises, callous lumps, soreness, pain, inflammation and all painful diseases; by the great Rheumatic Remedy, Hagyard's Yellow Oil. For external and internal use. Price 25 cents.

INSANITY is in almost all cases the outgrowth of an overwrought brain. Dr R. C. West's Nerve and Brain Treatment removes the cause and effects a cure. Sold by W. J. Wilson.

DR. AUSTIN'S

Phosphatine!

Cures all Nervous Diseases.

TORONTO, March 10, 1882.

Messrs. LOWDEN & Co., Toronto.

Gents,—I have taken one bottle of Dr. Austin's Phosphatine, recommended to me, finding it the best I have ever taken, and have received great benefit from it. I believe that other ladies who are suffering as I could be cured from using it, which has troubled me since I was 3, and now I am 43, and never was quite well.

Yours truly, J. S. WETHERILL.
