Ayer's Sarsaparilla !

FOR PURIFYING THE BLOOD.

This compound of the vegetable alteratives, Sarsaparilla, Dock, Stillingia, and Mandrake, with the Iodides of Potash and Iron, makes a most effectual cure of a series of complaints which are very prevalent and baffling. It purifies the blood, purges out the lurking humors in the system, that undermine health and settle into troublesome disorders. Eruptions of the skin are the appearance on the surface of humors that should be expelled from the blood. Internal decay, commencing with the glands of these same humors to seek internal egress or repair, whose action they damage, and whose substance they disease and destroy. AYER'S SARSAPARILLA expels these humors from the blood. When these are gone, the diseases they produce disappear, such as Disorders of the Liver, Stomach, Kidneys, Lungs, Eruptions and Irregular Diseases of the Skin, St. Anthony's Fire, Blotches, Boils, Pimples, Pustules, Blisters, Salt Rheum, Scrofula, Tumors and Salt Rheum, Scald Head, Ringworm, Tetter and Salt Rheum, Neuralgia, Pain in the Bones, Side and Head, Female Weakness, Sterility, Leucorrhœa, Wasting Weakness, Impotence and Thousands of other cases, which have resisted all other treatment, and are now pronounced by their friends and themselves as cured by the use of Ayer's Sarsaparilla. Pamphlets containing testimonials of these and other cures, sent free by mail on application.

THE TORY CANDIDATURE.

Appeal of a Conservative—The Party in a Delicate Condition—Murray or Belfast.

SIR,—Having taken your paper for a number of years, and knowing its large circulation among Conservatives in this county, I would request insertion of my views on the coming Local election.

"A house divided against itself cannot stand," we are told, and this applies equally to a political party.

A Convention to appoint delegates was held on Saturday afternoon, when it was resolved to send members, varying from five to thirty from each Township, to nominate a member for the County.

Now, sir, I do not believe half the number of influential men will ever attend these meetings, and those who do attend will have to be nominated to fill up the quota, and what influence, even if they vote will the greater amount of them command.

The Reformers have unanimously agreed to support Mr. Fair, and they have hitherto formed such strong combinations that they have defeated the Conservatives in what that party intended a sure constituency.

Such jealousy exists in the Conservative ranks that they may well fall between two stools. One way it seems to me alone remains. Mr. Wm. Murray, a life long Liberal Conservative, is in the field and determined to run independent of any Convention, and I think his chances are more than good; but let the Convention bring out a man not popular in the county and lessen his chances as Liberal Conservative it may well happen the Grit candidate may go in.

Mr Murray has been known to me for the last thirty years and I, in common with every one else, have the highest opinion of him personally and his ability as a practical farmer combined with business knowledge to adequately represent our wants in Parliament, and should he be returned, of which I have no doubt, he will render a better account of himself at the end of his term than any one of the fossils so often returned to that august body.

He informs me that he is determined to run so that any factious opposition will only tend to render his triumph the greater or inflict a disastrous defeat on the hitherto Liberal Conservative County. Yours, &c.,

AN INCREDIBLE CRIME.

An astonishing trial has just ended in St. Petersburg—the trial of a boy of 13 for the murder of his father—and its most astonishing feature was the boy's testimony. He confessed his guilt, but maintained an appearance of complete indifference during the proceedings, and when asked what motives had induced him to commit the crime, simply said: "My father prevented me from continuing my studies, and making for myself a brilliant career. He also would not allow me to read novels, and that is why I resolved to get rid of such a rough, uncultured father."

"How was the crime committed?" asked the President.

"One night when My mother was out of town I crept out of bed and went to the kitchen for a hatchet. On my way there I said to myself: 'My God! What am I about to do?' then I thought, But 'Is there a God? Who can prove it?' So I took the hatchet and went into my father's room. He did not move, but I opened the window to make sure that he was asleep, and then I struck him a blow on the head with hatchet. He sprang up and cried 'help!' but fell back immediately on the ground. Then I took the hatchet back to the kitchen, dressed myself and went out. In the morning when I came back they told me my father was dead. I know I have done wrong, but it can't be helped."

A General Stampede.

Never was such a rush made for any drug store as is now at J. Gen. King's for a trial bottle of Dr. King's New Discovery for consumption, coughs and colds. All persons affected with asthma, bronchitis, hoarseness, severe coughs, or any affection of the throat and lungs, can get a trial bottle of this great remedy free, by calling at above drug store.

Hereford's Acid Phosphate.

(As a Nerve Tonic.)

Dr. J. W. Smith, Wellington, O., says: "I have used it advantageously in impaired nervous supply."

Indigestion.

This seven headed monster is more easily overcome by the use of Norman's Bitter than by any other remedy, and it cannot possibly do any injury. Guaranteed genuine. Sole agent, W. J. Wilson, at "The Pharmacy" 185 Princess St.

Mr Alexander Robinson, of Exeter, in writing about one of the most popular articles, and one that has done more good to the afflicted than any other medicine has during the short time it has been in existence, says: "I have used four bottles of Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, and have been cured of dyspepsia that troubled me for over ten years. Part of that time I had it very bad, and I was at considerable expense trying to get relief; but this excellent medicine was the first and only relief I had received."

Mr W. A. Weir, Westport, writes: "I wish to inform you of the wonderful results which followed the use of Northrop & Lyman's Emulsion of Cod Liver Oil and Hypophosphites of Lime and Soda. A cough of six months' standing had reduced me to such an extent that I was unable to work. I tried many remedies without effect; at last I used this Emulsion, and before three bottles were used, I am glad to say I was restored to perfect health."

It made me feel like a "Band of Music," was the rather forcible expression of an individual who was praising "Pectoria," the great remedy for Coughs and Colds, Hoarseness, Asthma, Bronchitis. It is safe, pleasant, effectual. If you suffer, try it. For sale by all Druggists and general dealers at 25 cents a bottle.

One of our best citizens would say to the public that he has tried Hall's Catarrh Cure and it is all that is claimed for it. Price 75 cents per bottle. Sold by J. Gen. King.

Dyspepsia of mind and body, and all diseases due to insufficient or impaired nutrition, are at once arrested and cured by the early use of Puttner's Emulsion of Cod Liver Oil with Hypophosphites, etc.

Do not suffer from sick headache a moment longer. It is not necessary. Carter's Little Liver Pills will cure you. Don, one little pill. All druggists sell them.

OSCAR AND MARY.

Meeting of the Æsthete and the Tragedienne—A Mother's Indignation Becomes Demonstrative.

The New York correspondent of the Washington Star says that Oscar Wilde and Mary Anderson met each other at a fashionable reception. Miss Anderson gazed upon his velvet jacket and his angular legs and admired. Her admiring glances were returned by the poet. The mother of the young tragedienne looked upon this attachment with some alarm. He played the lover without being serious in his intentions. So she denied him access to her daughter's society. But Miss Anderson, self-willed, arranged a quiet meeting with her friend at Long Branch. It was a romantic spot in a grape arbor—just such a place as Juliet would have delighted to meet her Romeo. The poet came at the appointed time, and a happy hour was spent in that leafy trysting place. Our boy Oscar talked mostly of himself, and when he was not dishing forth his borrowed ideas on decorative art, he discoursed of poetry, chiefly that of Shelley, which Miss Anderson made a note of. Before this meeting the actress had not so much as heard of Shelley's transcendental metaphysical ravings; so the next day she hunted for a volume of the poet's works, until she ran down one in a parson's out. This she studied with assiduity.

When Oscar made his next visit she was standing at the garden gate in a tragic attitude. In her hands she held the volume which she had borrowed from the parson. When the visitor had made obeisance, her face lighted up with a smile.

"Oh, Mr. Wilde," said she, "I have just been reading 'Shelley's 'Ode to the Skylark.' Here it is in this book. It is beautiful."

"Aw, it is bootiful, replied the æsthete, inclining his great head to one side, and opening his wide mouth until his big white teeth reflected the sunlight; "poor Percy, he was too ethereal for the dull clods of earth."

After more twaddle about the transcendental poet, she made bold to take her friend into her cottage to show him some souvenirs which had been presented to her since she began her career as an actress, and some curious which she had picked up on her travels. Her mother restrained her indignation until the apostle of the beautiful had taken his departure, but forbade her daughter ever allowing him to cross the threshold again. Moreover, she sent her disobedient child to New York or somewhere, in order to prevent her from having any more trysts with her admirer. As far as my knowledge goes, the two never met again.

Answer This Question

Why do so many people we see around us seem to prefer to suffer and be made miserable by Indigestion, Constipation, Dizziness, Loss of Appetite, Coming up of Food, Yellow Skin, when for 75 cts., we will sell them Shiloh's Vitalizer, guaranteed to cure them. J. G. King, Wholesale and Retail Agent.

A Good Filter.

To have pure water in the house every family should have a good filter, the health and comfort depends largely upon the use of properly filtered water. The liver is the true filter for the blood, and Burdock Blood Bitters keep the liver and all the secretory organs in a healthy condition. It is the grand blood purifying liver regulating tonic.

Burns and Scalds.

Are promptly cured as well as all flesh wounds, sprains, bruises, callous lumps, soreness, pain, inflammation and all painful diseases, by the great Rheumatic Remedy, Hagyard's Yellow Oil. For external and internal use. Price 25 cents.

People Who Read and Reflect, after reading upon the many published testimonials regarding Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, can scarcely fail to perceive that evidence so positive and concurrent could not be adduced in behalf of a remedy of doubtful efficacy. The facts proved by such evidence are that it roots out impurities of the blood, restores digestion, enriches the circulation, and regulates the bowels and liver.

The cause of death. It is known almost to a certainty that in fatal disease the individual dies either by the brain, heart or lungs. How wise then is the effort to maintain a perfect state of health? Dr. Carson's Stomach and Constipation Bitters are a veritable "Health Giver." They free the system from all impurities: cure Biliousness, Dyspepsia, and all disease of the Stomach, Liver or Bowels. In large bottles at 50 cents. Sold by all Druggists.

Insanity is in almost all cases the outgrowth of an overwrought brain. Dr. E. C. West's Nerve and Brain Treatment removes the cause and effects a cure. Sold by W. J. Wilson.

Surely miraculous is all I can say of the effect of Dr. Van Buren's Kidney Cure in my case. An elderly lady writes this from Antigonish, N. S., who had suffered from pains in the back for twenty years.

Seeing is believing. Read the testimonials in the pamphlet on Dr. Van Buren's Kidney Cure, then buy a bottle and relieve yourself of all those distressing pains. Your druggist can tell you all about it.

Catarrh is the seed of consumption, and unless taken in time is a very dangerous disease. Hall's Catarrh Cure never fails to cure. Price 75 cents. Sold by J. Gen King.

Beware of Imitations.

Since Dr. Thomas' Eclectric Oil has become established, a number of unprincipled persons have been endeavoring to palm off Electros and Eclectric Oil for the genuine Dr. Thomas' Eclectric Oil. Beware of these similar named articles. If their originators had any faith in the healing properties of their own medicines they would, like honest men, give them a name of their own, and not try to sell them on the reputation of another; but as they know their preparations have no merit, they resort to the most unprincipled means of selling them by getting a name as near as possible to Eclectric. We therefore ask the public when purchasing to see that the name Dr. Thomas' Eclectric Oil is on the front of the wrapper, and the signature of Northrop & Lyman, the proprietors for Canada, on the back.

Oh, What a Cough!

Will you heed the warning. The signal perhaps of the sure approach of that more terrible disease consumption. Ask yourselves if you can afford for the sake of saving 50 cts., to run the risk and do nothing for it. We know from experience that Shiloh's Cure will cure your cough. It never fails. This explains why more than a million bottles were sold the past year. It relieves croup and whooping cough at once. Mothers, do not be without it.
