

# Town officially re-opens The Three Musketeers Park

Local youth made a strong showing at the official opening of the newly completed Three Musketeers Park located next to the Acton Community Centre and Arena last week.

The re-built concrete playground offers a skate park with an additional bowl feature, as well as a new full-sized all-season sport court.

The facility was relocated to make way for the Acton Arena and Community Centre expansion that was restricted by environmental feature setbacks and the policies of the Greenbelt Plan.

The Three Musketeers Park was built in memory of Mark Everson, Travis Toth and Rory Dick, three local youths who died tragically in September 2000. Ongoing fundraising efforts by the Three Musketeers Memorial Golf Tournament committee led by Kathy Everson provided an additional \$40,000 to the project.

A sport court suitable for full court basketball, road hockey and natural ice skating in the winter is the result of their fundraising done to commemorate local youth Raymond Getty, who died New Year's Eve 2003.

"I'm very proud of the commu-

nity's support throughout this entire process" said Mayor Rick Bonnette. "There were concerns in the initial stages of the facility design that we would not be able to complete the construction of a new facility as part

of the Acton Arena & Community Centre project. I'm pleased that we have worked with our local youth and community partners to design and build this beautiful new facility."

Warren Harris, Interim Commis-

sioner of Corporate and Community Services, served as master of ceremonies for the event that included local vendors and music by local youth.

"This has been a great opportunity to improve facilities for our youth and

the partnership with the Three Musketeers representatives makes it even more meaningful," he said.

Work continues on the Acton Arena and Community Centre expansion with the new ice pad expected to be open in late November this year and the official opening in January 2016.
