HHFD begins firefighter recruitment drive

Do you believe you can answer your community's call for help? Be part of a group of dedicated individuals working to protect and save lives of people in their community.

As a part-time fire fighter with the Halton Hills Fire Department you will face new and challenging situations unlike any other job. You will fight fires, perform rescues, administer first aid, deal with hazardous materials, protect property and possibly be instrumental in saving lives.

Due to the expanding growth of the community and fire department attrition, the need for additional part-time personnel has become necessary. The additional probational firefighters will complement the current staffing at the Headquarters Station and the Maple Ave. Station in Georgetown and the Churchill Rd. Station in Acton.

"We are looking for staff members that live in the immediate area where the stations are located," said Deputy Chief John Martin.

To be eligible for consideration as a part-time fire fighter you must live within 5 km of the station to which you are assigned. Staff living within 3 km of the station will be given preferential consideration. Applicants available during daytime hours will also receive greater consideration.

"If you are physically fit, enjoy learning, work well with others and enjoy helping others, then you are a potential candidate for a part-time fire fighter position with the Halton Hills Fire Department," said Mayor Rick Bonnette.

The recruitment drive will run during the month of October and into early November. The closing date for applications is Thursday Nov. 5 at 4 p.m.. Applicant evaluations will be conducted through November to January. The anticipated start date for the group would be February. Applications may be found online at www.haltonhills.ca/jobs/ or may be picked up at the HHFD kiosk located at the Winners entrance of the Georgetown Market Place. Applications can also be picked up at either the Halton Hills Fire Department, District 1 fire station located at 21 Churchill Rd. S. in Acton, or at the HHFD Headquarters station, 14007 10 Sideroad in Georgetown. Completed applications can be mailed or dropped off at either the Georgetown Headquarters Fire Station or the Acton Fire Station.
